Journal of Proceedings

FIRST DAY

Charlotte, N. C., May 9

The 128th Annual Convention of the Diocese of North Carolina met in the gymnasium of the Thompson Orphanage, Charlotte, at 8:00 P. M. on Tuesday, May 9. The Bishop called the Convention to order and opened the session with prayer.

The secretary called the roll. A quorum being found present, the Bishop declared the Convention duly organized. On nomination the Rev. Alfred S. Lawrence was elected secretary. He appointed the Rev. R. Emmet Gribbin, Jr., as his assistant.

The Bishop appointed a committee on credentials: The Rev. Frederick B. Drane, Mr. Noble Clay, and Mr. Hill Yarborough.

Mr. M. D. Whisnant then welcomed the Convention to the Orphanage. On motion the rules were suspended and the schedule of hours on the printed program was adopted.

The Bishop then called the Rev. J. M. Dick to the chair and read his annual address. (Appendix A.)

The Bishop resumed the chair, and Mr. Joseph B. Cheshire presented the report of the Standing Committee (p. 101). The report of the Trustees was also presented by Mr. Joseph B. Cheshire (p. 103). This report was referred to a special committee consisting of Mr. Francis O. Clarkson, Mr. Stephen E. Burroughs, and Mr. E. O. Ayscue.

The report of the Executive Council was read by the Rev. James S. Cox. Of the two resolutions attached, the first was adopted and the second was referred to the Committee on Canons (p. 104).

Mr. A. B. Andrews presented his report as Chancellor (p. 105).

Nominations were then made as in the rules of order. It was moved and carried that a special committee be appointed to consider the Bishop's address. The Bishop appointed the Rev. F. Craighill Brown, Mr. D. Ed Hudgins, and Mr. George L. Irvin.

The Bishop then introduced the newly ordained clergy. The Rev. Harvey A. Simmons, a missionary who is doing supply work in the Diocese was welcomed and given a seat in the Convention.

The Convention then took a recess.

SECOND DAY

On Wednesday morning at seven a. m. the Holy Communion was celebrated in St. Mary's Chapel with the Bishop as celebrant, assisted by the Rev. W. H. Wheeler. The offering was received for the New York Bible and Common Prayer Book Society.

At 9:15 the business session was resumed.

Mr. J. H. Cutter presented the budgets for the Church's Program and for the Episcopal Maintenance Fund. Item four of the Episcopal Maintenance budget was increased to \$600.00. With this change, both budgets were adopted (p. 106).

The Committee on New Parishes reported that they had received an application from Christ Church, Charlotte, to be admitted as a parish in union with the Diocese of North Carolina; that the application papers were in order and that they therefore recommend that the said Church be admitted into union with the Diocese as a parish. The report of the Committee was adopted. The delegates were: John W. Labouisse, H. T. Cosby, William K. Harding, and F. Robbins Lowe.

The report of the treasurer was presented by Mr. Allen Langston (p. 81).

The report of the Committee on the State of the Church was read by the Rev. Gray Temple. Of the subjects dealt with in this report, the matter of rural Mis-

sions was referred to the Department of Missions. The two items having reference to communicants were referred to the Committee on Canons. The matter of the Malvern Conference was referred to the Executive Council, as also was the proposal to set up a commission on Negro work. The report was then re-committed to the Committee on the State of the Church with instructions to re-write the part that referred to the Roman Catholic Church.

The needs and plans for St. Mary's School and Junior College were presented by the Rev. I. Harding Hughes and the Bishop. The Bishop told the Convention of the plans to raise a sum of half a million dollars for building and endowment.

The following reports were submitted by title:

The Board of Managers of the Thompson Orphanage

Trustee of Kanuga

St. Augustine's College

The Woman's Auxiliary

The Board of Examining Chaplains

The Historiographer

College Work

Mission to the Deaf

Vade Mecum Camps and Conferences

Vade Mecum Farm Account

Committee on Church Pension Fund

The Army and Navy Commission.

The Good Samaritan Hospital

St. Agnes Hospital

Murdoch Memorial Society

Several of these reports were supplemented with short talks. The report of the Deaf Mission was signed by Mr. Fortune and read by the Bishop.

The Committee on Credentials reported that the list of delegates was in order and their report was adopted.

The Committee on the State of the Church reported that they had made the necessary changes in their report. With these changes, the report was then adopted.

For the Committee to consider the Bishop's Address, the Rev. F. Craighill Brown reported as follows:

1. A proposed change in Canon XXIII (This was referred to the Committee on Canons.)

2. Be it resolved: That before any diocesan organization or institution shall undertake and pursue any diocesan campaign for securing funds, such organization or institution shall first obtain the approval of the Executive Council of the Diocese with respect to the time and period during which such campaign may be conducted; provided that, if in the opinion of the Bishop it is not practicable for the Executive Council to hold a meeting within ample time to act upon such request for approval, the Bishop shall be vested with the authority otherwise conferred by this resolution upon the Executive Council.

And be it further resolved: that the Executive Council shall act promptly upon any such request for approval to the end that all financial campaigns sponsored and undertaken by diocesan organizations or institutions may be conducted without conflict and in such a manner as to promote the best interests of all worthy diocesan activities. (Adopted)

3. Be it Resolved: That the chairman of this Convention be authorized and empowered to appoint a special committee to investigate and study the regulations of the U. S. Selective Service program which affect candidates for the ministry and that such investigation and study be reported to the Bishop and Standing Committee of the Diocese for such affirmative action as may seem advisable to the special committee.

And be it further resolved: That the Standing Committee be empowered to express, in such manner as it may consider appropriate, to any government authority such protests or views as the Standing Committee shall deem proper. (Adopted)

The report was then adopted as a whole.

Mr. F. O. Clarkson reported for the special committee to which had been referred the report of the Trustees:

Your committee has examined the reports and audits of the Trustees of the Diocese of North Carolina and found them correct and in good order. Your committee makes the following recommendations:

1. That the Trustees of the Diocese not be required to list

the market value of the securities held by them, in their report to the Convention.

2. That the Convention direct the Trustees to spend funds not to exceed \$500.00 to cover legal fees and costs in the proposed suit by the Trustees of the Diocese against Joseph C. Kittrell for the recovery of the St. James Church, Kittrell Fund, if in their judgment such action is wise.

3. That the Trustees of the Diocese be given more ample legal authority to transfer stocks and bonds, and that such matter be referred to the Committee on Canons to draft a suitable canon on this subject to be submitted to the Convention.

This report was adopted. The report of the Trustees was then adopted.

In behalf of the parish of the Holy Comforter, Burlington, the Rev. Lewis F. Schenck invited the Convention to meet at that parish next year. The invitation was accepted with thanks.

At noon the Bishop led the Convention in prayers for Missions.

At 12:10 the Convention took a recess, and Mr. Whisnant and his helpers took the Convention on a tour of the Orphanage.

The Convention reassembled at two p. m. The Rev. James S. Cox reported for the Committee appointed at the last Convention to study the matter of missions and aided parishes. The report suggested a new Canon XXVIII. This proposed Canon had been in the hands of the Committee on Canons for several weeks, and with certain changes is included in the report of the Committee on Canons. At this time the report was formally referred to the Committee on Canons.

On motion the budget for the Church's Program was reconsidered. It was proposed to increase the budget by twenty-seven hundred dollars as salary and expenses for a religious education worker. After much discussion, the proposal was defeated and the budget again adopted as before.

The Convention then proceeded to elections. The Chair appointed as tellers the Rev. Carl F. Herman, the

Rev. Robert W. Turner, Mr. Robbins Lowe, and Mr. Zach Matthews. On motion the rules were suspended, and it was agreed that those having the highest number of votes should be declared elected.

The Rev. R. Bruce Owens presented the report of the Committee on Canons as follows:

Your Committee on Canons respectfully reports as follows:

1. In order to complete changes in the Constitution initiated at the Convention in 1943:

Resolved: That Article IX, section 3, of the Constitution be amended by striking out the two "provisos" in the last paragraph of the section. (This was adopted by a vote by orders)

2. Resolved: That Article III, section 4 be amended by striking out the "Proviso" beginning in line 4, ending with the word "Diocese." (This was adopted by a vote by orders)

3. At the Convention of 1943, a resolution looking to a change in Canon XXVI, section 7, regarding persons to be reported as Communicants was referred to us and reported on by us. After considerable discussion the matter was "postponed" and by resolution, General Convention was memorialized "To define what is a Communicant for Parochial reports and statistical purposes." This was done, and our delegates inform us that General Convention declined to take any action on the ground that what we requested had already been done.

A letter from the Secretary of the House of Deputies referred us to the report of a special committee on "definition of the word Communicant" in the General Convention Journal of 1907. He also reminded us that the secretary of the House of Bishops, following the General Convention in Atlantic City in 1934, had also sent a letter on the same subject to all the Bishops to be brought to the attention of their Diocesan Conventions. The substance of this letter is as follows:

"We agree with all that is there said (i.e. in the above referred to report) defining a Communicant as one who has received Baptism and Confirmation, or has been formally admitted to Holy Communion as being 'ready and desirous to be confirmed.' We reiterate that all such should be enrolled and kept upon the Parish Register until death, transfer, or discipline removes the name."

After a careful study of the report of the special committee of 1907, and of the letter sent to the Bishops as quoted above, we are of the opinion that our present Canon is in as close agreement therewith as anything we might be able to devise.

We therefore ask to be discharged from further consideration of this matter.

(Adopted and Committee discharged)

4. Resolved: That Canon XXVIII be amended by the adoption by a new section 1, as follows:

Section 1. There shall be two classifications of Missions in this Diocese, viz. unorganized and organized. An unorganized Mission is a congregation with less than twenty communicants, recognized as a unit of the Diocese, but without lay representation in the Convention. An organized Mission is a congregation with twenty or more communicants having its own officers and being in union with the Constitution of the Diocese, but not being fully self supporting. But this shall not apply to College and Institutional Chapels.

Section 2. Missions may be established outside the limits of existing parishes by the Bishop at his discretion on application of residents of the neighborhood. A mission so established and having twenty or more communicants, may by being properly organized and making application to the Convention, be admitted into union with it, by vote of the Convention.

Missions may also be established within the limits of an already existing parish by the Rector of such parish with the consent of the Bishop. Missions so established shall be accounted an integral part of the parish to which they belong until such time as they may be received by the Diocesan Convention as Missions in union with the Convention or as unorganized Missions of the Diocese. In cases where a parish is supporting a mission within the parish, the Finance Department of the Diocese, in determining the missionary quota of that parish, shall give due regard to the expense borne by such parish in support of such Mission.

Present sections 2 and 3 to be sections 3 and 4.

Old section 2. As at present, but numbered section 3.

Section 4. The Bishop shall appoint the officers at the establishment of a Mission, and annually thereafter, except that in the case of a Mission within the boundaries of a parish, such appointment shall be made by the Rector thereof, provided that whenever the number of communicants in a Mission be not less than twenty, the said communicants may elect annually the officers of the Mission; and in case they fail to do so, the Bishop, or Rector may appoint. (Adopted)

5. Resolved: That Article III of the Constitution be amended by the adoption of a new section 5 as follows:

When an organized Mission desires to be admitted into union with the Convention, it shall follow the same procedure, so far as applicable, as that prescribed for the admission of a Parish. (First reading passed.)

6. Resolved: That Article III, section 5, be amended by changing the word "ten" in line two to "twenty." And that sec-

tions five and six be made sections six and seven. (First reading passed.)

7. Resolved: That Article IX, section 1, of the Constitution be amended by changing the word "ten" in line one to the word "forty." (First reading passed.)

8. Resolved: That Article IX, section 2, be amended by striking out after the word "Diocese" in line four the words "To establish within the limits of said parish independent missionary congregations" and substitute in lieu thereof the following "To organize a mission within the limits of said parish." (First reading passed.)

9. At the request of the Chairman of the Special Committee on the Bishop's Address, we offer the following resolution as appropriate to accomplish the result sought by the Bishop.

Resolved: That Canon XXIII, section 2, be stricken out, and the following substituted for section 2: "No Rector shall be elected by any vestry until the Clergyman who is proposed by the vestry shall have been approved by the Ecclesiastical Authority of the Diocese."

Your committee is divided as to the wisdom of the above amendment, and we offer it without prejudice. (The amendment was adopted.)

10. We offer the following resolution: That Canon X, section 1, be amended by adding at the end thereof the words "The Trustees of the Doicese, or any two of them shall have full power and authority as a part of their official duties to sell, transfer, and execute assignments of any stocks or bonds which at any time may be owned by the Diocese of North Carolina of the Protestant Episcopal Church in the United States of America or by its Trustees, or any mission thereof, or of any trust funds in their charge. Said Trustees, or any two of them, are authorized to appoint attorneys or agents to execute such assignments. (Adopted)

After each item in this report was disposed of, the report of the Committee on Canons was adopted as a whole.

On motion of the Rev. R. B. Owens, the chairman of the Committee on Canons and the secretary of the Diocese were authorized to have printed a new edition of the Canons, and were given authority to edit wherever necessary.

Mr. Cleveland Thayer spoke of the Vade Mecum Chapel of Thanks.

Mr. Allen Langston read the list of arrears to the Episcopal Maintenance Fund. On motion of Mr. J. H. Cutter the following arrears were remitted:

St. Titus' Durham	\$187.00
St. Andrew's, Greensboro	248.42
St. Mary's, High Point	164.00

The Bishop appointed the Board of Examining Chaplains as follows: The Rev. R. Bruce Owens, the Rev. Alfred S. Lawrence, the Rev. F. Craighill Brown, the Rev. Edgar H. Goold, the Rev. I. Harding Hughes, the Rev. M. George Henry. The appointment was confirmed by the Convention.

On motion of the Rev. William J. Gordon the following resolution was adopted:

WHEREAS: The present emergency needs of the American Bible Society and the increased responsibility for post-war reconstruction in its specialized field will call for a substantial increase in its budget,

AND WHEREAS the Society must look to the Churches for funds to meet its unparalleled present and future opportunities.

BE IT RESOLVED, THAT each church of our Communion be urged to give generously to the American Bible Society both for its increasing regular budget and its War Emergency Budget.

THAT the needs of the Society be commended to the generous consideration of those administering special funds for the war emergency program.

THAT each individual church be urged to set aside one Sunday this year—December 10th is suggested by the Society—on which the place of the Bible is duly emphasized and the responsibility of the church in Bible distribution is clearly laid upon the consciences of the people.

On motion of the Rev. F. Craighill Brown the following resolution was adopted:

Resolved: That this Convention consider itself most fortunate in being the guest of this notable institution of the Dioceses of North Carolina. To many of us it has been until now more of a name than a living institution. This has been an occasion when the staff and "our children" in it have become our real friends. We are deeply grateful to all of the Orphanage and the Church people of Charlotte who have assisted them for their warm hospitality.

Mr. J. H. Cutter reported that \$25,892.50 had been secured in cash and pledges for the permanent Episcopal Endowment Fund.

The resolution with reference to the government policy toward Ministerial students was reconsidered. After discussion, Mr. K. D. Battle moved the appointment of a special committee to go into the matter further and if necessary to act with similar committees from other Churches.

The Bishop appointed the Canonical Committees as follows:

1. On Canons. The Rev. R. Bruce Owens, the Rev. A. S. Lawrence, the Rev. M. George Henry, Mr. Kemp D. Battle, Mr. Francis O. Clarkson.
2. On State of the Church: The Rev. Josiah T. Carter, the Rev. Ray Holder, the Rev. Robert J. Johnson, Mr. E. G. Peoples, Mr. C. P. Barber, Mr. Charles Harrison.
3. On New Parishes: The Rev. Robert M. Bird, the Rev. Charles F. Wulf, Mr. Robert G. Hurst, Mr. William Burrus, Mr. Thomas B. Rice.

As the work of the Convention was finished and the tellers had not yet been able to make their report, it was agreed to adjourn the Convention and to print the election results in the Journal. The elections resulted as follows:

Treasurer of the Diocese: Security National Bank, Raleigh branch.

Standing Committee: The Rev. J. M. Dick, the Rev. D. W. Yates, the Rev. I. H. Hughes, the Rev. M. G. Henry, Mr. J. B. Cheshire, Mr. R. H. Lewis, Col. Gordon Smith.

Trustees of the Diocese: Mr. Joseph B. Cheshire, Jr., Mr. Paul F. Smith.

APPENDIX A

ADDRESS AND JOURNAL OF THE BISHOP

Address of the Bishop

Brethren of the Clergy and Laity:

As we come together for the One Hundred and Twenty-Eighth Annual Convention of this Diocese, I greet you with a sense of the seriousness of the task that confronts the Church today. This is now the third time that we have met since war began. It would be easy to describe the discouraging circumstances that besiege the Church and try the very souls even of God's elect. We could, with faithfulness to fact, recount a mournful list of issues that the war has thrust upon the Church. Any one of us, at this moment, might ask questions, profound, legitimate but distressful questions, about the goodness of God, the destiny of man, the authority of the moral law, the ultimate triumph of right, the trustworthiness of Scripture, the validity of prayer, the relevance of the Church. While such indulgence in pessimism and complaining would, I say, be easy and natural and even enjoyable, it would not be true to him who said: "Let not your hearts be troubled. Ye believe in God . . . Be of good cheer. I have overcome the world." We are met, therefore, not to talk about our difficulties but to disregard them; not to take counsel of our fears but to conquer them; not to be doubting but trustful; admitting our weakness, of course, but conscious of His power by which our weakness is made strong. We do not profess that we are equal to the demands of this vast catastrophe, but we believe with all our hearts that God can make us equal to this and every crisis. God knows that He has brought us to His kingdom for such a time as this. There is honor and responsibility in His choice of us to be living at this hour. Grateful for the distinction of being called to work with Him for the redemption of a lost generation and the remaking of a broken world, we trust in his sufficiency and gird our loins to go to work, in his name, and by his power, and for his sake.

"He who would valiant be
'Gainst all disaster,
Let him in constancy
Follow the Master."

NECROLOGY

During the past year, the Diocese suffered the loss of one clergyman by death. On June 27, 1943, the Reverend Isaac Wayne Hughes entered into the Paradise of God. His residence in this diocese began October 1, 1909, when he removed from East Carolina to become the Rector of Holy Innocents' Church, Henderson. The last thirty-four years of his life were devoted to this parish. But the word parochial, with its limited implications, could never be applied to him. He served his fellowmen without regard to ecclesiastical boundaries. He was Catholic minded, Catholic hearted. His sympathies were broad enough to include "all sorts and conditions of men," without favor or distinction. Children loved him. Poor people trusted him. All men honored him. Wise in counsel, graceful in speech, courteous in manner, robust in friendship, hearty in humor, humble in spirit, this beloved bond-servant of Jesus Christ built himself into the structure of the Church in this diocese as few men have done, whose good deeds, as long as grateful memory lasts, will follow him.

SUMMARY

My official acts may be summarized as follows:

(1) Within the Diocese, I made 121 Visitations, celebrated the Holy Communion 35 times, confirmed 651 persons, of whom 74 were Negroes, and 14 were deaf. To this number should be added two who were confirmed by the Rt. Rev. G. Ashton Oldham, D. D., at the Village Chapel, Pinehurst. I baptized two infants, officiated at one wedding, four funerals and 32 other services. I ordained seven candidates to the Diaconate, and advanced two Deacons to the Priesthood. I or-

ganized Christ Church Mission, Charlotte, and Holy Hope Mission, Rocky Mount. I issued Lay Reader's Licenses to 31 men, attended 58 committee, trustee or board meetings, held 168 conferences, preached 91 times and delivered 53 addresses. I consecrated Trinity Church, Scotland Neck, and dedicated the new Parish House at Walnut Cove, and the new Community House of St. Andrew's Mission, Rockingham County.

(2) Outside the diocese, I made five Episcopal visitations, confirmed 21 persons, baptized two infants, ordained one man to the Diaconate, preached 11 times and made two addresses. I attended the sessions of the House of Bishops at the meeting of the General Convention in Cleveland, Ohio, last October, and served on three committees of that body.

CANDIDATES OF THE MINISTRY

Last year, I mentioned the concern I felt over the difficulty of securing a sufficient number of suitable candidates for the ministry. The situation as it stands today presents a serious problem to the Church in this diocese, and indeed, to the entire Christian Church throughout the nation. If I understand the government's directives rightly, it will be impossible, after July 1, 1944, for any college man to become a pre-theological student, with occupational deferment, if he has attained the age of eighteen, and is physically qualified for service in the Army. In the V-12 Program of the Navy, an apprenticed seaman who, before his eighteenth birthday, has elected to be trained for the office of Chaplain, is permitted to take certain accelerated courses which are designed to fit him for the duties of that position. I waive the question as to the ability of these young men to serve acceptably as Chaplains after such a hurried and abbreviated course of training. The point that I am concerned with is that no man is eligible to study for the civilian ministry except those who are beyond the age of military service or those who, for some physical or other disability, have been rejected or discharged. Unless these governmental restrictions are modified, the supply of ministerial candidates is certain to be curtailed. The effect of this system may not be felt immediately, but it threatens the future of the Church. At a crucial time, when this nation and people need, and are entitled to, the most proficient degree of spiritual leadership, they will be deprived of that essential benefit, because the ministry, as a profession with reduced personnel, will have become inadequate to the demands of war and post-war conditions. The time to forestall such a misfortune is now. I do not feel competent to advise any specific procedure for meeting this difficult question, but if this Convention is impressed with the seriousness of the situation as I have indicated it, I would suggest the appointment of a Commission to

discover what steps other dioceses and also other Christian bodies have taken to remedy this condition, and if their findings should warrant it, to make respectful protest to the proper authorities against what now appears to be a curtailment, by governmental authority, of the free function of the Church in America.

FINANCIAL CONSIDERATIONS

In my address to the Convention a year ago, reference was made to the importance of improving the financial condition of parishes and institutions by the payment of local debts and the creation of reserve funds. This is an advisable precaution against the day when the Church may have to adjust its program to a level of income and expenditures required by a post-war economy. This policy has been actively pursued in a number of localities. Several parishes and missions are making determined efforts to become debt-free. Some have created sinking funds and invested them in liquid securities. Others have started substantial building funds to be used when materials become available. Still others have put their property in good repair. They are all to be commended for this wise provision for an uncertain future.

With the approval of this Convention, the Department of Finance launched a movement for the increase of the Episcopal Endowment Fund. This effort was carefully timed by the Executive Council so as to avoid conflict with other authorized financial drives and offerings. It enlisted the devoted and energetic services of both clergy and laymen in a number of parishes and missions. In some places, for local reasons, participation was deferred. Even this partial campaign resulted in a doubling of the Episcopal Endowment in this diocese. It is hoped that when the proper time comes, all the churches will engage in this movement, since all of them will derive a direct benefit from this endowment, the income of which is used to reduce their annual assessments.

I have just spoken of authorized financial drives. On this point we should have a clear and simple policy. Our highest authority is the Diocesan Convention. This body elects the Trustees and Managers of our several Diocesan Institutions. These institutions are not independent and autonomous. They depend for their subsistence or their patronage upon a diocesan constituency. Unless there is some central authority or directive control of all our diocesan institutions, which their boards acknowledge and respect, there might come a time when one institution, quite unintentionally, would stand in the way of another. That would be like brothers and sisters, without meaning to do so, competing within the family, each to the other's disadvantage. There is no competition between the institutions of the Church in this diocese. Each has its own distinctive purpose and an honorable record of achievement. Each fulfils its separate and important function. Each has its place in our affections and claims our interest and support. It is, therefore, essential that special financial efforts in behalf of our several institutions be planned in such a way as to secure the best results for all of them. Such planning can best be done by the institutions' boards acting, not independently, but cooperatively through a central agency or authorizing body. How unfortunate it would be, for example, if St. Mary's School and the Thompson Orphanage should hold simultaneous campaigns for funds. The appeal would be made to the same people, generally speaking, in both instances. This would not only result in confusion but might even issue in an unwholesome rivalry between two institutions to both of which we owe loyalty and support. A central directing body like this Convention, or its agent, the Executive Council, is competent to authorize a series of campaigns, if need should arise, and to space them according to a time schedule that would avoid the element of competition and obtain the maximum financial benefits for all worthy causes. The advantage that one institution gains

should not provide a disadvantage that another institution suffers. It is desirable, it seems to me, for a policy of this kind to be expressed in a simple resolution which, I trust, this Convention will adopt, if this suggestion commends itself to your judgment.

CANONICAL REVISION

There is one Canon of this Diocese to which I hope this Convention will devote its attention. I refer to Canon XXIII, which provides for the election by the Vestry of the Rector upon the nomination by the Bishop of the Diocese. This Canon has been in operation for the past five years and many clerical changes have been effected under its provisions. Experience, I think, has proved that the main feature of this Canon, namely, that the Bishop shall make nominations to the Vestry, is unwise. It is especially objectionable for two reasons: First, it centralizes too much control in the hands of the Bishop and sometimes makes him appear to prefer the interest of one parish to that of another. Second, it deprives the Vestry of their responsibility for exercising their own initiative and judgment in selecting and calling a Rector. To exempt the Vestry from this obligation looks to me like an unwarranted limitation of their rights and duties as trustees of the welfare of the Parish. The General Canons of the church (46) define the Vestry's authority in the matter of such elections and the manner in which the Bishop's position may be recognized and even how his veto power may be exercised. To repeal the present Diocesan Canon, therefore, would simplify and accelerate the important business of filling parish vacancies, and would restore to the Vestries of the Diocese their full rights and prerogatives. I hope that the Convention will take such action in this matter as experience and five years' trial appear to advise.

CONCLUSION

The several matters to which I have alluded in this address appear to be entirely of a diocesan nature. This has been an intentional emphasis. For the conviction grows upon me that a diocese contributes most to the Kingdom of God that performs its own function faithfully and well. An army of which each unit does its assigned part is a victorious force. We are not likely to be inspired by a broad vision of the Church's Missionary program if we are neglectful or apathetic to our duties here at home. "He who is faithful in that which is least is faithful also in much." We are citizens now of a world-wide commonwealth, embracing all races and nations and kindreds and tongues, but we must exercise our citizenship where we are. We belong to a Church to which all peoples shall come, as birds from the four winds of heaven light in the branches of a tree, but we must exercise our Churchmanship where we are. If we can be steadfast in a day when things that pass are being shaken, and faithful in our several vocations and callings in that which is least, then we have caught the genius of Christianity which is the only power under heaven known to man whereby evil, under the alchemy of God's love, becomes good, defeat is transformed into victory, and even the wrath of warring man is turned into the benediction of peace.

A detailed account of the financial transactions of the Trustees and audit of these transactions prepared by W. M. Russ & Company, Certified Public Accountant, Raleigh, N. C., are transmitted herewith.

A detailed account of the acts of the Trustees as shown in their Minutes is attached hereto.

At the last Convention a report of the Executive Committee, in which it was recommended that the Trustees be directed to employ counsel and bring suit for an accounting and settlement of the financial matters of the Ladies Aid Society of Saint James Church, Kittrell, and upon motion a resolution to that effect was adopted but no funds were appropriated for the purpose. The Trustees request that an appropriation be made for this purpose or that other method of payment of Attorneys fees and expenses be provided.

In a recent sale of stock held by the Trustees in the Combined Trust Fund, the authority of the Trustees to make the sale was questioned. The powers and duties of the Trustees are set forth in Diocesan Canons X, XIV, XV, XVI. The Trustees suggest

that these Canons be clarified in order that there may be no doubt about their authority in dealing with funds and securities in their hands and belonging to the Diocese.

REPORT OF THE DIOCESAN EXECUTIVE COUNCIL

Since the last meeting of the Convention four meetings of the Executive Council have been held in Raleigh: July 7, 1943, September 23, 1943, January 12, 1944, and April 27, 1944.

The council was organized into the following departments:

FINANCE: Messrs. J. H. Cutter, Chairman, Alexander B. Andrews, R. H. Lewis, and William H. Ruffin.

MISSIONS: Rev. F. Craighill Brown, Chairman, Messrs. Cleveland Thayer and John H. Clark.

CHRISTIAN EDUCATION: Rev. C. Alfred Cole, Chairman, Rev. A. Stratton Lawrence, Jr., Mrs. Edward G. Peoples.

CHRISTIAN SOCIAL RELATIONS: Rev. C. E. B. Robinson, Chairman, Mr. D. Edward Hudgins and Mrs. Julius A. Mackie.

PROMOTION: Rev. James S. Cox, Chairman, Messrs. D. Edward Hudgins, Arthur L. Tyler, and Mrs. Edward G. Peoples.

YOUTH: Rev. Gray Temple, Chairman, Rev. A. Stratton Lawrence, Jr., Mrs. Henry C. Bourne.

The quotas for the Church's Program Fund for 1944 were set at a flat 14 per cent increase over the quotas of the previous year, plus an additional 5 per cent asked for a Reserve Fund.

The 1944 assessments for Parishes and Missions for the Episcopal Maintenance were found by taking 9 per cent of the Current Operating Expenses for the year 1942, taken from the 1943 Journal. Assessments for the three educational institutions were fixed at the same amount as for last year.

\$63,928.55 was pledged towards the Church's Program Fund: \$62,264.28 against the quotas, and \$1,664.27 against the Reserve Fund.

The Department of Missions has kept the missionary work of the Diocese at a high level in spite of difficult conditions brought on by the war.

Rural Church Institutes were successfully carried out in several places in the Diocese by the Department of Christian Education. \$500.00 was set aside from lapsed balances in the 1943 Church's Program Budget for a permanent Negro Camp site.

A new department of the Council, the Department of Youth, was organized and charged with the furtherance of College work,

the Young Peoples' Service League, the Youth Commission, and other youth work.

During the year the Department of Finance undertook the organization of the Episcopal Endowment Fund Campaign with good results, more than doubling the present Episcopal Endowment Fund.

According to instructions from the 1943 Diocesan Convention the status of insurance on mission property was surveyed and found to be in excellent condition.

Two resolutions adopted by the Council will be of special interest to the Convention. They are as follows:

"It is the judgment of the Executive Council of the Diocese of North Carolina that men and women in the Armed Services should be construed and reported as Communicants."

"It is the judgment of the Executive Council of the Diocese of North Carolina that a communicant be construed to be one whom the clergyman has good reason to believe has attended the Holy Communion at least once in the past three years."

The Council hereby submits these resolutions of the approval of the Convention.

The Church's Program and Episcopal Maintenance Funds Budgets will be presented hereafter by the Department of Finance.

Respectfully submitted.

REV. JAMES S. COX, *Secretary*

REPORT OF CHANCELLOR

Your Chancellor begs to report as follows:

During the past year there were no disputed questions of Canon law presented for a ruling, and hence no decisions to report.

Several times your Chancellor conferred, and advised with the Bishop upon matters of Canon law, as well as the law of the State, involved in matters of administration of his office, but it was purely in an advisory capacity.

At the Triennial General Convention held at Cleveland, Ohio, in October, 1943, the Chancellor attended the Chancelors' dinner, along with about 30 other Chancellors, following which was held the triennial meeting the Chancellors Association, and your Chancellor was elected President for the triennium 1943-1946.

Of great importance, the action of the General Convention in re-arranging and renumbering the articles and sections, of both the Constitution and the Canon, after 150 years use, and growth by legislation of intervening General Conventions, should be called to the attention of the Diocese and the Clergy and laity be asked to use only the re-arranged and renumbered edition of 1943, which will be found in the 1943 General Convention Journal.

Respectfully Submitted,

ALEXANDER B. ANDREWS, *Chancellor*

REPORT ON THE STATE OF THE CHURCH

A report of the State of the Church is not the place for a theological dissertation. Nevertheless it is important, for an understanding of what follows, to know what is the definition of the Church which lies at the heart of your Committee's report. For us, the Church is a divine-human Society, which is the extension of the Incarnation into the world of time and history.

I

Believing this to be true, your committee does not believe that the state of the Church can be determined solely from the evidence of statistics. These statistics are valuable only as they evidence apparent trends in the mission of the Church in this Diocese. This past year we can note certain trends, some encouraging; some discouraging. There were 515 Infant Baptisms, which is a gain of 29 over the preceding year. There were 149 adult Baptisms, which is an increase of 37. 651 persons were confirmed, a decrease of 45 over last year. There were 256 couples united in Holy Matrimony, an increase of 51, due perhaps to the war conditions. 261 persons were lost by death, a decrease of 22. There were 19,261 Baptized persons reported, an increase of 570; and 13,758 communicant members reported, an increase of 189. These figures, even though there were fewer confirmations, would indicate that the Diocese is at least holding her own. However, there were only 5,061 children reported in the Sunday Schools of the Diocese, which is a decrease of 367. There was a loss of 15 teachers and 197 members of Bible Classes, a total loss of 579 members in the Sunday Schools of the Diocese. These figures would indicate grave weakness in our Diocesan life, and your committee would suggest to the Clergy and Laity that the work of the Sunday Schools be made the chief center of work for the coming year. At the same time, we note the organization of a strong new Parish in the Myers Park area of Charlotte under the leadership of Rev. M. George Henry. The most hopeful sign to your committee lies in the active interest and work of the laymen and women of this new Mission. We hope that there will be more evidences in the Diocese of the same Christian zeal.

Recommendations: a) We propose to the Committee on Canons that work be done on the complicated and confused problem of Communicant status. Statistics are valuable only if they paint a relatively true picture. Under the present system, we doubt whether this is the case. We ask that a Diocesan Canon be made clarifying this confusion.

b) We propose that a Canon be made allowing a Rector, or minister-in-charge, at his discretion to remove from his communi-

cant list, the name or names of those persons who have moved away and will not transfer membership; or who have been lost; or who have not taken any part in the worship or witness of the Church for a period of two years; and that these names, upon removal, be put upon a special record in the Diocesan Offices.

II

The Diocese of North Carolina is one which feeds upon the Rural Areas of the State.

Recommendations: a) We recommend that the Department of Missions spend the next year studying the problem of Missions in the Rural areas; that this Department develop plans for more effective work in this field and that these specific plans be referred back to the next convention for action.

III

Your committee has studied with satisfaction the work which the Church has been doing among our Negro brethren. The Bishop of the Diocese has taken a lead in this work, not only in our own Diocese and in the National Church, but also among the other denominations in the State. The Church occupies a position of leadership in this field. We note with pleasure the program of study of the Woman's Auxiliary for the year has been on better race relationships. Such study must bear fruit in social action.

On the other hand, we note the rapid rise of Roman Catholicism among the Negro people in certain areas of the Diocese, particularly in the eastern section. The Church has been at work long before Rome came into this field and yet many Negroes are joining the Roman Church. This would seem to indicate a weakness on our part, not so much on the part of the Negro Clergy and Laity, as on the part of the Diocese as a whole.

Recommendations: a) We suggest that the Department of Missions study the problem of effective work among the Negro people at the same time that it studies the Rural problem.

b) We propose that the Chairman of that Department appoint leading Negro Priests and laymen to assist in this study, that our Negro brothers may have the opportunity of being heard in the development of these plans.

c) We propose that a Commission on Negro work be set up by the Bishop, to be comprised of equal representation of Negro and White Clergy and Negro and White Laity; that this Commission may direct long term plans of action for this phase of our Diocesan work.

IV

The Diocese is alive to its responsibility toward the children and Young People in its charge. The Department of Christian Education deserves appreciation for its fine work in attempting to better Education in the Diocese.

Recommendations: a) We feel the pressing need of a capable and trained Diocesan Director of Religious Education. We recommend that if the Chairman of the Department of Christian Education is unable to secure the services of such a person because of the limit of the salary set by the last Diocesan Convention, that this sum be increased to adequate size.

V

Your committee believes sincerely that the Church has the only answer to the problems which face the world; and that the Church (as before defined: viz. the body of Christian People) is the only agency which can plan wisely for the post-war world.

Recommendations: a) We recommend that the Bishop organize a two or three day conference, comprised of Clergy, Laymen, and Lay women, to discuss the Findings of the Malvern Conference in England, and to discuss the Christian approach to the problems of the post-war world.

b) The Bishop (or a committee appointed by him) to arrange the time, place, and membership of such a conference.

c) That the expenses of this conference be paid for out of Diocesan Funds.

In humble awareness of the weakness of our worship and our witness; with the penitent vision of many tasks to be done; and with the courage that God will give us Grace to follow Him, we look forward to the future with the hope that God will reawaken the Church to its historic vocation of worshipping and witnessing.

Signed:

REPORT OF THE SUPERINTENDENT OF THE THOMPSON ORPHANAGE

I want to convey to you a picture of our institution for the year 1943. Financially we are better off than we have been for a number of years; if not in the history of the institution. This does not mean that we have more money than we know what to do with; but that our budget is balanced, we have no outstanding

bills, and our receipts for 1944 will be ample enough to take care of our needs; an estimate based on the fact that the Thanksgiving Offering, about which we can never be certain, will be as much as it was in 1943.

The newest and most badly needed addition to our financial program, the Sustaining Fund, has made it possible for us to avoid borrowing money from the bank. In 1941 it was necessary for us to borrow \$8,625.00; in 1942 we borrowed \$4,500.00. During 1943 we did not have to borrow from the bank, but instead we used \$3,364.52 from the Sustaining Fund, which we have already paid back, and thus we were able to save on interest as well as establish our financial independence.

Under the existing circumstances the staff is doing very well, however, this department of our institution should be improved. Realizing that the matrons are the backbone of any institution, they should always be of the best caliber possible. The field from which we draw is extremely limited, therefore it is a most difficult task to obtain the kind of matrons we should have. There is a great deal of restlessness among domestic workers, brought about by the war. The high prices being paid in the war industries have made it hard for us to keep domestic workers employed.

During the year we cared for ninety-six children. We began the year with seventy-eight, admitted eighteen, dischrged thirteen, and at the present time we have a population of eighty-three.

The children are doing a splendid job. Our population is much younger than it has been in former years; we have only one seventeen year old boy and one eighteen year old girl. However, these young boys and girls are doing the work that was formerly done by a much older group, and in addition there are many added duties on the farm, which is in full production, and in the dairy barn.

The children's school work is satisfactory and much improved over that of other years. We had two graduates in 1943; both were on the school honor roll, and one was a member of the National Honor Society. Both these children graduated with college units. In addition to the two seniors we had twenty-two children who had either all A's or all S's. This is an excellent record. During 1943 we had three children who failed to pass their grades. Two of these three were new children who did not have the necessary background to take up their interrupted school work and pass it. Our institution was built to take care of normal children.

Last summer Mr. M. E. Pierson equipped our sewing room with two electric sewing machines. They have made the sewing room a popular place and both the girls and the matrons have made many things with the new machines. We feel that each

new activitiy added to our training program is an important contributing factor to the growth of our children.

The farm and dairy herd of twelve cows have contributed more to the life of the institution than I can possibly tell. These activities have given our boys and girls something to do and something to talk about. This has changed our attitude from that of a beggar to one of a producer. Now we can hold up our heads and let people know that we are contributing and are not wholly dependent upon charity for everything without giving something in return.

The farm produced for the year 1943 the gross amount of \$7,445.94. Of this amount \$5,251.37 is clear profit. The cows produced 6,912.1 gallons of milk at a cost of 21½ cents per gallon. In addition to the hay and silage grown for feeding the stock, we also grew the following vegetables, some of which were canned for winter use: kale, collards, turnips, carrots, radishes, onions, lettuce, May peas, beets, Irish potatoes, green beans, squash, corn, beans, butter beans, cucumbers, cantaloupe, tomatoes, okra, watermelons, sweet potatoes, peanuts, Swiss chard, Chinese cabbage, cabbage, egg plant, and bell pepper. It might be interesting for you to note that no tomatoes or soup mixture have been bought by the Orphanage since 1941.

In conclusion, I would like to say that no institution of this type can successfully operate without a program of varied activities of a nature in which children can easily engage. I would also like to express our sincere gratitude to the loyal supporters of the Thompson Orphanage, without whose help we could never successfully operate.

Respectfully submitted,

M. D. WHISNANT, *Supt.*

REPORT OF THE LAYMEN'S LEAGUE

It would appear that, during the past few years, due to war-time conditions and other allied causes beyond our control, many direct contacts with local Laymen's organizations have been broken, and at this time the Diocesan Laymen's Leagus seems to consist largely of its Executive Committee. This fine group of men is engaged in promoting a number of extremely worthy projects, chief among which is the raising of a scholarship fund for deserving boys, to insure their attendance at the Vade Mecum Senior Boys Camp, (Camp Cheshire, Sr.); and underwriting a part of the expense of Camp Delaney. (\$400.00 toward the first project and \$100.00 toward the second.) For the first time, a substantial reserve fund has been accumulated in order to assure future camping privileges and opportunities for these boys. Under present plans, our next objective is to raise sufficient funds

for building the Chapel of Thanks at Vade Mecum. These projects betray a spirit of interest and enthusiasm, which should be extended into an active program of Laymen's work in every parish and mission of the Diocese, and it is hoped that the day is not far off when such an organization may be effected.

Since the last Convention, two meetings involving sizable groups of Laymen, have been held under the auspices of the League: The Laymen's Conference at Vade Mecum July 31-August 1; and the Convention of the Laymen's League at Holy Trinity in Greensboro on January 9th. At this Convention the Executive Committee was expanded from 16 members to 20, thereby drawing into this official group representatives from four additional parishes. On April 17th, the Laymen's Vade Mecum Chapel Committee met with Bishop Penick and the Diocesan Vade Mecum Committee to discuss plans and procedure for expediting the work on the Chapel of Thanks. Final plans for the structure and the program for raising the necessary funds with which to build it, will be announced at a meeting of the Executive Committee in Charlotte on May 9th. Another project worthy of note, although not sponsored directly by the Laymen's League, but depending almost wholly upon the officers and members of its Executive Committee for full development, was the Advent Corporate Communion service for Laymen observed throughout the Diocese, at which time a Corporate Gift was received. Laymen from forty-three Parishes and Missions are reported as having participated and approximately \$1,100.00 was received for the Vade Mecum Chapel fund, the designated object of the Corporate Gift.

Another Laymen's Conference has been scheduled for Vade Mecum on the week-end of June 17-18, during Camp Cheshire Senior, in order that interested Laymen may see evidence of their handiwork in building better citizens and churchmen through providing scholarships for a number of these boys. The Sunday sessions will be given over to a discussion of the future work of our Laymen. This should be an inspiring week-end for members of the Laymen's League and for those interested in other phases of Laymen's work.

Camp Delaney, held on the week of July 12th last year, is scheduled for July, again. Those who visit this camp will be recipients of a measure of the inspiration derived from the work of Dr. Blackman and his Committee in this field of work among our negro boys.

Respectfully submitted,

CLEVELAND THAYER, *President,*

Laymen's League Diocese of North Carolina

REPORT OF THE TRUSTEE OF KANUGA

Your Trustee in his report to the last Conference recorded the resignation of the Rev. A. Rufus Morgan as Superintendent of Kanuga. At the summer meeting of the Board held at Kanuga July 20, 1943, Mr. Morgan's resignation was accepted as of December 31st, 1943, and a resolution was recorded of "its affectionate and grateful appreciation of the devoted services of Mr. Morgan as rendered to the Kanuga Conferences since their inception in the year 1928" and was adopted. Mr. M. D. Whisnant of Charlotte was elected to fill this position but later declined.

The following officers were elected to serve until July, 1944:

President, Rt. Rev. Robert E. Gribbin,

Vice-President, Rt. Rev. John J. Gravatt,

Secretary, Mr. Wm. G. Robertson,

Executive Committee: Rt. Rev. Albert S. Thomas and James P. Burke.

Four of the five North Carolina members of the Board were present, your Trustee being unavoidably absent.

A special meeting of the Board was called to meet in Columbia, S. C., December 2, 1943 since the Executive Board had been unable to find a suitable person for Superintendent. The attendance on that occasion was small and only Mrs. Peoples and your Trustee were present to represent this Diocese. As there seemed no possibility of securing a Superintendent for the 1944 season, it was determined to set up a tripartite management, dividing the duties of the Superintendent amongst three people, two of whom were already employed. Mr. Hunnicutt was selected to look after the physical properties and the farm; Mr. F. D. MacLean was chosen to serve as Treasurer and bookkeeper and have charge of all financial matters under orders of the Finance Committee. The third man to be selected will serve as personnel director and will have full charge of the guest period. Rev. John A. Pinckney later undertook this duty.

Bishop Gribben reported that he had made two trips to Kanuga, the first with Mr. MacLean and the second with Mr. MacLeod Patton, with the view of carrying out the resolution of the Executive Committee regarding the cutting of timber on Kanuga property. He said that Mr. Patton stated there was not more than 40,000 feet of timber available, the larger part of which was oak.

The regular winter meeting of the Board was held in Columbia February 1, 1944. Your Trustee was the only member of the Board present representing this Diocese. The Committee on Conferences and property reported that following the good Conference season of last summer the debt of the Kanuga property had been reduced from \$25,000 to \$17,000, which was good news

to the Board. That Committee also reported that an inventory of the property showed a total valuation of \$267,000.

Action also was taken to secure an Organ Committee with power to select and, if advisable, purchase an organ for the chapel, a special fund being available. Undesignated offerings are to be used in construction of class rooms underneath the Chapel. An electric bell is to be installed if a used one can be found.

Your Trustee visited Kanuga late last Fall after Conference activities had ceased. He was also there early in March, at which time most of the timber had been cut and the sawmill was just beginning operations.

REPORT OF ST. AUGUSTINE'S COLLEGE

May 10, 1944.

During the past year 163 college students have been enrolled. There was an increase of about 15 percent in the number of young women in the boarding department. This gain was more than offset by the fact that 60% of the young men previously enrolled had been called to the armed forces. Seventeen states and two foreign countries are represented in the present student body. About 50 percent of the enrollment is from North Carolina. The war situation has resulted in the loss of several members of the faculty but by replacement and readjustment the instructional work of the college has not suffered materially. With a view to meeting changing and probable post-war conditions new courses are being offered in Health and Physical Education, Music, Commerce and Home Management.

Through the generous aid of the American Church Institute for Negroes the equipment of our Science Department has been materially increased and improvement made in the various dormitories, especially in the men's quarters.

At least twenty-four graduates of the college are commissioned officers in the Army of the United States, with rankings from Second Lieutenant to Major. Included in the number are Medical Officers, Chaplains, Aviators and a WAC officer.

The products of the college are making excellent records in the field of medicine and applied science. The number one men in both the present senior and junior classes at one of the Medical Colleges are St. Augustine's graduates, also President of Kappa Pi, honor society, and winner last year of the prize in Experiential Pathology. One graduate is Research Assistant in Chemistry for the U. S. Government, another employed as a Research Laboratory Chemist with a large rubber company. Among the female graduates are a medical technician at the John A. Andrew

Memorial Hospital, Tuskegee Institute, Tuskegee, Alabama and technicians with the U. S. Signal Corps.

An analysis of the activities of the 1943 graduates shows that they are in the Armed Forces, in U. S. Civil Service both technical and clerical, in War Production Industry, in Social Work, in Commerce, in Divinity School, and in High School Teaching positions in the States of North Carolina, South Carolina, Florida, Maryland and New York.

The Church Work at the college has continued with increased vitality. The Woman's Auxiliary, Girls Service League, Altar Guild, Laymen's League and Brotherhood of St. Andrews have been active during the year. The Lenten Offering for Missions presented on Easter Day amounted to about \$350.00, one of the largest Lenten offerings ever made here. All of the students participated and contributed more liberally than ever before in the history of the offering. An Advisory Council of faculty and students has been formed to assist in matters pertaining to the College Chapel and the Church Services. Under its auspices a questionnaire was circulated among the members of the congregation. A large number of answers were received, many of which have been found helpful in meeting the needs of the chapel worshippers. As usual St. Augustine's has been host to a number of conferences. In addition to the Annual Conference for Church Workers there have been held on the campus a conference of Negro Girl Scout Leaders coming from various parts of the country, the North Carolina State Conference for Negro Welfare Workers, a Conference of Farm Demonstration agents and of Farm Extension Workers; a conference of Home Demonstration Agents; a meeting of Librarians from the State, the Fall meeting of the Negro Branch of the Woman's Auxiliary and the Annual Meeting of the Crown and and Sceptre Honorary Scholarship Society, a statewide organization of Negro High School Students which was founded under the auspices of St. Augustine's and is now being fostered by the College.

The general consensus of campus opinion is that the student morale for the past year has been good and that the students are actively participating in all efforts to develop and improve the College. We hope that this spirit will continue.

One ideal of St. Augustine's is to promote racial good will both on the campus and elsewhere in our nation. Where injustices or misunderstandings exist remedies should be sought through sympathetic conference and the speaking of the truth is love. We ask for aid in furthering this objective.

Respectfully submitted,

EDGAR H. GOOLD, *President*

REPORT OF THE WOMAN'S AUXILIARY

First, may I express the appreciation of the Woman's Auxiliary to this Convention for the privilege of representation on the Diocesan Executive Council? We feel that our three members who have served in the departments of Mission, Promotion, Christian Education and Christian Social Relations have received a clearer insight into the business of the Diocese and have been enabled to be in a more real sense *Auxiliary* to its program.

Last October five of our members attend the Triennial Meeting of the Woman's Auxiliary held in Cleveland, Ohio, at the same time of the General Convention. A resolution on Proportionate Giving was presented by the North Carolina delegation, which was incorporated in the report of the Triennial.

At each District Meeting last fall there was a speaker sent to us by the National Council, as well as one from our own diocese, to present the Church's Program.

On April 18th, 19th, 1944, we held our Annual Meeting at St. Paul's Church, Winston-Salem. It was a fine, enthusiastic meeting with excellent attendance. One new officer was elected—Mrs. Peter Hairston of Mocksville, United Thank Offering Custodian to succeed Mr. R. H. Lewis of Oxford. The key-note of the convention was struck by Dr. D. A. McGregor, Executive Secretary of the National Council's Division of Christian Education, in his address on God's Gift and Our Task. Reports of officers showed the Auxiliary to be deeply conscious of both. The United Thank Offering was more than a thousand dollars larger than any previous Spring offering. The Auxiliary voted to increase its budget by \$600.00 having met all obligations for 1943 and closing the year with a considerable balance—thus we look forward to a New Year "encouraged but not content."

Respectfully submitted,

LEAH G. PEOPLES

REPORT OF THE BOARD OF EXAMINING CHAPLAINS

Due to special conditions, the Board of Examining Chaplains has met three times since the last Convention. On July 28, 1943, the Board met at Christ Church Parish House, Raleigh. Carl Franklin Herman, candidate, was examined under Canon 5, IV, i. He passed a very satisfactory examination.

On September 15, 1943, the Chaplains again met in the Parish House at the Chapel of the Cross, Chapel Hill. Robert Eugene Cox, candidate, was examined under Canon 4, I. James Daniel Gilliam, Robert H. Price, Robert W. Turner, Deacons, and Robert M. McNair, candidate, were examined on the parts of Canon 4, I, in which they had not been previously examined.

On January 17, 1944, Robert Williamson Turner, Deacon, was given re-examination in Greek at the Parish House of the Chapel of the Cross. He passed satisfactorily.

On February 5, 1944, James Robertson Fortune was examined under Canon 31, section 3. The examination was held at the Chapel of the Cross, Chapel Hill. He passed satisfactorily.

ALFRED S. LAWRENCE

REPORT OF THE HISTORIOGRAPHER

In consequence of the resolution passed at the last convention requesting the congregations of this Diocese to send me prepared lists of the men and women from their parishes who are in the armed and uniformed services, I have to date received such lists from forty-six parishes and missions. It is to be hoped that the remaining churches will send in their lists in the near future.

During the course of the year I have answered many letters requesting information on the history of the church in this state.

I have made little progress in the past year on my proposed history of the church in North Carolina; consequently I have not drawn upon the diocesan treasurer for any expense funds.

Respectfully submitted,

LAWRENCE F. LONDON

REPORT OF THE COLLEGE WORK AT CHAPEL HILL

This year the University of North Carolina has had the largest enrollment in its history. During the winter there were a thousand more men and women here than there has ever been in peace time. Naturally this means more work for the Church. Most of these students are in uniform. The Navy Pre-Flight School numbers about 1875 men. The Navy V-12 program has about 1300 enrolled. Almost all of the medical students are in uniform. The two Army Schools in the University have been discontinued, but many of the men were active in the Church while they were here. The civilians in the University are freshmen under 18, 4Fs, about 700 girls, and an increasing number of men discharged from the services.

It is difficult to discover just how many of these folks are Episcopalians. A conservative estimate is that at any one time between 450 and 500 of them are members of our Church. Since the turnover is rapid in the Pre-Flight School and fairly rapid in the V-12 program, possibly 700 Episcopalians are on the campus in the course of a year.

Attendance at the Church services has been good, though sometimes erratic and disappointing. The Canterbury Club for students has done well. The Pre-Flight cadets are allowed to make their communions only once a month. On that Sunday we move the 11:00 'clock service up to 10:30 and omit the sermon. This arrangement is necessary so they can return to their base in time for the next required formation.

With the consent of their bishops boys in the V-12 program can enrolled as pre-chaplain students. The Navy then gives them a college education and sends them on through the Seminary. We have helped two men sign up for this training. We have discouraged others.

Mr. Lawrence has announced he will retire from the active ministry of the Church on September 1st. He plans to continue to live in Chapel Hill.

In the other colleges in this area the Church continues its ministry. The Rev. H. N. Parsley is the full time worker at Duke where the situation is similar to ours. Miss Margaret Fletcher continues her fine work at St. Mary's House on the edge of the campus of the Woman's College in Greensboro. About fifteen colleges were represented at the annual North Carolina Episcopal College Students Conference held at St. Mary's House last February.

REPORT OF THE MISSION TO THE DEAF

Your Missionary to the Deaf of the Diocese wishes to submit the following report of his activities during the year 1943:

There have been 91 services for the Deaf with an attendance of 1,817 persons; he has assisted by interpreting, 13 Celebrations of the Holy Communion, 14 Baptisms, 2 Solemnizations of Matrimony, 2 Funerals, and presented 13 Candidates for Confirmation.

In behalf of the Deaf of the Diocese continued thanks are given to the Diocese for its continued interest and support of this work.

Respectfully submitted,

ANNUAL REPORT OF VADE MECUM CAMPS AND CONFERENCES

The Schedule: The 1943 season opened on June 11 and continued without interruption until September 9. The program included in chronological order the following camps and conferences; Young People's Service League Convention, Camp Cheshire for Senior Boy's, Camp Penick for Senior Girls, Camp Cheshire for Junior Boys, The Woman's Auxiliary Conference, the Layman's League Convention, Camp Penick for Junior Girls, the Youth Conference, Camp Tise, the Boy's Scholarship Camp, and the Clergy Retreat-Conference.

Attendance: In spite of the fact that there were no extra conferences on the schedule as in 1942, the total attendance for the season was approximately one thousand, and six of the camps and conferences were filled to capacity. For one camp we had

a waiting list of fifty names who had to be rejected. The boys and girls and adults who attended came largely from the Diocese of North Carolina, but there were quite a number of registrations from Virginia, Tennessee, and South Carolina.

Leadership: The camps were directed by outstanding leaders of young people in the Episcopal Church and a carefully planned program with special emphasis on Christian Living in War Times was carried out for each age group. A thorough training in Christian Education, Recreation, Fellowship, Study and Worship was also emphasized. A variety of Vocational Training opportunities was presented by such courses as Red Cross Life Saving, First Aid Outdoor Crafts, including Nature Study and Camping and Hand Work for Junior Red Cross. There were many leaders of national reputation present at the adult and youth conferences.

War Time Difficulties: In spite of the fact that many of our young men who have served as leaders at Vade Mecum are in the armed forces and that labor and supplies have been difficult to secure, the camps and conferences were able to operate a very successful program in 1943. For two of the camps the clergy served as counselors. Places on the permanent staff formerly filled by boys were filled this year by girls. The problem of transportation was overcome by the chartering of buses which operated at the beginning and end of each camp between Winston-Salem and Vade Mecum. The enlargement and improvement of farm projects made it possible to serve dairy, poultry and garden products that could not have been purchased on the market. The same difficulties face us for 1944, but the Vade Mecum Committee believes that we will be able to operate the full program satisfactorily.

MRS. I. HARDING HUGHES,
Business Manager and Treasurer

Your Committee on Church Pension Fund beg to report as follows:

1944 Current Payments:

The 1944 current payments are getting along satisfactorily. Only three congregations, up to April 1, 1944, had paid nothing on their 1944 pension assessments.

1943 Assessments:

The payments during the year 1943 were the most satisfactory ever made, and the Treasurer, following the order of the Executive Council, only had to make two deductions from the stipends of the missionaries.

Arrearages Prior to December 31, 1942:

The arrearages from the inception of the Pension Fund March 1, 1917 to December 31, 1942 are owed by three congregations on two clergymen, the earliest being 1935.

REPORT OF THE ARMY AND NAVY COMMISSION

We your Army and Navy Commission report as follows for the year now ending:

There are within the borders of our Diocese the following military camps, Butner near Durham, Oxford and Warrenton; Mackall near Rockingham and Southern Pines; Sutton at Monroe; and Morris Field near Charlotte. There is also an Overseas Replacement Depot at Greensboro. The ministers of our Church have cooperated with the Post Chaplains of the Camps, and have done all they could to carry the Church to the men, or bring the men to the Church. All of our Churches have had open house for the men of the Camps near by. This is notably true of St. Peter's, Charlotte, and St. Philips, Durham, Emmanuel, Southern Pines. Many of the towns not close to a Camp have had the regular week end visits of hundreds of soldiers from Ft. Bragg. Raleigh in particular has been frequented by these week end visitors, and our Churches there have encouraged the men with a warm welcome at the services of the Church, and with hospitality in the homes of the Church people.

At Camp Butner we have had now for the second year the very faithful services of Rev. Rufus J. Womble, as Civilian Chaplain. He reports favorably of the response of the Churchmen to the special services of the Holy Communion held each Sunday morning. He has also made a point to visit all Churchmen of the Camp in the hospital. He expects soon to become a Chaplain in the Navy, and recommends that our Church continue the work he is now doing.

Rev. Robert W. Turner, of Rockingham, and Hamlet, holds special services at Maxton each Sunday and visits once each week.

Rev. Craighill Brown of Southern Pines holds services at Camp Mackall twice each month, and makes weekly visits to the hospital. The Parish House at Southern Pines is used as a dormitory for week end visits of soldiers. From fifty to sixty use this service each week end.

The Army and Navy Commission of the Church at large has given generous support to the work of the Churches near the Camps for their entertainment program. St. Philips in Durham has received \$100 per month for its weekly Saturday night dances, and Sunday night open house entertainments. The Commission has also given us the Army and Navy Prayer Books and Hymnals for our men, and Church Crosses. We urge the generous support of the work of the Commission by all of our Churches.

We commend the U.S.O. for its valuable work in the towns

adjoining the Camps. We urge a hearty support of their work. Also of the Red Cross.

Your Diocesan commission urges on all ministers of the Diocese, the importance of keeping in touch with the members of their Churches in Service. It does the men good to know that their minister has not forgotten them. The Forward Day by Day and other religious tracts are generally welcomed. We urge the sending of all names of men and women going into service to the Post Chaplain, or to the Episcopal minister in the nearest town.

Your Commission realizes that as time goes on the Camps will eventually be emptied of the men in training, and the complexion of the work will change. Some of the Camps may be closed. Some may become rest camps. Some are already becoming prison camps. However, there will be the opportunity for work by the ministers in the towns near by, and by their Church organization, for some time to come. In every case we urge a whole hearted cooperation with the Post Chaplain who is in charge of the religious work in the camps.

REPORT OF ST. AGNES HOSPITAL

Board of Trustees. There has been no change in the personnel of the Board.

Accounts. The audited accounts of the year are submitted with this report. It will be seen that there appears to be a credit balance of \$6,211.71. However, as we were holding \$6,000 for Cadet outdoor uniforms and received just before the end of the year \$6,150.00 in donations for the renovation of the hospital to be expended in 1944; and on the other hand, we had advanced \$2,295 on cadet stipends; taking these in consideration, there was a deficit of \$3,643.29 on the operating accounts.

Renovation. During 1943, \$9,746.94 was spent on renovations and new equipment. This included 60 new beds and mattresses, altering the lobby and offices, including a tile floor, 2 Kelve-nators, 2 food conveyors and other equipment, painting and repair of the interior of the hospital. As seen in the paragraph above, we had received \$6,150 to continue the renovations in 1944 and since January 1st have received a further \$2,150 and a promise of \$3,000, making a total of \$11,300 for renovations in 1944. With this we are tiling all floors in the hospital, equipping all windows with venetian blinds and much new equipment will be bought.

Cadet Corps. On the first of September the student nurses were taken into the United States Nurses Cadet Corps. Under this all student nurses are paid a stipend. The National Government made us an appropriation of \$330,620 to cover tuition fees, uniforms, maintenance for first 9 months of training, stipends and \$100 for each student for outdoor uniforms (which would not be necessary as civilians).

The government also requested that the training school be increased to 70 pupils. As our facilities were not sufficient to take care of this, they have approved the building of an annex to the nurses home and the building and equipping of a new kitchen to enable us to do so. They have appropriated \$95,400 to cover this and we expect the work to begin in June.

Clinical. During the year, 1,710 patients were admitted and 339 babies were born in the hospital; having a total of 25,426 hospital days. Of these, 12,936 days, or 50.9 percent were charity. As our fees do not cover the cost, the charity work was even greater than this.

Prospects. With the completion of the renovation this year and of the new building, we will have a plant of which we may all be proud. However, it is going to be necessary for us to back it financially if we wish to keep the fees low. Some new source of income for the operating account will have to be found. May we call attention to the fact that during 1943, we received only \$80.00 as donations from individuals for the operating account. It is here, that to a large extent, we will have to look for an increased income.

Respectfully submitted,

A. W. TUCKER, M.D., *Administrator*

REPORT OF GOOD SAMARITAN HOSPITAL FOR 1943

Dedicated to the service of God and to the care of the sick and suffering, the Good Samaritan Hospital has stood for nearly sixty years as an outward and visible sign of goodwill and friendship between the races.

Endeavoring always to improve its service, the hospital added new equipment to the x-ray, pathological laboratory and surgical departments in 1943.

The hospital made its contribution to victory and the health of the community by co-operating with the State and Federal Maternal and Child Care program and by furnishing hospital care for all Negro maternity cases of the City-County Welfare Department. Seven hundred and forty-seven babies were born at the Good Samaritan Hospital in 1943.

We wish to thank the many friends of the hospital for their continued interest and gifts, especially would we like to thank St. Peter's Church, St. Martin's Church, St. Peter's Hospital Foundation and the Duke Endowment, without whose help we could not have carried on.

Our statistical report is as follows:

3,584 patients for 28,345 patient days
 1,529 full pay patients for 12,128 patient days
 622 part pay patients for 5,683 patient days
 1,433 free patients for 10,534 patient days

REPORT OF THE MURDOCH MEMORIAL SOCIETY

The Murdoch Memorial Society has very little to report. During the year, we have approved several loans to assist young men in their preparation for the ministry, and they are now in the seminary pursuing their studies.

We have not held a meeting during the year, chiefly because our members are widely scattered, and the war makes travel difficult. Due to the fact that the draft is taking nearly all of the young men into the armed service of the country, very few—indeed almost none—are offering themselves for the Ministry. We are therefore accumulating our surplus funds in the hope and belief that when the war is ended, many will find themselves called to prepare for the ministry, and we shall then be in position to extend aid to many worthy persons who might otherwise be unable to make the necessary preparation.

Journal of Proceedings

FIRST DAY

Burlington, N. C., May 8, 1945

The 129th Annual Convention of the Diocese of North Carolina met in the Church of the Holy Comforter, Burlington, at 8 P. M., Tuesday, May the eighth. It being V-E Day, the Convention was opened with a special service of Thanksgiving. An offering was taken for the relief of the Churches in Europe through the American Committee of the World Council of Churches.

Following this service, the Bishop called the Convention to order. The Secretary certified that a constitutional quorum was present, and the Bishop then declared the Convention duly organized. On nomination, the Rev. Alfred S. Lawrence was re-elected Secretary. He appointed the Rev. R. Emmet Gribbin, Jr., as his assistant. The schedule of hours on the printed program was adopted. The Bishop called the Rev. J. M. Dick to the chair and read his Annual Address. (Appendix A)

The Bishop resumed the chair. On motion by the Rev. D. W. Yates a committee was appointed to consider the address and to bring in recommendations concerning it. The Bishop appointed the Rev. A. P. Chambliss, the Rev. C. E. B. Robinson, and Mr. Landon Hill.

The report of the Standing Committee was presented by Mr. Joseph B. Cheshire (p. 98). The Appended resolution concerning the status of small parishes was discussed at length. It was finally passed with the omission of St. Clement's, Ringwood, and the whole report was then adopted.

The Rev. David W. Yates presented the report of the Executive Council, and the proposed budget was presented by Mr. William H. Ruffin. The budget for the Church's Program was adopted with one small change. On the motion of Mr. Stephen Burroughs fifty dollars was omitted from the expense of the Finance Committee. With this change, the budget for the Church's Program

was adopted, a total of \$69,408.60. The budget for the Episcopal Maintenance Fund was amended by transferring the sum of one hundred and fifty dollars from the amount allotted to the Historiographer, this amount to be applied toward printing the Constitution and Canons.

The Bishop then presented to the Convention the new Clergy, the Rev. W. S. Lea, the Rev. Quintin E. Primo, Jr., the Rev. R. Lansing Hicks, the Rev. Thomas J. C. Smyth, and the Rev. Edward M. Spruill.

Nominations were then made as in the Rules of Order. The Convention then took a recess.

SECOND DAY

On Wednesday morning at 7:30 o'clock the Holy Communion was celebrated at the Church of the Holy Comforter with the Bishop as celebrant, assisted by the Rev. Lewis F. Schenck. The offering was taken for the New York Bible and Common Prayer Book Society.

The Bishop appointed Mr. Kemp D. Battle, Mr. Ernest L. Hardin, Mr. John H. Zollicoffer as a committee to consider the report of the Trustees.

The Rev. Ernest J. Arnold, Secretary of the North Carolina Council of Churches was recognized by the Chair, and he spoke briefly to the Convention.

The Committee on the Bishop's Address reported as follows:

The Committee on the Bishop's Address would express the appreciation of the members of the Convention for timeliness and appropriateness of the Address, which displayed fatherly insight of the burdens of our hearts and which gives inspiration to good courage.

The Bishop commends to our attention two projects of the Church: One, a National project of Reconstruction and Advance. The other, the Chapel of Thanks at Vade Mecum, a project of the laymen of the Diocese. The Committee joins the Bishop in heartily endorsing these two projects and recommends to the Convention the adoption of the following resolutions:

1. Resolved that the following portions of the Bishop's Address be mimeographed and mailed to the clergy and wardens of the congregations of the Diocese:

The Introduction.

The portion dealing with the Reconstruction and Advance Program.

The portion dealing with the Chapel of Thanks at Vade Mecum.

2. Whereas the program of Reconstruction and Advance Work, by action of General Convention is the program of this and every diocese, therefore be it resolved that this Convention urge the fullest and most enthusiastic cooperation of each parish and mission of the Diocese of North Carolina.
3. Resolved that the Vade Mecum Committee, in cooperation with the Episcopal Laymen's Association of the Diocese, take such steps as will insure the completion THIS YEAR of the Chapel of Thanks at Vade Mecum.

Respectfully submitted,
ALFRED P. CHAMBLISS, JR.

The three resolutions were adopted.

The Rev. Edgar Neff spoke in support of the Reconstruction and Advance Fund, on the invitation of the Bishop.

The Committee on Canons made the following report:

Your Committee on Canons respectfully reports that in order to complete changes in the Constitution initiated at the Convention of 1944, we offer the following resolutions:

1. That Article III of the Constitution be amended by the adoption of a new Section 5 as follows: "When an organized Mission desires to be admitted into union with the Convention, it shall follow the same procedure, so far as applicable, as that prescribed for the admission of a Parish."

2. That Article III, Section 5 of the Constitution be amended by changing the word "ten" in line two to "twenty", and that Sections 5 and 6 be numbered 6 and 7.

3. That Article IX, Section 1 of the Constitution be amended by changing the word "ten" in line one to "forty".

4. That Article IX, Section 2 of the Constitution be amended by striking out in line four, after the word "Diocese" the words "To establish within the limits of said Parish independent missionary congregations" and substitute in lieu thereof the words "to organize a mission within the limits of said Parish."

5. Resolved: That the title to Canon XIV be changed to read Permanent Episcopal, Missionary, and Unappropriated Funds, and that Canon XV be made "Section 2" and Canon XVI be made "Section 3" of Canon XIV.

Resolutions 1, 2, 3, and 4 were adopted by a unanimous vote of the Convention for the second successive time and now become law. Resolution 5 was adopted.

The Rev. Ray Holder presented the report on the State of the Church. The resolutions as regards missions were referred to the Executive Council. The report was adopted.

On motion of the Rev. Edmund Berkeley, the following resolution was adopted: Resolved: That it is the sense of this Convention that the vestries and laymen of the Diocese be notified as soon as possible that they must recognize that the work of Clergy connected with the Diocese at Church camps and conferences is not to be construed as time allowed for vacation.

The report of the work among the Deaf was made by the Rev. James R. Fortune. As the Bishop read the report it was signed by Mr. Fortune.

The Bishop appointed the following Canonical Committees:

1. *On Canons*: The Rev. Robert B. Owens, the Rev. A. S. Lawrence, the Rev. M. George Henry, Mr. Kemp D. Battle, and Mr. Francis O. Clarkson.

2. *On the State of the Church*: The Rev. Alfred P. Chambliss, the Rev. Daniel W. Allen, the Rev. John W. Herritage, Mr. Charles M. Shaffer, Mr. William Wells, and Mr. H. I. Johnson.

3. *On New Parishes*: The Rev. Robert W. Turner, Jr., the Rev. Robert M. McNair, Mr. J. Dolph Long, Mr. H. T. Cosby, and Mr. M. K. Pinnix.

The Bishop appointed as Examining Chaplains the Rev. R. Bruce Owens, the Rev. Alfred S. Lawrence, the Rev. F. Craighill Brown, the Rev. Edgar H. Goold, the Rev. I. Harding Hughes, the Rev. M. George Henry and the Rev. David W. Yates.

To serve on the Murdoch Memorial Society the Bishop nominated the Rev. W. Moultrie Moore, the Rev. R. Emmet Gribbin, Jr., Mr. F. Ogburn Yates. The Convention approved.

On motion the secretary was instructed to send the following resolution to the Rev. A. Stratton Lawrence, Jr.:

Resolved: The Diocese of North Carolina assembled in its 129th Convention wishes to express to you its hearty and sincere appreciation of your contribution to the Church through your labors for the Vade Mecum Camps and Conferences. The Diocese assures you of her prayers and interest in your work with the Armed Forces of our country.

Telegrams were also sent to the Rt. Rev. Thomas C. Darst, D.D., who has just retired from the active ministry, and to the Rt. Rev. Bravid W. Harris, recently consecrated for the work in Liberia.

Mr. Kemp D. Battle made the following report:

The Committee to whom were referred the Report of the Trustees of the Diocese and accompanying audits have examined the report and have given to the audits such cursory attention as available time permitted. We find that the acts of the Trustees as recounted in the Details of Action attached to the report were well considered and proper, and we recommend that the report be received by the Convention and accepted with its thanks.

We wish especially to express our gratification at the successful and satisfactory completion of the settlement of the Kittrell

Trust Fund, so long a source of perplexity and concern to the Convention.

We note in the audit statement that no collections have been made for two years on the insurance assessments in the Mission Insurance Fund. This plan of seeing that insurance protection is carried on mission properties seemed wise and progressive when it was adopted, but obviously it is not working out in practice as shown by items due the Diocese exceeding \$2,300.00. If the Episcopal Maintenance Fund is going to have to carry the mission property, its budget must be prepared on that basis. We recommend that the Convention instruct the Trustees to make to the 1946 Convention a special report on this subject with such recommendation as they deem wise.

With the acceptance of this report, the report of the Trustees was approved and adopted.

A letter concerning conscientious objectors was read by the Rev. W. G. Clark, D.D. The matter was referred to the Executive Council to act as they saw fit.

Invitations to the next Convention to meet at the Church of the Good Shepherd, Raleigh, and also at St. Luke's, Salisbury, were extended. The Convention, with thanks to both parishes, accepted the invitation to Raleigh.

At the request of the Rev. J. Q. Beckwith, the committee on Marriage was continued.

An incomplete report of the Lenten offering was made by the Rev. Edmund Berkeley.

The Rev. W. J. Gordon spoke on the American Bible Society.

A number of brief reports were made while the tellers were occupied in counting the votes.

The Rev. R. Bruce Owens reported for the Committee on Canons.

In the matter of the Canon suggested by Mr. J. B. Cheshire as regards electing vestries, your Committee on Canons reports that they consider such a Canon unnecessary and therefore ask it to be discharged from further consideration.

The Convention approved the report.

Certain suggested changes in the Canons were carried over to 1946.

The following resolution was adopted by standing vote:

Be it resolved that the members of this Convention on behalf of ourselves as delegates and on behalf of the whole Diocese express appreciation and gratitude to the Rector, Clergy, Vestry, and members of the Parish of the Holy Comforter for the splendid way in which this Convention has been entertained. Due to their hospitable efforts our work for the Diocese and Church has been made extremely pleasant and therefore probably more profitable.

A verbal report of great interest was that of Mr. L. H. Roberts, telling of the work that has been done in securing a camp site for the Negro camps and conferences.

The Elections resulted as follows:

Treasurer of the Diocese: Security National Bank, Raleigh.

Standing Committee: The Rev. J. M. Dick, the Rev. I. H. Hughes, the Rev. D. W. Yates, the Rev. M. G. Henry, Col. Gordon Smith, Mr. J. B. Cheshire, and Mr. Richard H. Lewis.

Trustees of the Diocese: Mr. J. B. Cheshire and Mr. Paul F. Smith.

Executive Council: The Rev. Fred Drane, the Rev. Henry Johnston, the Rev. R. Emmet Gribbin, Jr. (for one year), Mr. George Irvin, Mr. Kemp D. Battle.

Delegates to Provincial Synod: The Rev. David W. Yates, the Rev. James R. Fortune, the Rev. C. E. B. Robinson, the Rev. James S. Cox, the Rev. Lewis F. Schenck, the Rev. R. Emmet Gribbin, Jr., Mr. U. T. Holmes, Mr. Cleveland Thayer, Mr. Thomas Rice, Mr. A. B. Andrews, Mr. Lawrence F. London, Mr. J. H. Zollicoffer.

Trustee of Kanuga: Mr. W. L. Mauney.

Trustees of St. Mary's School: The Rev. J. M. Dick, Mr. J. B. Cheshire, Mr. William H. Ruffin, and Mr. J. C. B. Ehringhaus.

After the singing of the Gloria in Excelsis and the Benediction by the Bishop, the Convention adjourned *sine die*.

EDWIN A. PENICK,

Bishop of the Diocese of North Carolina.

Attest:

REV. ALFRED S. LAWRENCE,

Secretary of the Diocese of North Carolina.

APPENDIX A

ADDRESS AND JOURNAL OF THE BISHOP

Address of the Bishop

Brethren of the Clergy and Laity:

As we assemble tonight for the 129th Annual Convention of this Diocese, we are profoundly conscious of the fact that this is one of the most momentous days in human history. It is impossible for us to comprehend the significance of this hour. This is the moment for which we have longed and prayed for many fearful years. And now that, in God's mercy, it has come, we feel impelled to offer, as our most sincere observance, a humble prayer of thanks. With gratitude from the depths of our hearts that the guns are silenced in Europe, and the hateful swords are sheathed, we bow the knee and say: "Thine, O Lord, is the greatness, and the power, and the glory, and the victory and the majesty." Somehow it is difficult to exult noisily over this magnificent success that has crowned the Allied arms. We take immeasurable pride in their heroic achievement and their intrepid spirit, and we rise to our feet to honor the sacrifices they have made. But our rejoicing is tempered by the realization that our deliverance from the Nazi tyranny that threatened our freedom has been dearly purchased with an offering of youthful lives. While we are glad, tonight, we remember the homes where silent families mourn their dead. We are, however, chiefly sobered when we think that our warfare is not yet accomplished, that we cannot yet turn away from the detestable business of war to the creative pursuits of peace. The years that lie ahead may be more of a crucible to test our character than the era that closes today. Victory brings with it a host of temptations more sinister than those which accompany the discipline of war. The Church must be alert to these new dangers that come with success of arms and the relaxation of the responsibility that holds men fast to their duty. We must remember to be humble, giving God the praise. We must remember to be just, not vindictive, following Him "to whom vengeance belongeth." As we continue

this global war, to which as a nation and people we have set our hands, let us draw close and keep close to God, lest His eternal truths revealed to us by Christ grow dim and unreal, and fade from our hearts. "And now abideth faith, hope, charity." "These three" are the essentials that must remain, lest we win the war and lose the things that pertain unto our peace.

We are met under the hospitable auspices of a parish where, within the past eighteen years, we have been guests three times. We are conscious of our surroundings and are affected by them: the impressive architectural beauty of this church building, the completeness of the parish house and its modern facilities, the missionary vision and energy of this congregation that is evidenced by the three active missions in this neighborhood and county; the history of the parish, now in its seventy-fourth year of consistent development, and above all, the memory of personalities whose lives are the substance of which honorable tradition is made, and whose good works are being perpetuated by their children's children unto this day.

When the history of this Diocese is written, the year 1944 will probably be described as a time of consistent, but not conspicuous growth. It was a year of general anxiety, for hardly a home is unaffected by the strains and distresses of war. Despite these unprecedented tensions, with their inevitable distractions, the Church has carried on with steadfastness and quiet devotion. This unpretentious loyalty has been especially apparent in the Church's missionary program, which is the surest test of Christian sincerity. The financial support of our missionary endeavor, both within and without the Diocese, reached the highest point in twelve years. The work among the Deaf was stimulated and encouraged by the ordination of the Reverend James R. Fortune, who is devoting himself to these faithful congregations with ability and earnestness. Our Negro churches, despite several vacancies and other disadvantages, have shown, in almost every instance, a new sense of obligation for increased local support, and a commendable zeal

in extending the influence of the Church. The unusual number of Lay Readers, 47 altogether, is evidence of the layman's interest in the Church, and of his desire to serve it according to his talents and opportunities. I cannot undertake to describe here the many phases of the Church's program, but I have mentioned these few items as evidence of a good year's work faithfully done, with emphasis on the simple truths of the Gospel like faith in the goodness of God, reliance upon his sufficient strength, obedience to His will, whereby we become aware of our duty and responsibility towards our neighbors.

Surveying last year as a whole, we do not observe any extraordinary progress. At the same time, we trust that we are correct in observing that there has been little, if any, retrogression. In short, our beloved Church has held a steady course in a storm.

NECROLOGY

Although no deaths occurred in the ranks of our clergy in 1944, it is fitting that we should remember here the Reverend John Forry Hamaker, retired Priest of this Diocese, who "fell asleep" March 15th of this year. He was born in Allentown, Pa., in 1883. He graduated from the University of Pennsylvania in 1907 and from the Philadelphia Divinity School three years later. His early ministry extended from New York City to California and Oregon and overseas with the Y.M.C.A. during World War I. He came to North Carolina from Greensboro, Alabama, in 1921. The next sixteen years he spent in this Diocese as Rector of Calvary Parish, Wadesboro, Trinity Church, Mount Airy, and St. Paul's, Smithfield. On July 1, 1942, he retired reluctantly from the active ministry because of disability. His death this spring, after three years of declining health, was not unexpected. He will be remembered as a quiet, unobtrusive man, diffident to the point of timidity, who loved people and yet rather shrank from contact with them, a sensitive scholarly spirit with penetrating insights

and a prophet's fearlessness in proclaiming them. A modest, humble man of God, whose joy it was to serve in secret and in the quiet walks of life: may He who sees in secret reward him in heavenly places.

SUMMARY

The Summary of my official acts is as follows:

1. Within the Diocese, I have made 117 visitations; celebrated the Holy Communion 39 times; confirmed 642 persons, of whom 64 were Negroes and 10 were Deaf; baptized 7 infants, officiated at 5 weddings, 3 funerals and 28 other services. I ordained 2 Candidates to the Diaconate and advanced 4 Deacons to the Priesthood. I licensed 47 Lay Readers, preached 92 times and delivered 53 lectures and addresses, attended 79 Committee, Board and Trustee meetings, and conferred on 240 occasions with groups or individuals: I consecrated two buildings: Emmanuel Church, Southern Pines, and All Saints' Chapel, Calvary Parish, Tarboro. In December I took part in the Centennial Celebration of St. Peter's Parish, Charlotte.

2. Outside the Diocese, I preached 3 times and read a paper at the College of Preachers in Washington.

CLERICAL CHANGES

The following clergymen were added:

By Ordination:

February 22, Rev. James Robertson Fortune, Deacon.

November 12, Rev. Thomas James Campbell Smyth, Deacon.

By Transfer:

August 1, Rev. Quintin Ebenezer Primo, Jr., Priest, from the Diocese of Western North Carolina.

October 1, Rev. William Sentelle Lea, Priest, from the Diocese of Upper South Carolina.

The following clergymen were lost:

March 11, Rev. John Armstrong Wright, by resignation, to accept a Commission as Chaplain in the U. S. Navy.

August 31, Rev. Alfred Stratton Lawrence retired from the active ministry after 32 years of devoted service in this Diocese.

December 19, Rev. Gerhard Charles Stutzer was transferred to the Diocese of Oklahoma.

FIELDS OF LABOR

The clergy are serving in the same fields with the following exceptions:

January 9, Rev. Ray Holder became Priest in charge of Holy Trinity Church, Townesville, succeeding the Rev. Henry Johnston, Jr.

February 2, Rev. Edwin B. Jeffress became Rector of All Saints', Concord, and Priest in Charge of St. Mark's Mission, Mecklenburg County. The Rev. Alfred S. Lawrence, Jr., takes charge of Trinity Church, Mount Airy.

February 15, Rev. Robert W. Turner, Jr., became Rector of the Church of the Messiah, Rockingham, and Priest in Charge of All Saints' Mission, Hamlet, and St. David's Mission, Laurinburg, being the three churches he had been serving as Deacon.

February 17, Rev. Carl F. Herman became Rector of St. Stephen's Parish, Erwin, and Priest in Charge of St. Paul's, Smithfield, and St. Gabriel's, Selma, being the three churches that he had been serving as Deacon.

February 22, Rev. James R. Fortune became Deacon in Charge of Ephphatha Church, Durham, and of the other Deaf congregations in the Diocese.

March 11, Rev. John A. Wright resigned the Rectorship of Christ Church, Raleigh, to accept a commission as Chaplain in the U. S. Navy.

March 28, Rev. Robert M. McNair became Rector of Calvary Parish, Tarboro, and Priest in Charge of the Missions he had formerly served as Deacon.

June 20, Rev. Robert E. Cox became Rector of Grace Church, Weldon, The Saviour, Jackson, and St. Mark's, Halifax.

August 1, Rev. Quintin E. Primo, Jr., assumed charge

of St. Stephen's Church, Winston-Salem, formerly served by the Rev. John J. Greene.

August 31, Rev. Alfred S. Lawrence's resignation as Rector of the Chapel of the Cross, Chapel Hill, became effective today.

October 1, Rev. William S. Lea began today his rectorship of Christ Church, Raleigh.

November 12, Rev. Thos. J. C. Smyth today became Deacon in Charge of St. Thomas' Church, Reidsville, and Epiphany Church, Leaksville.

Since January 1, 1945, a number of other changes have taken place, to which detailed reference will be made in a subsequent report. The present vacancies in the Diocese are a matter of deep concern. They involve four parishes and thirteen missions. Too much praise cannot be given to the clergy residing in the neighborhood of these vacant Churches, who are maintaining services in most of them, as far as their own duties permit, and at personal sacrifice.

VADE MECUM CHAPEL

On September 3, 1939, the day that World War II began, the cornerstone of the Chapel of Thanks was laid at Vade Mecum. Since that fateful day, no further construction has been done. Almost six years have intervened since that promising start was made. They have been years of deep anxiety. For some, that anxiety has been turned to relief and joy; for others, it has deepened into grief. Yet even sorrow is brave enough to be grateful for the sacrifice and heroism of our own men. All of us are ready to acknowledge a debt of gratitude to God for those who have served us and our country, most of whom He has spared, and some of whom He has promoted to be with Him. At the beginning of the war, when this Chapel was begun, we were not responsive to this need. Our hearts were heavy and not thankful. But as the years have passed, and God's mercies have unfolded, the necessity of this project has grown clearer, and the need for it more urgent. We are not yet exempt from the anxious thoughts for the morrow. We know that the end of hostilities is still afar off, and that the war will overshadow us for an indefinite period. In spite of this unhappy prospect, with its paralyzing effect on action of any sort, we feel that God's mercy to us, and to our nation, should move us to show our thankfulness. I do not know of any more appropriate form in which our gratitude might find expression than in the completion of the Chapel at Vade Mecum. While this project

originated with the Laymen's League, the character of this building is now recognized as having such value and significance that it is now a matter of diocesan concern. For fourteen years Vade Mecum has been operated as a camp and conference center, with only make-shift provisions for a chapel. It might look as if we regarded worship as a secondary consideration. Now that special financial efforts on behalf of St. Mary's School and the Thompson Orphanage are concluded, I earnestly hope that this Convention will take some action that will insure the completion this year of the Chapel of Thanks at Vade Mecum.

RECONSTRUCTION AND ADVANCE FUND

At the last General Convention, meeting in Cleveland, Ohio, in the fall of 1943, the following Resolution was offered in the House of Deputies:

"Resolved, the House of Bishops concurring, that General Convention approves the raising of a General Reconstruction Fund, and authorizes the National Council to determine the amount of the Fund, the time when the need shall be presented to the Church, and the methods of its distribution." The two Houses concurred in this action. This was the origin of a movement, now getting under way, that promises to be the greatest effort the Episcopal Church has ever made in financing its missionary work. For over a year the National Council has been studying the most pressing needs of the Church overseas, and the best methods and procedures for launching this reconstruction plan on a Churchwide scale. This conflict in which we are now engaged has wrought more material damage than any other war of history. In China and the Philippines, for instance, the destruction of Church property has been enormous. Such buildings as the beautiful Cathedral in Manila have been demolished. As the war continues and new areas are involved in combat zones, the losses will continue on an even vaster scale. Our Church intends to build upon these ruins. It cannot replace every

building or institution that has been swept away by war's desolations, but it can rehabilitate our missionary structure in foreign lands with a strategy and a wisdom and a timeliness that will revive the shattered spirit of the faithful native Christians who have endured this catastrophe with heroic valor, and will also enable the Church to seize unprecedented opportunities for advance and expansion in unoccupied fields. The vast plowing up of ancient civilizations has made many nations like a new land, fertile and ready for planting, with the prospect of an incalculable harvest. Men of vision, who can see beyond the smoke of battle, are talking about a new era in the history of Christian missions. Our diocese, of course, will participate in this movement. Preliminary organization has already been effected. An intensive campaign of information is now being prepared covering the effects of war upon our Church's missionary fronts, at home and abroad. This study will provide an intelligent understanding of the Church's strategy at a time of spiritual fermentation all over the world. This in turn will stimulate a sense of accountability because of our favored position among the nations. First knowledge of the facts, then a stewardship of wealth. For, as the Budget and Program Committee remarked to the General Convention, "What people are not up on, they are down on."

It would be helpful, I believe, for this Convention to take such action as may commend this Reconstruction and Advance Fund to the interest and generosity of the people of this Diocese, and thereby record our determination to join with the members of our Church everywhere in restoring Christ's name where war has thrust Him out.

In conclusion, may I apply to you the affectionate ambition of St. Paul for the members of the Church at Colosse where he says: "I want you to be united by love, and to have all the benefit of assured knowledge in coming to know Christ—that divine mystery in which all treasures of wisdom and knowledge are to be found."

REPORT OF THE STANDING COMMITTEE

The Standing Committee of the Diocese of North Carolina held eight meetings during the year 1944, as follows:

On January 25, 1944, the Committee met at the Bishop's residence in Raleigh, N. C., at 2:30 o'clock, P. M., and the following action was taken:

The Committee gave its consent to the ordination and consecration of The Very Reverend Angus Dun, D. D., S. T. D., as Bishop of the Diocese of Washington, D. C.

The Bishop asked for the advice of the Committee upon a question of discipline, if any should be imposed upon a Presbyterian of the Diocese. The Committee thereupon advised the Bishop according to its best judgment.

On February 8, 1944, the Committee met in the office of the Secretary, Raleigh, N. C., at 12:00, noon, and the following action was taken:

At the request of the Bishop of the Diocese, the Committee gave its consent and approval to the conveyance by Saint Luke's Parish, Spray, N. C., of Lots 9 and 10, Section 6, Park Heights, near Spray, to one J. P. Jones.

At the request of the Bishop of the Diocese, the Committee gave its consent and approval to the Wardens and Vestry of Saint Andrew's Church, Greensboro, N. C., to borrow \$3,000.00 from a Building and Loan Association, secured by four per cent mortgage, the proceeds to be used to take up a six per cent mortgage and to pay a paving assessment against the Church property. The property covered by the mortgage being the old Rectory on Ashe and Sycamore Streets, Greensboro, belonging to said Parish.

The Reverend Carl Franklin Herman, Deacon, was recommended to the Bishop for ordination to the Priesthood, his time being shortened for sufficient cause.

Mr. James Robertson Fortune, a Candidate for Holy Orders, was recommended to the Bishop for ordination to the Diaconate.

On March 3, 1944, the Committee met in the office of the Secretary, Raleigh, N. C., at 12:30 o'clock P. M., and the following action was taken:

The Committee gave its consent to the election by the Diocese of Michigan of a Bishop Coadjutor for the reason of extent of Diocesan work.

The Committee gave its consent for the ordination and consecration of The Reverend Thomas Neely Carruthers, D.D., as Bishop of the Diocese of South Carolina.

At the request of the Bishop, the Committee gave its consent and approval to the sale by the Wardens and Vestry of Holy

Trinity Parish, Greensboro, of certain real estate belonging to said Parish, located at the intersection of North Elm and Paisley Streets, Greensboro, upon which there is now a filling station, the price not to be less than \$32,000.00.

On May 22, 1944, the Committee met in the office of the Secretary, Raleigh, N. C., at 12:30 o'clock P. M., and the following action was taken.

The Committee gave its consent to the election by the Diocese of New Jersey of a Suffragan Bishop for the reason of extent of Diocesan work.

On July 25, 1944, the Committee met in the office of the Secretary, Raleigh, N. C., at 11:00 o'clock A. M., and the following action was taken:

A request from Saint Andrew's Parish, Greensboro, was presented by the Bishop, requesting the consent of the Bishop and the approval of this Committee to a contract for the sale of its real estate to take effect two years after the close of the present World War, and the Committee continued the matter and asked the Parish for further information.

Mr. Edward Muse Spruill, Postulant, was recommended to the Bishop as a Candidate for Holy Orders.

A Resolution of the Diocesan Convention of 1943, directing this Committee to make a survey of the Parishes and Missions of the Diocese and report to the Convention of 1945, and every three years thereafter, beginning at the Convention of 1945, the recommendation of the said Committee as to whether or not the same should continue in their then present status, was brought to the attention of the Committee and the matter was continued to a special meeting to be held for the purpose of considering the Resolution.

On September 5, 1944, the Committee met in the office of the Secretary, Raleigh, N. C., and the following action was taken:

The Committee was organized and the following were unani-

mously elected: The Reverend James McDowell Dick, President; Mr. Joseph B. Cheshire, Secretary.

The Reverend M. George Henry was requested, by Resolution of the Committee, to make a survey, with the cooperation of the Chairman of the Department of Missions of the Executive Council, of the Parishes and Missions of the Diocese of their status as to number of communicants, money raised, etc., for further consideration by the Committee under the Resolution of the Convention of 1943 above referred to, and report to the next meeting of the Committee.

Saint Andrew's Parish, Greensboro, renewed its request, with additional information, for the consent of the Bishop, with the approval of this Committee, to the sale of its old Rectory lot, adjoining the present Church, for an immediate cash consideration of \$9500.00, and for making a contract with the purchaser of said Rectory lot to give him an option on the Church lot adjoining at a cash price of \$4,000.00 to be exercised not earlier than two years after the final Peace made by the United States with the last of its present enemies or within two years after such Peace. The Committee gave its approval to such sale and to the option and advised the Bishop to consent thereto.

It appearing that Saint Titus Mission, Durham, without authority, has sold a lot at the intersection of Umstead and Fayetteville Streets, Durham, for \$1625.00 cash, plus taxes and Street Assessments; and the Bishop reporting that he is thoroughly familiar with the property and that the sale is most desirable, on recommendation of the Bishop the Committee gave its approval and consent of the Trustees of the Diocese to complete the sale by conveying the property, the \$1625.00 having already been paid.

Mr. Robert Carlton Baird, Jr., was recommended to the Bishop as a Candidate for Holy Orders.

Mr. John Drake, Jr., was recommended to the Bishop as a Candidate for Holy Orders.

Mr. Thomas James Campbell Smyth, a Candidate for Holy Orders, was recommended to the Bishop for ordination to the Diaconate.

On October 24, 1944, the Committee met in the office of the Secretary, Raleigh, N. C., at 12:30 o'clock P. M., and the following action was taken:

The Reverend M. George Henry reported to the Committee his investigation relative to Parishes and Missions of the Diocese, their status, etc., and on motion the same was continued to a special meeting to be called by the President of the Committee.

Consent on the Committee was given to the ordination and consecration of the Reverend Reginald Mallett as Bishop of the Diocese of Northern Indiana.

Mr. Joseph William O'Brien, Postulant, was recommended to the Bishop as a Candidate for Holy Orders.

As the Resolution of the Convention 1943 (See Journal, page 33) requires report to the 1945 Convention of the action of the Committee and its recommendation upon a survey of the Parishes and missions of the Diocese. Mr. Henry's report was made at a special meeting of the Committee on January 9, 1945, which meeting took the following action relative to that particular matter:

After hearing the report of Mr. Henry, and discussing the matter rather fully, the following Resolutions were adopted:

1. RESOLVED that the Committee recommend to the Diocesan Convention, at its next meeting, that the status of St. George's Church, Woodleaf, *St. Clement's Church, Ringwood, and St. Luke's Church, Tarboro, be changed in each case from a Parish to an organized Mission; and that the status of St. Peter's Church, Stovall, be changed from an organized Mission to an unorganized Mission, and that the Rector or Priest in charge of each of these Churches be given a specific notice, of not less than thirty days before the meeting of the next Convention, that such recommendation will be made to the Convention of 1945.

2. RESOLVED that the Department of Missions be requested to survey all Churches receiving Diocesan aid, with the purpose of encouraging Missions, having more than twenty members and listed as unorganized, to become organized Missions.

Copy sent to Reverend Craighill Brown, Southern Pines, N. C.

REPORT OF EXECUTIVE COUNCIL

The Executive Council of the Diocese of North Carolina has held four meetings during the past year. The Bishop appointed the membership of the departments of the council for the year as follows:

Finance: Messrs. William H. Ruffin, Chairman; John H. Cutter, Stephen E. Burroughs.

Missions: Rev. F. Craighill Brown, Chairman; Rev. Othello D. Stanley, Mr. Cleveland Thayer.

Education: Rev. C. Alfred Cole, Chairman; Rev. A. Stratton Lawrence, Jr., Mrs. Edward G. Peoples.

Social Relations: Mr. Francis O. Clarkson, Chairman; Rev. Othello D. Stanley, Mrs. J. W. Huddle, Mr. D. Edward Hudgins.

Promotion: Rev. M. George Henry, Chairman; Mrs. Edward G. Peoples, Mr. Arthur L. Tyler, Mr. D. Edward Hudgins.

Youth: Rev. Gray Temple, Chairman; Rev. A. Stratton Lawrence, Jr., Mrs. Henry C. Bourne, Rev. David W. Yates.

Thirty-three thousand one hundred fifty-five dollars was raised in the special campaign for the Episcopal Endowment Fund, which with the \$21,800.00 already in hand brought this fund to \$54,955.00. All has been invested.

The Thanksgiving offerings taken by the Negro churches were allocated for the care of Negro orphans, without credit on local church quotas or the diocesan church's program fund budget.

The membership of the Vade Mecum Committee was reconstituted to comprise the persons who should now and in the future occupy the following offices: President of the diocesan Woman's Auxiliary, Chairman of the Department of Christian Education, Chairman of the Department of Missions, Chairman of the Vade Mecum Farm Committee, and the Business Manager of Vade Mecum.

Over a period of several years a surplus of \$7,009.74 had accumulated in the Church's Program Fund as of Feb. 1, 1945,

due chiefly to vacancies in diocesan missionary fields. This surplus was disposed of in the following ways: \$5,509.74 was transferred to the reserve fund for protection against future uncertainties, \$1,000.00 was appropriated toward the purchase of a heating plant and providing structural alterations for St. Mary's Episcopal Student Center in Greensboro, and \$500.00 for purchasing and conditioning for use a permanent site for Negro camps and conferences.

A permanent site for Negro camps and conferences has just been purchased for the sum of \$2,500.00. The site comprises about eighty acres and is located thirteen miles from Raleigh in Barten's Creek Township of Wake County.

The Finance Department was asked to confer with the Committee on Canons of the Diocese and to make recommendations at the next meeting of the Council on the clarification and application of Diocesan Canon 28 to the Church's Program Fund quotas of parishes that have parochial missions.

Proposed 1946 budgets for the Episcopal Maintenance and Church's Program Funds will be presented at the proper time by Mr. William H. Ruffin, Chairman of the Finance Department.

Respectfully submitted,

DAVID W. YATES, *Secretary*

There is transmitted herewith an audit of the financial transactions of the Trustees for the year ending January 31, 1945, prepared by W. M. Russ and Company, Certified Public Accountants, of Raleigh, N. C., as required by the canons.

There is also transmitted herewith copy of the Minutes of the Meetings of the Trustees during 1944 and a part of 1945.

In conformity with instructions given to the Trustees at the last annual Convention, the Trustees employed counsel in connection with the settlement of the transactions of Mr. J. C. Kittrell, of Henderson, N. C., Trustees of Trust Funds held for the benefit of the Ladies Aid Society of Saint James' Church, Kittrell, N. C., and subsequently arrived at a settlement which the Trustees consider very satisfactory. The details of the settlement appear in the Minutes of the Trustees meeting held on March 9, 1945, hereto attached. Counsel fees of \$350.00 were paid from funds appropriated for this purpose by the last Convention.

Additions amounting to \$33,130.00 have been made to the Permanent Episcopal Fund. Out of this amount \$11,000.00 is reflected in the audit report transmitted herewith. The remaining \$22,130.00 has been added since January 31, 1945, and all of these funds have been invested.

The assets of the Combined Trust Fund held by the Trustees on January 31, 1945 are as follows:

Stocks and Bonds	\$55,190.18
Mortgage Loans	6,520.84
Advanced to Bishop's Discretionary Fund.....	1,300.00

REPORT OF CHURCH PENSION FUND COMMITTEE

Your Committee on Church Pension Fund beg to report as follows:

1944 Current Assessments:

All current assessments for 1944 have been paid.

Arrearages of Other Years:

All arrearages of congregations through December 21, 1944 have been paid, and every congregation's account is now in balance.

1945 Current Assessments:

Owing for 2 months or more are accounts of \$95.40 due by eight congregations on seven clergymen, of whom four owe for 4 months, two for 3 months, and two for 2 months, while all others are either paid or owe less than 2 months on 1945 current assessments.

Six Years' Review:

Since 1939, when the matter of arrearage of prior years was specially called to the attention of the committee, by action of the Convention, there has been over \$4,000 of arrearages, including interest, due by congregations, under the oversight of the committee, all of which is now clear of the Church Pension Fund accounts.

\$1,000 Benefit to Widow:

Every clergyman in parochial work, save one, is eligible for his widow to receive the \$1,000 benefit now authorized to be paid where the clergyman dies in active parochial work. That exception is due to unpaid pension assessments in Diocese of East Carolina, from whence he came, as follows:

Rev. J. W. Heritage, D.D.:

City	Congregation	Years	Arrears	Interest to 3-31-45
Goldsboro—St. Andrew's		..1928		
		1929		
		1930		
			19.50	23.85
Fayetteville—St. Joseph's		..1930		
		1931		
		1931		
			132.63	129.03
Grand Total.....			152.13	157.88

Future Arrearages:

This will depend upon (1) the prompt meeting of pension assessments, by congregation treasurers, for 1945 and succeeding years, and (2) no errors in reporting salaries on which assess-

ments are computed as was the case with some of our arrearages, which were then heavily burdened with interest.

Non-Parochial:

There are two non-parochial clergymen non-parochial assessments, which is an obligation personal to themselves, and not of the Diocese, (1) one of whom is officiating in the Diocese of Washington, whose letters dimissory have been declined because of such arrears, and (2) another who is engaged in secular work in another Diocese.

Beneficiaries:

Attached hereto is a list of the beneficiaries of the fund and we also attach the letter of Mr. Bradford B. Locke, Executive Vice-President, giving the present day status of the fund.

Respectfully submitted,

ALEXANDER B. ANDREWS, *Chairman*

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH

Realizing that you will have before you, in summary and detail, the vital and financial statistics of the Diocese, your Committee on the State of the Church is not disposed to clutter the Journal with a repetition of facts and figures. Instead, having made a general and comparative survey of the Diocesan records for the past few years, and having also consulted with leaders in the various departments of work, we beg to make certain observations and recommendations as follows:

I

It is to be noted with gratification that during the recent trying years, years of unrest, heavier responsibilities, manpower shortage, that our Church in this Diocese has not failed to realize her mission and is endeavoring to expand the fields of labor within her confines. We should thank God for this willingness to obey His will. We should, however, neither weary in well-doing nor neglect any weak areas in our armour; nor, should we fear to venture upon new paths.

Your committee discovers that the records of the past several years show that the unorganized missions are losing ground, that only one or two show progress, and that the organized missions present only a slightly more favorable picture. We are convinced that the work in the missions of the Diocese, both organized and unorganized, needs definite consideration, attention, and support. We regret to report that the present status of our missions seems to be largely due to our general attitude toward missionary work, an attitude that is fundamentally one of unconcern. Surely some steps should be taken to raise the morale and undergird the contributions of this strategic phase of the Church's life.

Your committee is of the opinion that some concerted method should be adopted whereby the missions would be encouraged, and recognized for their contribution to the growth of our parishes. We suggest that two possible approaches to this problem: (1) That the Diocese be divided into convenient missionary districts, and that missionaries for each district be appointed by the Bishop and supported by the Diocese for full-time work in said districts; or, that one resident clergyman in each district be appointed by the Bishop to superintend and coordinate the missionary work in that district. (2) Or, that the missionary work throughout the Diocese be localized around established parishes, and that such parishes in cooperation with the Bishop and Council of the Diocese make provision for the more efficient use of clerical and lay manpower in that locality.

Your committee feels strongly that the missionary effort in this Diocese can be augmented and supported by the active participation of Lay Readers in mission churches under the Direction of the Bishop and/or the Priest in Charge. We note that in the Bishop's Address to the Convention a large number of Lay Readers were appointed during the last year; and we feel that these men are anxious to serve the Church, and can be of inestimable worth in the missionary field, and should therefore be given the opportunity to serve as freely as practicable. We feel further that the Laymen's League of the Diocese could fittingly adopt this objective for the coming year and, in full cooperation with the Bishop and Council, make an effort to see that every mission has regular services and as far as possible, a church school in each mission.

Your committee further suggests that this Convention appoint a committee to consider the use of trailer chapels in our Diocese under the direction of the Bishop for the particular purpose of reaching isolated or unchurched communities. This type of missionary service has proved itself fruitful in several dioceses of our Church.

Your committee refers to the Report of the Committee on the State of the Church to the Diocesan Convention of 1944 (Journal, p. 110), and hopes that the Department of Missions will at this convention report with working plans on said recommendations set forth therein; and that if no such plans have been formulated, we renew the recommendations for definite action.

II

Your committee notes with interest that the budget for 1946 provides for the employment of a Diocesan Director of Religious Education. By recommendation of the Executive Council, approval of the Finance Committee, and adoption of this convention, we feel that this provision is in accordance with the will of the Diocese.

Your committee calls attention of this convention to the recently adopted curriculum of the Department of Religious Education and urges its immediate adoption by the Church schools of this Diocese.

III

Realizing the serious problems which our youth are facing and will have to face in the post-war years, your committee would like to call your attention to the contributions that our Church can make to the life of our youth, namely, the proper use of existing parochial and mission facilities (parish houses, etc.) for the social and recreational activities of the young people of our communities; and that such use be made in cooperation with existing agencies working along these lines.

In conclusion, this committee wishes to commend to the people of this Diocese the consecrated and able leadership of our Bishop, clergy and lay men and women. In unity and brotherly love let us respond to the challenges of our needy generation and set our hearts, minds and hands to the great task of establishing His Kingdom.

Respectfully submitted,

JOSIAH T. CARTER

REPORT OF THE MISSION TO THE DEAF

The field of Mission Work among the Deaf has this year been extended to include the State School for the Deaf in Morganton. Regular services have been held monthly in the Parish House of Grace Church for the Deaf of the community, and adult students of the school with an average number of fifty persons attending. Afternoon chapel services have been held in the school auditorium attended by about three hundred students ranging in age from eight to eighteen years, and by about thirty adults. This is a very important and valuable program as it extends to the students, the future communicants, an opportunity to join in worship services which it is believed they shall continue after graduation wherever they decide to settle and live.

The interest in the Church has continued to increase in all places where services are made available to the Deaf as is evidenced by increased and regular attendance.

In the past year there have been 94 regular services conducted with an average attendance of 32 persons, 7 services for the students of the State School attended by about 300 students each time, 21 Celebrations of the Holy Communion, 4 Baptisms, 12

Candidates presented for Confirmation, I have officiated at 3 weddings, and 3 funerals.

In addition to these services, I have made several talks to Sunday Schools and hearing congregations making the work among the Deaf more widely known in the Diocese. I am very grateful for the increased interest evidenced by many of the Parishes, and I hope it will continue.

Respectfully submitted,

JAMES R. FORTUNE,
Missionary to the Deaf

REPORT OF THE EPISCOPAL LAYMEN'S ASSOCIATION

Owing to the limitations on travel and other restrictions imposed by wartime conditions, the hoped for development of a Laymen's Association in the Diocese of North Carolina has not been fully realized. Some work has been done in the field of Laymen's activities, so the movement has not been entirely dormant.

The Executive Committee, elected in the Laymen's Convention held in Greensboro on January 9, 1944, has continued to function, and has done some good work during the past year. A committee, under the Chairmanship of Mr. C. A. Tucker of Warrenton, raised a \$400.00 "scholarship" fund for the use of deserving boys wishing to attend Camp Cheshire, Sr. at Vade Mecum, and \$100.00 for the Negro boys of Camp Delaney, the latter being cancelled on account of the polio epidemic.

This committee promoted the Laymen's Conference, held concurrently with Senior Boys' Camp at Vade Mecum, thereby promoting better understanding between men and boys and fostering a fine spirit of fellowship within the entire group. The laymen plan to continue these activities this year.

The Chapel of Thanks project has received increased attention of our laymen during the year. As a result of this interest a considerable additional amount has been placed in the hands of the Diocesan Treasurer for use of the Vade Mecum Committee in making plans for construction of the Chapel building. The present goal of our laymen is to see that every interested person in the Diocese be given the opportunity of making a contribution to this project, which will mean much to the young people attending the Camps and Conferences at Vade Mecum.

The Advent Corporate Communion for Men and Boys was sponsored by the Laymen's Committee again this year, with a reported attendance of 602 and a Corporate Gift in the amount of \$1,003.03. Twenty-nine Parishes and Missions were reported as participating. Only 19 of these placed orders for promotional material for stimulating attendance, however.

Four meetings of the Laymen's Executive Committee were held

during the year. Meetings of Negro laymen were held at St. Mark's, Wilson, and at St. Titus', Durham, both being reported as well attended. Our laymen were represented at the Birmingham Conference of the Fourth Province on May 23-24, by our Diocesan keyman, this being true likewise, at the Clergy Conference in Burlington on October 3rd. We were represented in other area meetings within the Diocese by Messrs. I. H. Huske, Coolee-mee; Hobart Steele, Burlington; J. A. Mackie, Winston-Salem; Malcolm McKinne, Louisburg; Dr. E. E. Blackman, Charlotte; T. W. Mullins, Roanoke Rapids; Arthur L. Tyler, Rocky Mount; and C. A. Tucker, Warrenton.

During the year we lost our Provincial Keyman, D. E. Hudgins of Greensboro, through resignation, his successor being Ted Gannaway of Columbia in the Diocese of upper South Carolina.

During the year, keymen have been appointed in 52 Parishes and Missions throughout the Diocese. These appointments were made at the suggestion of local Clergymen, and it is hoped that these men will serve as the leaders in promoting an active Laymen's Association within the immediate future.

Before us lies a great opportunity for service to God and to our fellow men. No plan, regardless of how cleverly devised, will work, unless our laymen are willing to work.

EPISCOPAL LAYMEN'S ASSOCIATION

CLEVELAND THAYER, *Diocesan Keyman*

REPORT OF VADE MECUM CAMP AND CONFERENCES

Program limited because of polio epidemic.

The program which included four camps and five conferences was limited to two camps and three conferences in 1944, because of the polio epidemic prevalent throughout this part of the country. The camps and conferences which operated are as follows: The Y.P.S.L. Convention, Camp Cheshire Senior, The Laymen's Conference, Camp Penick Senior, and the Leadership Training Conference.

Analysis of Effect of Epidemic on Registration:

The Camp stayed open during the two weeks interval when Cheshire Jr. was called off, and the Leadership Training Conference operated on schedule. The Vade Mecum Committee cancelled the remainder of the schedule and the staff stayed in residence at Vade Mecum until they finished closing up the interrupted schedule early in August.

In accordance with resolution submitted to the Vade Mecum Committee in July, and adopted by them in September, the resignation of A. S. Lawrence, Jr., became effective on the date of his acceptance as a Chaplain in the Army of the United States.

The Business Manager wishes to thank the members of the Vade Mecum Committee and the Diocesan Convention for their wholehearted support of the Vade Mecum program during the past nine years; and to assure his successor, the Rev. Thomas J. C. REPORT OF THE STUDENT CHAPLAIN AT THE UNIVERSITY
 OF NORTH CAROLINA

It should be remembered that College Work is not limited to student work. The Church's ministry is to the whole academic community which of course includes the faculty, the administration, the business offices, the research scientists, and the graduate scholars as well as the students. In these times it also includes the military personnel stationed on the campus.

In the past year I have had a fuller opportunity to engage in College Work in this full sense of the term. The Rev. A. S. Lawrence retired from the Rectorship of the Chapel of the Cross and from the active ministry of the Church on September 1, 1944. From then until April, 1945 I was in charge of all the Church's work in Chapel Hill. This had some advantages and some disadvantages. It enabled me to serve as best I could in all phases of College Work, but it limited the intensity of my work with the students. In April of this year the Rev. David Yates became Rector of the Chapel of the Cross, and his arrival enabled me to give my full time once again to the student work.

Student work is increasingly important and increasingly difficult. Its importance is fairly obvious, but the difficulties are less well known. Most of the men students are in one of the military training units or are young civilians studying furiously so that they might complete as much work as possible in the brief time allotted to them. They have a heavier schedule and with much less free time than students had a few years ago. Consequently our discussion groups, study classes, and other time consuming activities are at a low ebb.

Our emphasis is "Come to Church". The situation with the girls is similar. Most of them are taking extra work in order to graduate as soon as possible. Many of them are married. Not a few have lost their husbands, fiances, or close friends killed or wounded in action. This means that the Church's ministry to college girls is quite different from what it was even two years ago.

Perhaps a few statistics will indicate the extent of our work. At any one time there are perhaps 350 Episcopal students in Chapel Hill. Many of these stay only a few months and so in the course of a year probably about 700 Episcopalians are on the campus. Student attendance at the 11:00 o'clock Sunday service ranges from 75 to 125. Perhaps the total student attendance at all Sunday activities approximates 175.

Financial support of the student work comes from this Diocese, from the East Carolina and Western North Carolina, from the Church Society for College Work and from the students themselves.

Respectfully submitted,

EMMET GRIBBIN

REPORT OF THE WOMAN'S AUXILIARY

The Woman's Auxiliary has tried, during the past year to do what it could to promote both International and Interracial Understanding. Toward the former many Auxiliaries have had study groups on the Dumbarton Oaks Proposals, and have communicated their interest to government authorities. Through our participation in the State Legislative Council we have had an active part in such social legislation as was passed in the recent legislature of our state.

We have also had study groups on Interracial Understanding, have given a scholarship to St. Augustine's and had a special offering to enable us to contribute to the purchase of a permanent camp site for Negroes.

In order to show our interest in interdenominational work, two of our members serve on the executive committee of the Woman's Division of the N. C. Council of Churches, and we contributed a hundred dollars to the work of the Council.

As an Auxiliary we felt keenly the loss of our conference at Vade Mecum last summer, and of our regular annual meeting this spring.

Three of our members have had the privilege of serving on the Executive Council of the diocese through the Departments of Christian Education, Youth, Promotion, and Christian Social Relations.

We are operating this year on a budget of \$8,000 to be spent \$4,000 within the diocese and \$4,000 outside. Toward the United Thank Offering for the next Triennial we now have something over \$15,600.00.

We are very much interested in the effort of our Church to raise \$5,000,000 as a Reconstruction and Advance Fund and expect to concentrate our efforts in assisting our diocese to do its part. We feel that the time is ripe for the missionary education of

adults as a means of strengthening the Christian Fellowship all over the world, and we rejoice to accept as next year's emphasis—The Missionary Imperative.

Respectfully submitted,

LEAH GRAVES PEOPLES .

REPORT OF THE FRANCIS J. MURDOCH MEMORIAL SOCIETY

The Francis J. Murdoch Society reports that during the year, it has given its approval to several loans to young men for the purpose of assisting them in their preparation for the ministry.

On account of the scarcity of available young men, due to the demands of the war, we have been able to do very little in the way of interesting young men in the ministry. This is, we feel, a very important part of our duty, and we regret that we have so little to report. But we are hopefully looking forward to the return of many who because of their war experience may feel moved to offer themselves for service as officers of the Prince of Peace, and that our funds, which have been accumulating, may be put to the use for which they were intended.

Respectfully,

ROBERT B. OWENS, *Chairman*

13. Paid tribute to memory of Mrs. J. W. C. Johnson, long time member of Board of Trustees.
14. Rejected offer of Columbia Institute in Tennessee of certain books, objects of art and statuary under will of Margaretta Bowles.
15. Officially recognized the generous support in time and money of Bishop Penick, Mr. J. C. B. Ehringhaus, Mr. Clyde Dillon and Mrs. L. V. Sutton in the conduct of the Centennial Campaign.

By far the most important undertaking of the year was the promotion of the Centennial Campaign. The goal to meet the post war physical requirements of Saint Mary's School was \$350,000. To date \$157,000 has been contributed. Realizing the need for structural improvements which cannot be provided from the funds received so far and believing that additional funds can be obtained, the Executive Committee has asked the President to call a meeting of the full Board of Trustees to be held at Commencement on June 4th, 1945, to devise plans for bringing the campaign to a successful conclusion.

During the 1944-45 session the school has again operated with a capacity enrollment, 229 Resident Students, 77 non-resident students. Resident students come from 14 states: North Carolina

142, Virginia and Tennessee 3 each, West Virginia 2, Michigan, Oklahoma, New Jersey, Missouri, District of Columbia, one each.

The religious affiliations of the 229 resident students are: Episcopalian 122, Methodist 41, Presbyterian 32, Baptist 19, Christian 4, Moravian 2, not known 8. Affiliations of 77 non-resident students are: Episcopalian 23, Methodist 17, Presbyterian 8, Baptist 21, Christian, Congregationalist, Greek-Catholic, one each, not known 5.

A capacity enrollment of resident students for the 1945-46 session is already assured. As of May 5, 1945, 237 resident students applications had been accepted and 35 applicants were on the waiting list. Of the applications accepted 105 are from returning students and 132 from girls coming to Saint Mary's for the first time.

War conditions have continued to add to the operating difficulties. The school has cooperated fully with the programs of the War Price and Rationing Board, the War Production Board, the War Manpower Commission and the other regulatory agencies. The food and labor problems have been especially difficult. Throughout the year the student body has continued to participate actively in the "Home Front" activities. Contributions by the students and faculty to Red Cross amount to \$1,011.00, to United War Fund \$1,402.00. The students, faculty and staff received special recognition for an outstanding record in the purchase of War Bonds and stamps. Total purchases were approximately \$7,500. Students have cooperated in collecting waste paper and old clothes and have aided in the British War Relief Association program.

A condensed statement of the financial condition of Saint Mary's School taken from the Auditor's report of June 30, 1944, is attached.

Respectfully submitted,

EDWIN A. PENICK, *President*

Board of Trustees of Saint Mary's School

REPORT OF CHANCELLOR

In accordance with Canon Law, the Chancellor hereby makes report for the past year. During that period there were no opinions asked involving a construction of Church Law and the work of the office consisted more largely in advising on matters of general legal subjects. There are no opinions to be reported to the Convention.

ALEXANDER B. ANDREWS, *Chancellor*

REPORT OF ST. AUGUSTINE'S COLLEGE

During the past year 214 college students have been enrolled representing 21 states and two foreign countries. The increase of about 35% over the enrollment of the previous year is accounted for chiefly by the gain in the number of young women in the boarding department made possible by the use of the Bishop Tuttle Building, recently turned over to the college by the National Council, as a senior class dormitory. Although the number of young men was comparatively small because of war conditions there were several war veterans enrolled and assisted by the Federal Government. The number will probably increase as time goes on.

The new courses in Physical Education, Commerce and Music have become quite popular. Next year we propose to add several courses in Religious Education designed to provide preliminary training for those interested in religious education as a vocation and to qualify teachers to meet the requirements for teaching Bible in the public schools of North Carolina.

We are planning the complete rebuilding of our rather antiquated chapel organ and the purchase of a small studio practice organ so that our chapel worship may be benefited and suitable instruction in organ playing made possible. Gifts from the American Institute for Negroes, students, faculty, alumni and friends have helped to make this development possible.

The religious work on the campus has shown considerable vitality. There were more adult baptisms and confirmations than usual while the Lenten Offering for Missions presented on Easter Day amounted to over \$400, the largest Lenten Offering ever made here. The Woman's Auxiliary Girls' Service League, Altar Guild, Laymen's League and Brotherhood of St. Andrew have continued their usual activities.

In the near future St. Augustine's expects to benefit materially from the proposed \$5,000,000 Reconstruction and Advance Fund of the National Church which includes a substantial allotment to the American Church Institute for Negroes. St. Augustine's is asking for a Physical Education Building, for a new or enlarged Science Building and for aid to some smaller projects.

About 200 graduates or former students are in the armed forces, 30 of whom have commissions with ratings as high as Lieutenant Colonel. One of them, Captain Henry B. Perry, Class of '41, was recently awarded the Distinguished Flying Cross for action in Italy.

St. Augustine's has furnished numerous Chaplains to the armed forces. The recent consecration of a graduate, Rev. Bravid W. Harris, as Bishop of Liberia marks a definite contribution to the missionary work of the Church.

As usual several conferences have been held on the college campus during the past year. Last June the Annual Conference

for Clergy and Church Workers including youth leaders had an attendance of about 150, the largest number that has gathered since the inauguration of the Conference. The Colored Diocesan Branch of the Woman's Auxiliary met with us last fall. Recently the State Conference for Negro Welfare Workers, the Conference of Extension Farm Workers and the Conference of the Crown and Sceptre Honorary Scholarship Society met on our grounds. All of these gatherings were held in accordance with O. D. T. regulations.

The college has also furnished office quarters for a special consultant in the field of Negro Health and Physical Education working in connection with the State Department of Public Instruction.

The death last fall of Dr. Robert W. Patton who had come from retirement to assume the acting Directorship of the American Church Institute for Negroes during the absence of Rev. Cyril Bentley in the armed forces, took from our midst a great and inspiring leader in the field of our Church Work in Negro Education. Dr. Patton's vision and efforts included the entire field of the Church's work. Nothing in it seemed to him more important than the opportunity for service to the Negro race. May his vision continue to guide and inspire our Church.

EDGAR H. GOOLD, *President*

REPORT OF THE HISTORIOGRAPHER

During the past year I have received from the clergy a few additional lists of men and women in the armed services. There are still about forty parishes and missions to be heard from. I would like to urge the clergy at this time to send me their lists in the near future.

My work for the past year has consisted of receiving and answering requests for information of an historical nature. I have also received several parish histories which are of particular interest and importance. I hope the clergy and laity will continue to send me such histories as they appear.

REPORT OF BOARD OF MANAGERS OF THOMPSON ORPHANAGE

January 24, 1945

Fewer applications are being received for the type of children that meet our requirements for admission due to the prosperity of our country brought about by the war. Our requirements stress need for care that cannot be given by the parents. We receive a large number of applications to board children so their parents

can work. This is the type of care that we do not give as from experience we have found that the two groups do not get along well together.

The following outline shows in detail the children cared for in 1944:

The Entire State—		Diocese of North Carolina—	
Capacity	90	Quota	56
Total cared for	88	Total cared for	60
Discharged	13	Discharged	10

Now here	16	Now here	9

During the school year 1943-44 we had 79 children in school. All of these children were promoted to a higher grade. The principal of the grammar school was so impressed with the improvement shown in the children's behavior and scholarship that she made a special chart of our children to compare their records with other children in the school. The results shown on the chart caused her to remark that if she took a cross section of the school population, our group would have the best record. Our one graduate, a boy from Charlotte Technical High School, won the annual Bible award presented by each high school to the outstanding Bible student of the year.

Due to the heavy schedule of our chaplain, it is necessary for us to have either an early morning or afternoon service. As a group we prefer the 8:30 a.m. service because the afternoon service breaks into the only afternoon which the children have for rest and recreation other than Saturday. Our younger children attend St. Martin's Sunday School. Those above the fifth grade have a choice—they may either attend St. Martin's or St. Peter's Church. This choice divides the children about equally—all the girls go to St. Peter's and the boys to St. Martin's.

The health of our children remains above the average due to the consistent cooperation received from Dr. Adams and Dr. Hipp, the official Orphanage doctors, and Dr. Houser, chairman of the health committee. St. Peter's Hospital Foundation pays for all our hospitalization and the children's dental work is done at the Memorial Hospital Dental Clinic.

I am convinced that our property is in the best repair that it has been in for a number of years. This has been accomplished through a program of constant repair work for the past five years. There remains much to be done. During the summer our

boys painted the outside of four cottages, both the barns, and the little house where our fireman lives on Cecil Street. This work was supervised by F. W. McGinnis, who resigned his work on August 1. Much work was done to the gutters and downspouts on all the buildings. With the use of a bulldozer the old creek run was filled in. This improved our property and gave us the use of about a half acre of land which had been inaccessible for a number of years. The floors in all of our cottages except the Baby Cottage were varnished during the summer. Much work has been done to our heating system under the supervision of W. L. Mauney, chairman of the properties committee.

In 1941 we undertook to put our farm back into production. This work has progressed year by year until at the present time the farm is under full cultivation. Due to the generosity of our loyal friends the farm has been equipped with a tractor, plow, twelve registered Jersey cows, one registered Jersey bull, and due to a normal increase, we have raised one milk cow and nine heifers. At present we have a registered Jersey herd of thirteen cows, nine heifers, and one bull.

During the year 1944 we produced 8,265 gallons of milk. This gave us our milk supply plus a surplus which was sold for \$559.02. The total value of food produced on the farm in 1944 was \$7,955.13.

In our drive for financial independence we have received enough help so that at the present time our Thanksgiving Offering is being carried forward to start the new year. To me, this is as it should be. It enables us to pay our bills as we go. During the years when it was necessary to receive credit and pay these bills with the Thanksgiving Offering we were left practically nothing with which to begin the new year.

All of us here at the Orphanage would like to express our sincere appreciation to our loyal friends who have made the Orphanage an institution we can be proud of.

REPORT OF TRUSTEES OF THE UNIVERSITY OF THE SOUTH MAY 9, 1945

For the past several years the University of the South, usually called Sewanee after the name of the town in Tennessee where it is located, has had a unit of the V-12 Program of the United States Navy, embracing about three hundred students, and in addition a few civilian students. This has enabled the University to have a capacity enrollment and to fare very well financially during the war thus far.

On November 1, 1945, the V-12 Program will be discontinued. Sewanee has made application for a unit of the R.O.T.C. program that will absorb the activities of the Navy's training program after that date. The Vice-Chancellor thinks it very unlikely that an N.R.O.T.C. unit will be placed at Sewanee, because it is

the Navy's policy to put them only in institutions having one thousand or more students.

Sewanee and her student body will thus return to a completely civilian status. A summer school session will be held in 1945, and thereafter the University will return to the two-semester year with a summer school to enable boys under eighteen to secure as much schooling as possible before induction into the armed forces, and to make it possible for those who can complete their education to do so in three years.

This means that Sewanee will be dependent for students upon discharged veterans and boys under eighteen, for the duration of the emergency. She appeals to all members of the Church to urge prospective students to choose Sewanee as the place where they will obtain their higher education. Both younger men and the returning veterans will be greatly helped for whatever field of work they plan to enter, for the living of their lives as well as for making a living, by an education in the fundamental arts and sciences, amid surroundings of health and beauty, under the influence of ideals of Christian culture, in which Sewanee specializes. It is hoped that Church people will benefit their sons and serve their Church by sending them to the only Church-owned university in the United States and by urging others to do the same.

D. W. YATES.

REPORT OF THE ARMY AND NAVY COMMISSION
MAY 8-9, 1945

At a time when the unconditional surrender of Germany has been declared, we feel that we have come to one of the great moments in history. With the end of fighting in Europe assured, we look forward to the early return of thousands of our fighting men, and to the day when our armed forces may be reduced to a necessary minimum for carrying on the war with Japan. We look forward to the return to civilian life of the men and women who have gone out from our homes and Churches and communities.

And so at this time we feel the work of most of our training camps has come to an end, and the next great concern of our Church, in addition to the work of the Chaplains with the Armed Forces, is to be ready to receive the returned veteran.

Already a great deal of helpful literature has been published by our National Council and kindred agencies. We urge that all ministers become acquainted with the literature and make use of what is helpful. We consider it incumbent on every minister of the Church to be ready to aid the returned veteran in every way possible. To be specific, we should know how to direct the veteran to the agency set up for his particular needs, whether this be the Federal Employment Agency, the Red Cross, the

American Legion, or some special rehabilitation center. We should know the agency in our community that is set up, and just what it can do. It is assumed that before the service man is discharged he is given full instructions as how to get the help he needs, but many of the men will be confused and will need direction.

There will be an urgent need for counselling with the shell shocked or otherwise injured veteran. Many will not be hospital cases, and we will be given the opportunity of helping them here in the Parish. We must seek to understand his problems, real or imaginary. We recommend special study be made of the literature on this subject. We cannot be ready too soon. We urge that in every congregation group study be conducted on attitudes and methods.

In addition to all the help we are prepared to render the returned serviceman in material ways, we should make every effort to see that he is given spiritual counsel. His religious life may have been disrupted by the war, and his greatest need may be spiritual rather than material. We should make immediate contact with our men when they come home and follow up these contacts. If possible we must give them something to do that will strengthen the hold of the Church on them.

Until they return each pastor should continue his personal and parish letters to his boys in service. He should continue to send any helpful literature. Many our men testify to the help this has been. Also they know that they have not been forgotten.

And there continues to come in the sad news of those killed at the front. We must not weary of seeking to give aid to the bereaved, whether they are members of our congregations or only acquaintances. It grows harder all the time, but we should know how to help.

As the men return it is natural that we should have prayers of thanksgiving for them. It is recommended that when sufficient groups have returned there be special services of thanksgiving.

We heartily commend the work of our Clergy serving in the Armed Forces as Chaplains, namely: Latta, Man, Bridges, Price, Board, Wright, Guerry, and Stratton Lawrence.

Rev. Rufus J. Womble, serving as civilian Chaplain at Camp Butner made weekly visits and held regular Church services through the past year. He has now resigned and has left the Diocese. Your commission recommends that we do not appoint a new civilian Chaplain for this work.

Rev. F. Craighill Brown has made weekly visits to the hospital at Camp MacKall and has held bi-monthly services for the paratroopers.

Rev. Robert W. Turner, Jr., recently of Rockingham, has held

regular Communion Services for the Air Borne Troops of the Laurinburg-Maxton Field.

Our Church has been active in entertaining troops on leave in Durham, Oxford, Raleigh, Greensboro, Burlington, Charlotte, and elsewhere. The work has been greatly aided by funds received from our National Army and Navy Commission, whose work we urge be generously supported.

Your commission is open to suggestions and advice.

Respectfully submitted,

FREDERICK B. DRANE,
DAVID W. YATES,
HENRY JOHNSTON, JR.

Journal of Proceedings

FIRST DAY

Raleigh, N. C., May 7, 1946

The 130th Annual Convention of the Diocese of North Carolina met in the Church of the Good Shepherd, Raleigh, at 8 P. M., Tuesday, May the seventh. The Bishop and the Rev. James M. Dick read Evening Prayer. An offering was taken according to the regular custom, for the New York Bible and Common Prayer Book Society.

Following this service, the Bishop called the Convention to order. The Secretary certified that a constitutional quorum was present in both orders, and the Bishop then declared the Convention duly organized. On nomination, the Rev. Alfred S. Lawrence was re-elected Secretary. He appointed the Rev. R. Emmet Gribbin, Jr., as his assistant. The schedule of hours on the printed program was adopted. Mr. Graham Andrews, Senior Warden of the Church of the Good Shepherd, welcomed the Convention to the Parish. The Bishop then called the Rev. James M. Dick to the chair and read his Annual Address. (Appendix A).

The Bishop resumed the chair. On motion by the Rev. David W. Yates, a committee was appointed to consider the address and to bring in recommendations concerning it. The Bishop appointed the Rev. Carl Herman, the Rev. Ray Holder, and Mr. Cleveland Thayer.

The report of the Standing Committee was presented by Mr. Joseph B. Cheshire (p. 108).

The Rev. David W. Yates presented the report of the Executive Council (p. 112).

The Report of the Department of Finance was made a special order for ten o'clock on Wednesday.

Nominations were then made as per the Rules of Order, and the time of balloting was set to follow after the report of the Department of Finance.

Mr. A. B. Andrews then read his report as Chancellor (p. 113).

Mr. Manly D. Whisnant, Superintendent, made the report of the Thompson Orphanage (p. 114).

The Chair recognized the Rev. Appleton Grannis, *locum tenens* of Christ Church, Raleigh. Dr. Grannis was accorded a seat in the Convention. The Convention then took a recess.

SECOND DAY

On Wednesday Morning at 7:30 o'clock, the Holy Communion was celebrated at the Church of the Good Shepherd with the Bishop as celebrant, assisted by the Rev. James M. Dick.

After breakfast at the Parish House, the business session was resumed.

The Bishop appointed as a Committee on New Parishes, the Rev. Robert W. Turner, Jr., the Rev. Robert M. McNair, Mr. M. K. Pinnix, Mr. Henry Bourne, Mr. T. W. Ault.

Mr. E. B. Dixon presented the report of the Treasurer in condensed form (p. 87), the whole report to be printed in the Journal. (Appendix B, p. 85).

The Bishop then introduced to the Convention, the new clergy, the Rev. Messrs. Robert Charlton Baird, Jr., John William Drake, Jr., Joseph William O'Brien, Robert Lansing Hicks, and Mr. Thomas Lawson Cox, a Theological student.

The Chair appointed the following committee on Canons, the Rev. Robert Bruce Owens, the Rev. Alfred S. Lawrence, the Rev. James S. Cox, Mr. Kemp D. Battle, Mr. Francis O. Clarkson.

Mr. William H. Ruffin then presented the Report of the Department of Finance (p. 117). On the recommendation of the Department, the arrearages of the Epis-

copal Maintenance Fund assessments were canceled, as of May 8th, as follows:

Galloway Memorial, Elkin	\$ 91.12
St. James, Kittrell	123.17
Emmanuel, Stoneville	25.00
Redeemer, Greensboro	245.82
Resurrection, Henderson	92.25
St. Mathias, Louisburg	83.67
Holy Trinity, Monroe	23.79
St. Stephen's, Winston-Salem	100.99

\$783.81

The Budget for Episcopal Maintenance was then considered. On motion two small amendments were adopted: \$200.00 was added to the salary item of the Treasurer's salary and \$25.00 was added to the allowance for printing. The Episcopal Maintenance Fund, totaling \$15,662.76 was then adopted, unanimously (p. 117).

The Church's Program was then considered. The Department presented a budget of \$82,929.22. This budget was amended by the addition of \$3,000.00, so as to increase the item for the National Council to \$24,000.00, the amount asked for. The total budget for the Church's Program, \$85,929.22, was then adopted (p. 119). A considerable argument arose over the inclusion of an item for the Good Samaritan Hospital, Charlotte, but no change was made in the budget.

The Bishop appointed the Committee on the State of the Church as follows: the Rev. Daniel W. Allen, the Rev. J. Howard Thompson, Mr. James E. Simmons, Mr. Isaac D. Thorp, Mr. W. A. Bridges.

The Committee on the Bishop's address reported as follows and the three resolutions attached were adopted.

REPORT OF THE COMMITTEE ON THE BISHOP'S ADDRESS
Convention of the Diocese of North Carolina, May 7, 1946.

I

Your Committee on the Bishop's Address wish to express the sincere appreciation of the members of this, the 130th Convention of the Diocese of North Carolina, to our beloved Bishop for his comprehensive report with its godly and challenging message. It reflects the depth and maturity of a faithful Chief Pastor who has served with discerning mind and willing heart the Church of God in this diocese since his election in this same church twenty-four years ago.

II

Feeling with our Bishop the weighty responsibilities of the Church in our day and the immediate future, responsibilities for the relief of human suffering and hunger and the necessity for rebuilding and strengthening those agencies ordained for the fulfillment of the Great Commission ("Go ye into all the world . . ."), we join our Bishop in commending those who have given so liberally of their time and substance in the cause of Reconstruction and Advance. And we recommend that this Convention concur in and emphasize his request for immediate action on the part of those parishes and missions whose campaigns have been delayed or are incomplete.

III

With reference to our Bishop's request for the action of this Convention in the matter of the standardization of salaries of our diocesan missionaries, your committee recommends the following:

(1) That \$1800 per annum and rectory be established as the minimum salary for an unmarried presbyter in this diocese.

(2) That \$2400 per annum and rectory be established as the minimum salary for a married presbyter in this diocese.

(3) That the Executive Council be instructed to effect the provisions of the two foregoing recommendations of this report, beginning with the fiscal year 1947.

Respectfully submitted,
Carl F. Herman
Ray Holder
Cleveland Thayer

The Rev. Robert Bruce Owens reported for the Committee on Canons. (pp. 138-141.)

The Bishop appointed Mr. Alexander B. Andrews, Mr. Lawrence E. Watt, Mr. Frank Shannonhouse as a committee on the Pension Fund.

The Rev. Ray Holder presented the following, which was adopted by a standing vote:

As an expression of the sincere appreciation of the Bishop, Clergy, lay delegates and visitors to this the one hundred and thirtieth Convention of the Diocese of North Carolina;

Be it resolved that we extend to the Rector, Vestry, committeemen and committeewomen of the Church of the Good Shepherd, to the congregations of Christ Church, Saint Saviour's, and Saint Ambrose, Saint Mary's School and Junior College, Saint Augustine College and the Honorable Mayor of Raleigh, our hearty thanks for their fine hospitality, excellent facilitating of our work, personal favors and generous attention in creating the pleasant and appropriate atmosphere in which this Convention has met.

Mr. Joseph B. Cheshire asked the convention to instruct the Trustees to permit the sale of the church property at Selma for the benefit of Saint Paul's Church, Smithfield. On motion, the Trustees were so instructed.

A special committee on the report of the Trustees, reported as follows:

The Committee, to whom was referred the Report of the Trustees of the Diocese, and the Auditor's Report dated April 19, 1946,

has examined the report and examined the audit as fully as time would permit.

We recommend that the report of the Trustees be received and its action be approved.

Neither the report nor the audit explains the operation of the Diocesan plan for keeping the Mission properties insured. The auditor reports that the Mission Insurance Fund has \$26.00 on hand and accounts receivable from the various missions of \$2,378.88. The Trustees on April 2, 1946, authorized an increase of 25% in the fire insurance carried on Mission properties, subject to approval of the Standing Committee. It is not clear to the Special Committee whence will come the necessary funds for this additional insurance. We note that at the 1945 Convention the report of the Trustees was then adopted. (p.). (The full report is on file with the Secretary of the Diocese.) The Special Committee recommends that the Convention instruct the Trustees, to make to this 1946 Convention a report on this subject.

We are further informed that this recommendation was not brought to the attention of the Trustees until today. We again recommend that the Trustees make a special report on the whole matter to the 1947 Convention.

E. L. Laxton

F. E. Winslow

The report of the Layman's Association was presented by Mr. H. B. Campbell. (p. 135.)

In behalf of the Parish of the Good Shepherd, Rocky Mount, the Rev. Gray Temple invited the convention to come to Rocky Mount for the 1947 Convention. The Convention accepted the invitation with thanks.

To make more effective the recommendation of the special committee on the Bishop's address, the convention went on record as approving the standardization of clergy salaries and instructed the Executive Council to work on this matter and to report at the next convention.

The Convention noted that the Rev. C. E. B. Robinson and the Rev. Homer P. Starr are shortly to leave this Diocese and wished them God speed in their new fields of labor.

Greetings were sent to Mr. Stephen Burroughs who was unable to attend the convention on account of sickness.

The Rev. William J. Gordon spoke on the American Bible Society.

Mr. F. O. Clarkson spoke on Famine Relief and urged full participation in the program.

After the singing of the *Gloria in Excelsis* and the Benediction by the Bishop, the Convention adjourned *sine die*.

Bishop of the Diocese of North Carolina

Rev. Alfred S. Lawrence,

Secretary of the Diocese of North Carolina.

APPENDIX A

ADDRESS AND JOURNAL OF THE BISHOP

Address of the Bishop

Brethren of the Clergy and Laity:

I welcome you to the One Hundred and Thirtieth Annual Convention of the Diocese of North Carolina. As we assemble once more to take counsel of the things pertaining to the Kingdom of God, we are chiefly conscious of the fact that we have come together under the auspices of peace for the first time in five years. This has been a momentous interlude in the history of our Church and nation. After a period of terrible testing, with some significant gains and many immeasurable losses, we are permitted, by God's mercy, to turn away from the destructive science of war to the constructive arts of peace. We shall not soon forget the crucible through which we have passed. In fact, this experience not only forms the background of our recent past but also determines the urgent nature of the work to which we must now set our hands. Out of the pit of the past few years, vast problems have emerged. Some of them are sinister and malignant like the threat of atomic energy and its thought-executing powers. Some are propitious and full of hope like the desire of many people to outlaw war as the arbiter of international disputes. We walk in the midst of shadows where, according to respected scientists, the very existence of humanity is at stake. We also walk in the light of a new day that hopes and wants to believe that man has at last learned the impotence of violence and the necessity of good-will. The threats that surround us, the hopes that sustain us, the problems that quicken the best in us, the opportunities that challenge our highest faculties—these things are the present environment in which we must go to work with a stout heart and a ready will and an unshakable faith in God. In one sense, we are grateful to say, "Our warfare is accomplished." In another sense, it has just begun.

We are happy to meet this year in such a parish as this. The history of the Church of the Good Shepherd, the consistent character of its Christian witness through the years, the exceptional ability of its Rectors from its organization until now, the sincerity of its lay personnel, comprise some of the reasons why this parish occupies a position of leadership in the Diocese. Under the influence of this stimulating environment, it should be easy for us to adopt a balanced plan of action to meet the challenge of the coming year.

An examination of the roll of this Convention will reveal the presence of both clergymen and laymen who, until recently, have been serving in the armed forces of our country. We welcome them back with all our hearts. We thank God for their safe return from posts of danger. We feel strengthened by this new infusion of youth that has been seasoned by exposure to life's realities and made fit for high service by stern disciplines. The veterans of the Church's warfare who have stood loyally at their posts of duty during these testing years are relieved and gladdened by the reinforcement of our Church's manpower. We trust that the new skills these sons of our Diocese have acquired, their new grip upon the simple truths of the Christian religion, their deeper sense of the reality of the unseen, their firmer convictions concerning man's dependence upon God's mercy and enabling power, will be dedicated and humbly offered to God for His use, just "as He wills, and when, and where."

NECROLOGY

In my Convention address of last year, I spoke of the Rev. John Forry Hamaker, retired Priest of this Diocese, whose death occurred March 15, 1945.

I must speak now of another Presbyter, the Rev. Frank DeVinney Dean, who died in Greensboro July 19, 1945, after a long illness. Dr. Dean was a native of Virginia. He was educated first for the medical profession

at Tulane University, and later for the Ministry at the Virginia Theological Seminary. He was ordained by Bishop Darst, and spent most of his ministry as a missionary in the Diocese of East Carolina. He came to this Diocese in 1932 as the Rector of St. Timothy's Parish, Wilson. His last charge was Trinity Church, Mount Airy, where he served until August 1, 1939, when he retired on account of physical disability. Dr. Dean's chief contribution to the Church was as a leader of young people among whom he was a popular instructor in the early days at Vade Mecum. He is also gratefully remembered by the inmates of State Prison, where he was a frequent and friendly visitor. His ministry to those in trouble and his sympathy for all offenders against society were in the spirit of Him who said: "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

We pause here long enough to pay respectful and affectionate tribute to these three faithful servants of God who have given the ripest years, and in the case of Mr. Owens, all the years, of their ministry to the Church in this diocese. We thank them for their labors, and for the good example of their steadfastness in the faith. We shall remember their constancy in the Master's service. We shall try to imitate their unweariness in well-doing. We pray that God will enfold them in His mercy as their "golden evenings brighten in the west."

SUMMARY

The summary of my official acts is as follows:

Within the diocese, I have made 119 Visitations, Celebrated the Holy Communion 45 times; 665 persons were confirmed by me, 3 by the Rt. Reverend Robert E. Gribbin, D.D., and 12 by the Rt. Rev. Bravid W. Harris, D.D. Of the 680 persons confirmed, 104 were Negroes, and 8 were Deaf.

I baptized 5 infants, officiated at 4 funerals, 6 weddings and 28 other services. I ordained 4 Candidates for Holy Orders to the Diaconate and advanced 4 Deacons to the Priesthood; licensed 52 Lay Readers; preached 88 times, and delivered 50 addresses and lectures; attended 79 committee, board and trustee meetings, and conferred with 153 individuals and groups.

I organized St. Cyprian's Mission, Oxford, St. Matthew's Mission, Edgecombe County, Grace Mission, Lawrence, Ascension Mission, Davie County, and St. Matthew's Mission, Rowan County; dedicated a new parish house of St. Mark's Mission, Wilson.

Outside the diocese, I officiated at one funeral, one wedding, preached eight times, delivered two lectures, held three conferences, officiated at the Consecration of three Bishops, attended a meeting of the Joint Commission on Social Reconstruction in Washington, a meeting of the Provincial Department of Missions in Atlanta, a meeting of the House of Bishops in Birmingham, Alabama, and meetings of the American Church Institute in New York.

RECONSTRUCTION AND ADVANCE FUND

I spoke to the Convention last year about the Reconstruction and Advance Fund. The supreme importance of this nationwide movement calls for further consideration. The diocese organized for this urgent missionary effort last May under the highly competent leadership of the Rev. James S. Cox and Mr. Thomas Rice. The final phase of the campaign was ably directed by the Rev. M. George Henry, Chairman of the Department of Promotion. Reports on the progress of this Fund will be submitted to this Convention. The results so far achieved in many places are highly gratifying and reveal an intelligent grasp of the missionary program of our Church and the serious extent to which it has been impaired in war-devastated countries. There are, however, several parishes and missions where this movement is now under way, or has not yet been undertaken. I feel the necessity of urging these congregations to complete this task as soon as possible, and with a maximum degree of generosity. This is our direct contact with multitudes of destitute people in many theatres of war. Hunger is one fact that does not call for argument. It calls for relief, immediate, spontaneous and generous. The Presiding Bishop says that the Reconstruction and Advance Fund is the response of the Church to God's purpose for a post-war world. It is hard to avoid the use of superlative language in speaking of this Fund. This has been the most destructive war of history. The human suffering that has followed in its wake is vast beyond all precedent. The opportunity for the Christian Church to rebuild a shattered missionary structure, to recover lost hopes, and most of all, to save from starvation the uncounted masses of people who lack the simple necessities of life—these are the reasons why I say that this is the most important money-raising effort of the Episcopal Church in my lifetime.

ARMY AND NAVY COMMISSION

An important activity in this diocese, extending over four years and terminating last fall, was the entertainment of service men, particularly by parishes and missions in the proximity of military establishments. This was a simple and friendly gesture in behalf of the Church towards the men in uniform. The programs varied in different localities. Some parishes supplied sleeping accommodations, some meals, some social gatherings with young people. All of them offered a wholesome environment, a touch of home-life, a personal interest in the individual, and a welcome to the services of the Church. Grateful letters from parents and ex-service men certify to the value of this informal but vital ministry. The cost in time and money was cheerfully borne by the local congregations. Their contributions were supplemented by the Army and Navy Commission in the total sum of \$7700. This Convention, I am sure, will want to express its appreciation for the Commission's generous assistance that enabled the Church in North Carolina to contribute somewhat to the moral and spiritual life of the uniformed stranger in our midst.

CAMP DELANY

One of the most significant events of the past year was the purchase by the diocese of a Camp and Conference Center for the use of our Negro congregations. This is an eighty-acre tract of land located about twelve miles from Raleigh. So far as I know, similar projects have not been undertaken by any other southern dioceses. The well-considered purpose that underlies this venture is to provide a suitable training ground, under Church auspices, for the Negro youth of North Carolina. Fifteen years of experience at Vade Mecum have demonstrated the almost uncalculable value of systematic instruction for our boys and girls in the elements of the Christian religion and in the responsibilities of real churchman-

ship. We anticipate for Camp Delany—for so it is called at present—an equal measure of influence in producing well-furnished leaders among our Negro brethren. Perhaps it will become a recruiting ground for the ministry of our Church. In saying this, I am aware of the reproachful fact that I have not ordained a Negro Candidate for Holy Orders since 1933. I emphasize the fact that Camp Delany is not a separate venture of the colored parishes and missions, but a diocesan project, already included in our diocesan educational program, in the thorough development of which we may all share a feeling of gratification.

STANDARDIZATION OF SALARIES

It would be helpful, in my judgment, if this Convention would consider the adoption of a general policy with regard to the salaries of our diocesan missionaries. I refer especially to the importance of fixing minimum stipends for both married and single clergymen. Such a standardization of salaries would give a greater measure of stability to the economic life of our clergy. This would afford a freedom from financial anxiety which would result in greater proficiency and an undistracted devotion to the higher functions of their sacred calling. The present practice is for the diocese to appropriate from its funds a varying amount from year to year, which is supplemented by local contributions up to a point that, we hope, is sufficient, but in many cases, is barely more than subsistence. While this plan has worked fairly well, with some exceptions, over a period of years, I believe that it could be improved. My suggestion is that this improvement should originate with this Convention by the formal approval of a policy which would represent an effort to express in monetary terms the value that this diocese attaches to the services of its missionaries. Whatever figure might be agreed upon as a minimum would not be an unqualified guarantee in all cases and under all conditions,

but a standard of income, the level of which, we hope, would be elevated rather than lowered in years to come as the ordained ministry of the Church is compensated to a degree that corresponds more nearly to the value of its services to a community.

CONCLUSION

Finally, my brethren, as we now proceed to give an account of our stewardship for the year just passed, let us be seriously conscious of our trusteeship for the year that lies ahead. I do not have to remind you that now is a day of destiny. While the implements of war have been stacked, the spirit of war has not been scotched. The fever of conflict has been allayed, but the disease of selfishness has not been cured. We are conscious of class antagonisms, social cleavages, group rivalries, national sensitiveness and suspicion. If we were disposed, like cynics, to insist upon the inevitableness of war, the incurable possessiveness of human greed that will always lust for power and economic gain, if we look upon human nature as fashioned by necessity to be forever bad, then the only logical conclusion at which we could possibly arrive is that civilization is doomed, and that man, the noblest work of God, is on the verge of self-obliteration. This is the depressed and almost defeated atmosphere in which the Church must do her work. But, strange as it may seem, the Christian faith has never been daunted by discouragements that are utterly insuperable to the faithless man. For there is an invincibility in Christ of which His followers partake. In His strength, which is more than human, they become more than conquerors. The Christian is humble, but he is not fearful. He is distrustful of self, but he is sure of God. In this confidence, he faces the bewildering but hopeful trusteeship for tomorrow.

Faithfully yours,

EDWIN A. PENICK,

Bishop of North Carolina

REPORT OF DIOCESAN EXECUTIVE COUNCIL

During the past year the Executive Council of the Diocese has met four times, in June, October, January, and April. The membership of the departments as appointed by Bishop Penick has been as follows:

FINANCE: Messrs. William H. Ruffin, Chairman, Stephen E. Burroughs, and George L. Irvin, Jr.

MISSIONS: Rev. Fred B. Drane, Chairman, Rev. O. D. Stanley, Mr. D. Edward Hudgins.

CHRISTIAN EDUCATION: Rev. Henry Johnston, Chairman, Rev. R. Emmet Gribbin, Jr., Mrs. E. G. Peoples.

CHRISTIAN SOCIAL RELATIONS: Mr. F. O. Clarkson, Chairman, Rev. O. D. Stanley, Mrs. John W. Huddle.

PROMOTION: Rev. M. George Henry, Chairman, Rev. R. Emmet Gribbin, Jr., Mr. D. Edward Hudgins, Mr. Kemp D. Battle.

YOUTH: Rev. D. W. Yates, Chairman, Rev. Gray Temple, Mrs. Henry C. Bourne.

One of the actions of the Council during the year was on a matter referred to it by the last diocesan convention, the need of repairs and improvements to St. Mary's Student Center at Woman's College of the University of North Carolina at Greensboro. This need was met by an additional disbursement from the Church's Program Fund of \$3,736.68, which was paid out of the balance of \$4,848.45 that existed in this fund at the end of the fiscal year, Jan. 31, 1946. The Woman's Auxiliary and other sources also helped.

The remainder of the cash balance in the Church's Program Fund, \$1,111.77, was placed in the Church's Program Reserve Fund. The balance of \$4,284.37 in the Episcopal Maintenance Fund at the end of the fiscal year, Jan. 31, 1946, was placed in the Episcopal Maintenance Reserve Fund.

The rate of assessing parishes and missions for the Episcopal Maintenance Fund for this year was reduced from nine per cent to seven and three-quarters per cent of current operating expense, due chiefly to an increase in the amounts spent by churches for current expenses.

The quotas assigned to churches for the Church's Program Fund were arrived at by averaging three factors: (1) fifty per cent of each church's current operating expense for 1944, (2) \$5.50 per member if a parish, \$2.75 if an organized mission, and \$1.25 if an unorganized mission, and (3) the church's average annual giving to the Church's Program Fund during the last three years. This is the most equitable formula that has yet been devised and it has been used in the Diocese for about ten years.

At the time of the Council's last meeting, April 24th, \$72,000.00 had been raised in the Diocese for the Reconstruction and Advance Fund.

The Secretary or the chairmen of the several departments of the Council will be glad to answer any questions in regard to the year's work.

Respectfully submitted,
DAVID W. YATES, *Secretary,*
Diocesan Executive Council.

REPORT OF CHANCELLOR

The Chancellor begs leave to report that during the past year no contested matters have come before him for a ruling.

As heretofore, there were several inquiries, both by clergy and laymen asking the law, which were answered by a citation to the Canons of either the General Church or of the Diocese.

An inquiry from a parish which had been left a very considerable legacy, who wished to know who would make affidavit to prove the corporate existence of the parish, was answered by the organizations to hold property through trustees, and that "the wardens chancellor and vestry" of the parish complied with the provision of law.

Respectfully submitted,
ALEXANDER B. ANDREWS.

REPORT OF THOMPSON ORPHANAGE

It is with sincere gratitude to the benefactors of the Thompson Orphanage that I am again able to bring you a report that reflects your loyal support. This support has resulted in a program of achievement and advancement, placing our institution in a position to give our children a well balanced life now and to prepare them to meet the daily tasks of life.

The Orphanage continues to receive many calls for boarding home care. From experience we have found that this type of child can be cared for in a licensed boarding home, while we prefer to limit our care to destitute children. The following outline shows in detail the children cared for in 1945:

The Entire State, Capacity...	90	Diocese of N. C., Quota	56
Total cared for	90	Total cared for	57

During the school year 1944-45 we had seventy-five children enrolled in the Charlotte Public Schools. I am happy to report that all of our children were promoted to a higher grade—this being the third consecutive year of no school failures. Both the children and matrons are to be commended for their interest and effort in improving our school record. Our children are beginning to realize the importance of education in obtaining a worthwhile job and position in life. Of the three girls who graduated, two qualified for the United States Cadet Nurse Corps, and entered training in September, 1945.

Miss Dorothy Killian, the Orphanage nurse, with the help of Dr. Hipp and Dr. Adams, takes care of our children in the infirmary except when their illness is serious enough to require hospital care. St. Peter's Hospital Foundation pays for all our hospitalization and the children's dental work is done at the Memorial Hospital Dental Clinic.

The year 1945 brought many improvements and additions to the Orphanage plant. The most outstanding addition was the construction of a central kitchen and a complete freezing unit. A large unused room in the administration building was converted into a central dining room, which seats the entire Orphanage family. Each table accommodates one matron and nine children and the

meals are served family style. All the dining room work is done by the girls. Our dietician, Miss Ann Locke, is responsible for planning the meals and supervising their preparation. Needless to say, the dining room is the most popular place on the campus. During the summer months the girls place many fresh vegetables and fruits in the freezing unit and we are able to enjoy them through the winter.

In September, 1945, the Orphanage purchased Cedarbrook Farm consisting of one hundred sixty-nine acres. We hope to develop this farm in a way that will be beneficial to our program. At present we have on the farm pigs, chickens, and twenty-five acres of grain. The farm has ample pasture to take care of our young dairy cattle and enough beef cattle for our meat supply. The orchard consists of ninety trees in an assortment of peaches, plums, pears, pecans, apples, cherries, quince, figs, and some grape vines. The orchard was planted in 1942 and will not come into production for at least two years.

A lake site at Cedarbrook has been surveyed and cleared for a five acre lake. During the coming summer we hope to construct a dam and stock the lake with fish.

There is an old house located near the lake site which we want to convert into a camp for the boys and girls to be used in connection with a recreation program.

The purchase of Cedarbrook was made possible by the use of the balance of the East Carolina Building Fund.

Our buildings are in a good state of repair. The Infirmary and Kenan were painted on the outside during the fall. All the roofs and gutters receive constant attention to keep them in good repair. Much work has been done to the heating system. A new laundry boiler was installed. Metal window guards were placed on our buildings. All the study halls have been equipped with fluorescent lighting.

The cultivation of our farm increases daily in interest and importance to the training program here at the Orphanage. During the year our boys entered eight registered Jersey calves in the Piedmont Dairy Show. All of these calves won a ribbon. Six calves were entered in the Southern States Fair where three won ribbons. Each boy fitted and conditioned his own calf for the shows.

In 1945 we produced 11,036.8 gallons of milk. This gave us our own milk supply plus a surplus which we sold for \$1,892.26. The total value of food produced on the farm in 1945 was \$10,099.75. During the summer we constructed an additional lounging barn making a total of three large barns here on the Orphanage prop-

erty. This barn completes our unit, giving us ample room to care for our dairy herd. Our dairy has an "A" grade rating.

The Orphanage is in a position to go forward in its work of caring for homeless children, but it depends wholly upon the continued support of the Episcopal Church in North Carolina.

Respectfully submitted,

M. D. WHISNANT, *Supt.*

Campaign

The Centennial Campaign effort has continued. Total contributions to date are approximately \$200,500, an increase of \$43,000 over the amount reported at the last convention. Of the total about \$5,000 remains uncollected, and the estimated amount uncollectible is only \$2,000. U. S. Bonds in excess of \$100,000 have been purchased from Campaign funds, and \$41,300 of U. S. Bonds, at purchase price, have been received in payment of contributions. The gift of \$40,000 by Mr. Roger Gant has given your trustees renewed confidence that the additional funds necessary to complete the development program will be forthcoming. Preliminary esti-

mates indicate that funds on hand are sufficient to provide the new heating plant and laundry, new kitchen equipment and dormitory furnishings, and to landscape the front campus, but funds are still needed for the dormitory and classroom buildings. Until these are assured, other desirable improvements cannot be undertaken.

During the 1945-46 session the school again operated at capacity—236 Resident Students and 74 Non-Resident Students. Resident Students are from 19 states: North Carolina 135; Virginia 27; South Carolina 24; Florida 10; Georgia 8; Alabama 6; West Virginia and Pennsylvania 4 each; Tennessee and Washington, D. C., 3 each; Kentucky and New Jersey 2 each; and one each from Connecticut, Texas, Ohio, Rhode Island, California, Oklahoma, Louisiana, and New York.

A capacity enrollment of Resident Students is already assured for the 1946-1947 session. As of March 27, 1946, 254 applications had been received of which 140 were returning students and 114 coming to Saint Mary's for the first time.

The religious affiliations of the student body, exclusive of Special students, for the 1945-46 session were as follows: Episcopalian 143; Methodist 63; Presbyterian 38; Baptist 28; Christian 4; Disciples of Christ and Greek Orthodox and Moravians 3 each; Lutheran and Roman Catholic 2 each; Congregationalist, Jewish, and Reform 1 each; not designated 3.

The student body has again this year cooperated in the War Fund, Red Cross, and old clothes campaigns, and has met its quota of \$1,060 for the Reconstruction and Advance Fund. The religious activities have been supplemented this year by the organization of the Women's Auxiliary.

A condensed balance sheet indicating the financial condition of the school as of June 30, 1945, is attached.

Respectfully submitted,

EDWIN A. PENICK, *President*,
Board of Trustees.

REPORT OF THE MURDOCH MEMORIAL SOCIETY

At the request of the Bishop the Society authorized the granting of three loans to Tom Turney Edwards, L. Bartine Sherman and George Stackley Hurst, each in the amount of Two Hundred Dollars. No meetings have been held, but the members have been contacted by mail.

(The financial report of the Society is on file with the Trustees of the Diocese.)

REPORT OF THE TRUSTEES

There is submitted herewith an audit of the financial transactions of the Trustees for the year ending January 31, 1946 made by William Russ & Company, certified public accountants of Raleigh, N. C.

There is also transmitted herewith a copy of the minutes of the meetings of the Trustees held since the convention of 1945.

The assets of the combined trust fund held by the Trustees on January 31, 1946 are as follows:

Cash on Deposit	\$ 7,554.50
Stocks and Bonds	62,096.77
Mortgage Notes	3,210.83
Advanced to Bishop's Discretionary Fund	400.00
Advanced to Emma Karrer Fund	6,200.00
<hr/>	
Total	\$79,462.10

The assets of the Murdoch Memorial Fund held by the Trustees on January 31, 1946 were as follows:

Cash on Deposit	\$ 2,642.87
Stocks	11,545.37
Bonds	4,699.87
Mortgage Notes	1,125.00
<hr/>	
Total	\$20,013.11

The stocks and bonds are reported at their book value. In the Murdoch Memorial Fund there were also Student Loan Notes amounting to \$3,850.00 in addition to the securities listed, but these notes are not carried as assets of the Fund.

The Trustees have recently declined an offer of \$11,000.00 cash for the Emma Karrer property, 117 South McDowell Street, Raleigh, upon the advice of a reliable real estate man that the offer was inadequate.

This report does not purport to be anything more than a general summary of the assets of the funds in the hands of the Trustees. The details of the various funds in the hands of the Trustees can be ascertained from the detailed audit report of these funds.

Respectfully submitted,

EDWIN A. PENICK, *Bishop*

REPORT OF THE BOARD OF EXAMINING CHAPLAINS

The Board of Examining Chaplains met on November 14th, 1945 at the Parish House, Chapel Hill. Present of the Chaplains were the Rev. Messrs. Edgar H. Goold, I. Harding Hughes, M. George Henry, Craighill Brown, David W. Yates, and Alfred S. Lawrence. John William Drake, Jr. and Robert Charlton Baird presented themselves for examination under Canon 28. Both passed satisfactorily all that is required for Deacons and also much of the Examination for Priests. The results were reported to the Bishop.

On May the 2nd, 1946, the Board again met at Chapel Hill. The examiners present were the Rev. Messrs. Edgar H. Goold, M. George Henry, Craighill Brown, David W. Yates and Alfred S. Lawrence. The Rev. Messrs. John William Drake and Robert Charlton Baird were examined in the remainder of Priest's subjects. They passed satisfactorily and they were so certified to the Bishop. As soon as the stated sermons are handed in to the Bishop they will be ready for ordination to the Priesthood.

Thomas Lawson Cox, Clarence Hobgood, and John Paul Carter, candidates, were examined for Deacon's Orders. Lawson Cox passed the examination of Canon 28, sec. 2. Clarence Edward Hobgood satisfied the same requirements by presentation of work done and by examination. Mr. Hobgood has served as an Army Chaplain for the last four years working under the Baptist Church. He was instructed to prepare a paper in accordance with Canon 28, sec. 1 (c), and this done, he will be ready for Ordination to the Diaconate. John Paul Carter was found to be insufficiently prepared. He does not graduate from the Seminary until early in 1947. He has been instructed to return for examination in November of this year. May 2, 1946.

REPORT OF ST. AUGUSTINE'S COLLEGE

During the past year 337 students including 59 Special students from the St. Agnes School of Nursing have been enrolled in the college, coming from 20 states and 4 foreign countries. This enrollment represents an increase of about 25% in students taking a full college course—the largest number ever enrolled in the college, in spite of the comparative scarcity of young men due to post war conditions. Fortunately the college has not converted its Men's Dormitory into quarters for young men so that there will be room for more veterans as they come to the campus.

The aim of the college is to be increasingly selective in its admission of students so that character and scholarship rather than numbers may be our objective. Plans are being made for an in-

crease in the faculty and for a more extensive Physical Education and Athletic program. Our new departments of Commerce, Physical Education and Music are bearing fruit as several Teaching Certificates will be issued this year to those who have specialized in these subjects.

The religious life of the college has shown considerable vitality. The Bishop at his recent visitation confirmed a class of 20. About 15 new members have recently been admitted to the Brotherhood of St. Andrew. The Lenten Offering for Missions amounted to almost \$400. The College Chapel expects to contribute about \$800 to the Reconstruction and Advance Fund. In all about \$1500 will be given this year toward the work of the Church outside the immediate community.

Numerous conferences have been held on the campus during the past year. Last June the Annual Conference for College and Church Workers was held with a limited attendance due to O. D. T. regulations. The Colored Diocesan Branch of the Woman's Auxiliary met with us last fall, as did the State Conference of Domestic Science Teachers. The State Conference for Negro Welfare Workers as usual met on our grounds as did the Conference of the Crown and Scepter High School Honorary Scholarship Society which is fostered by the college. The North Carolina College Conference of Episcopal Students met at St. Augustine's for the first time. About 80 were in attendance and worshipped in our chapel with our student body. A St. Augustine's student was this year President of the Conference.

St. Augustine's had student representatives at the Fort Valley College Center Conference for prospective Church Workers and at the Conference for Applied Christianity held at Durham and the Student International Relations Conference held in Raleigh.

The college has continued to furnish office quarters for a special consultant in the field of Health and Physical Education with the State Department of Public Instruction.

St. Augustine's College like all other Institutions of its kind faces many post war problems and opportunities. We trust that we shall have the interest and support of our Church in this Diocese and in the Nation at large in our effort to meet them.

Respectfully submitted,

EDGAR H. GOOLD, *President*

REPORT OF THE WOMAN'S AUXILIARY
Diocese of North Carolina

It is the purpose of the Woman's Auxiliary, Diocese of North Carolina, to live up to that beautiful word *Auxiliary* in its fullest sense. We hope that you, the men of the Church, have felt its im-

pact in two very particular ways during the past year—both efforts, on our part, educational. The first, our cooperation with your Department of Promotion in arousing interest in The Church's Program; the second, our educational campaign in preparation for the Reconstruction and Advance Fund. We have also tried to be Auxiliary to your departments of Christian Social Relations, Christian Education, Missions, Youth and Finance. The latter in two ways; one, by contributing to your regular work; two, by helping answer needs that arise after the budget is made. To the former, we contributed \$1700 in 1945; to the latter \$500 to assist in repairs at St. Mary's House, Greensboro. Evidence that we expect to continue this policy was given when, at our recent Annual Meeting held in St. Timothy's Church, Wilson, we voted to give \$500 in 1947 toward your effort to raise the increase in the Church's Program Fund requested by the National Council.

There was evident at this meeting the trend of the thinking of the Church woman of to-day. From the subject chosen—The Mission of the Church, A Power for Peace—to the resolutions passed, and action taken, it was clear that she is ready to accept the challenge of her task, fully realizing that Church membership includes Christian citizenship.

The new officers installed at this meeting were:

President—Mrs. H. C. Bourne, Tarboro

Vice President—Mrs. Irving Carlyle, Winston-Salem

Secretary—Miss Dolores Pitt, Tarboro

Secretary of Christian Education—Mrs. J. W. Huddle,
Chapel Hill

It is our pleasure to present to you as our choice for a nominee to the Executive Council the name of Mrs. E. F. Lucas of Greensboro.

The following women were chosen as delegates to the Triennial Meeting to be held in Philadelphia Sept. 10-20, 1946.

Mrs. H. C. Bourne, Tarboro

Mrs. Peter Hairston, Mocksville

Mrs. F. O. Clarkson, Charlotte

Mrs. J. W. Huddle, Chapel Hill

Mrs. U. T. Holmes, Jr., Chapel Hill

The activities of the president for 1945 were much the same as for the other two years of her administration, and consisted in directing the Woman's Auxiliary Conference at Vade Mecum, attending and addressing all District Meetings, conducted several training institutes, attending the Provincial Executive Board Meeting in Atlanta, attending meetings of the diocesan Executive Council, the Department of Christian Education, our own Executive Board and visiting as many auxiliaries as possible.

The message published after the last Triennial, known as "We Accept Our Task," is as true to-day as when it was written nearly three years ago:

"The task is not easy for we are confronted with a world-wide vision of a world-wide need. . . . Men and women must be raised up for the ministry of peace."

"How dear is Peace? . . . What are we willing to pay for Peace? Even as America must assume a place of leadership among the nations of the world, so must we Christian people accept responsibility to proclaim the redeeming power of Christ and show forth in every area of our lives obedience to His teaching . . . for the healing of the nations and the building of the brotherhood of man." (Quoted from Woman's Auxiliary leaflet—The Cost of Peace.)

LEAH GRAVES PEOPLES

ANNUAL REPORT OF VADE MECUM CAMPS AND CONFERENCES TO THE DIOCESAN CONVENTION FOR THE YEAR 1945

The 1945 season opened on June 8 and continued through August 25. The program included the following: Young Peoples Service League Convention, Camp Cheshire Senior for boys, The Laymen's Conference, Camp Penick Senior for girls, Camp Cheshire Junior for boys, The Leadership Training Conference for church school teachers, The Woman's Auxiliary Conference, Camp Penick Junior for girls, The Diocesan Youth Conference.

Because of Governmental restrictions from the Office of Defense Transportation, the Y. P. S. L. Convention, and all conferences (excepting the Diocesan Youth Conference) were limited to 50 persons. The total attendance for the season was approximately 625 persons. The camps for girls and junior boys had long waiting lists.

This year we followed closely the pattern for program and operation of the camps and conferences which had been instituted by our predecessors. We were fortunate in having outstanding leaders as members of the faculties and directors of the various camps.

Few changes were made on the grounds or in the program.

The Reverend Robert W. Turner of Walnut Cove was in charge of the program. This was an innovation in the general set up of the camp administration.

We faced great difficulty with the war time restrictions on food, however, we were fortunate in having enough beef, veal and poultry on the farm to satisfy our needs. All who attended seemed pleased with the meals.

At the conclusion of the camp season, and at the request of the Winston-Salem Foundation, we diligently began working on a

twenty-five year expansion program. The foundation retained a landscape architect to direct this planning. The entire Diocese should be grateful to them for this forward step.

Now, with some experience, the management and the Vade Mecum Committee looks forward to an even greater season in 1946.

REPORT OF THE HISTORIOGRAPHER

To the Convention of the Diocese of North Carolina:

During the past year biographical information has been furnished Rev. William Way, rector of Grace Church, Charleston, S. C., concerning the Rev. William W. Spear, one-time rector of Grace Church. Also, facts on the life of the Rev. Solomon Halling have been supplied Dr. George W. Lamb, Librarian of the Church Historical Society. Mr. Halling was one of that small band of clergy who attempted to organize a diocese in this state during the years 1790 through 1794.

A few additional lists of men in service have been received from the clergy. Now that the war is over I hope these lists will be brought up to date, and that those parishes which have not sent in a roll of their men will do so in the near future.

Respectfully submitted,

LAWRENCE F. LONDON,

*Historiographer of the Diocese
of North Carolina*

REPORT OF COMMITTEE ON CHURCH PENSION FUND

The Committee on Church Pension Fund report the most satisfactory year in its history, as all assessments by congregations have been paid in full to December 31, 1945.

The only unpaid assessments due on any clergyman are as follows:

CONGREGATIONS

\$127.63, together with \$142.27 interest to March 31, 1946 on unpaid assessments for 1930, 1931 and 1932, due by a mission congregation in East Carolina, from which he transferred.

This instance will hardly occur in the future, as now most bishops decline transfers where there exist unpaid assessments, either of congregations or non-parochial.

NON-PAROCHIAL

There are two non-parochial accounts, aggregating \$926.25, together with \$403.42 interest to March 31, 1946, which are individual to the clergyman, and not a Diocesan matter, other than a deep regret.

One account is for \$506.25 on non-parochial arrears for 1933-1939, together with \$319.97 interest (increases \$39.85 each year).

Since 1939 this clergyman has been in charge of a mission church in the Diocese of Washington, whose bishop has consistently declined, on account of this arrearage, to accept the letter of transfer.

As the clergyman has now passed 60 years of age, the Church Pension Fund cannot accept the arrearages, as it would be a selection of an impaired physical risk, which is forbidden by State law regulating life insurance, under which the fund is operated.

The other non-parochial account is for the years 1940-1945 aggregating \$420.00, together with \$87.05 interest.

BENEFICIARIES

Attached hereto is a roll of beneficiaries consisting of six clergymen (4 age and 2 disability), fifteen widows and three orphans, which aggregate \$11, 116.20 paid out of these assessments. Also there are two widows, aggregating \$660.00, which are receiving benefits out of terminating funds, making a grand total of \$11,716.20.

REPORT OF THE DEAF MISSION IN THE DIOCESE OF NORTH CAROLINA
To the Bishop and the 130th Annual Convention of the Diocese of
North Carolina:

It was reported to you last year that there were regular visits being made to the State School for the Deaf by the Diocesan Missionary to the Deaf with the hopes that there would be an increase in the participation in the Church life in the home communities by the younger Deaf. This has proven to be more than a vain prophecy, and the results of this phase of the work has been most encouraging.

The personal contacts and services to the Deaf have been expanding which convinced your missionary of the eagerness of the Deaf to have a point of contact whereby there is an appreciation from the standpoint of the hearing as well as of the Deaf. The opportunity for contacts has been greatly enhanced, and more intimate knowledge of the workings of the Deaf School and the needs and desires of all the Deaf has been gained through closer relationship by having been appointed a member of the Board of Directors of the State School for the Deaf.

This Diocese still holds the unique position of being the only one in which there are two Church buildings used exclusively by the Deaf, Ephphatha Church in Durham being owned by the Diocese, and St. Athanasius being the property of Holy Comforter, Burlington. There have been extensive improvements made at Ephphatha Church by landscaping, and the installation of a new heating plant which we are pleased to say has been paid for.

During the past year there have been 92 services conducted of which 60 services of Morning and Evening Prayer attended by 2,473 persons, 32 celebrations of the Holy Communion with 637 persons receiving, 3 baptisms, 3 funerals, 3 weddings, and 8 candidates for Confirmation being presented, and participated in 10 services for the hearing, and directed Camp Cheshire Sr. at Vade Mecum. In carrying out this work it has necessitated traveling over the highways of North Carolina 13,500 miles.

The many courtesies and expressions of interest on the part of both the clergy and lay-people has been a help and inspiration, and is greatly appreciated.

Respectfully submitted,

JAMES R. FORTUNE,

Missionary to the Deaf.

REPORT OF THE EPISCOPAL LAYMEN'S ASSOCIATION

On October 28, 1945, at the instance of Mr. Cleveland Thayer, Diocesan Keyman, a large and interested group of Episcopal Laymen of our Diocese attended a meeting at the Church of the Holy Trinity in Greensboro. At that time, Mr. Thayer's resignation as Diocesan Keyman was accepted with regret and he was given a standing vote of thanks and appreciation for the splendid service he had rendered the church and the Diocese during a period when his service counted much.

Hugh B. Campbell, of Charlotte, was nominated and elected Diocesan Keyman.

The Association promoted and held a Laymen's Conference during one weekend at Vade Mecum while the senior boys' camp was in session. The Laymen for many years through the splendid leadership of Mr. C. A. Tucker of Warrenton have raised funds to assist in providing scholarships for deserving boys who wish to attend camp at Vade Mecum and for the negro boys at Camp Delaney. At the present time, the Laymen have \$443.00 in the bank towards the furtherance of this work.

The Chapel of Thanks project has continued to receive backing and assistance from the Laymen. It is reported that much of the stone has been brought to the site and it had been hoped that the actual work of construction could be completed for the June conference. Recent building restrictions, however, have presented an obstacle which may prevent this goal being obtained.

Mr. W. Ted Gannaway of Orangeburg, S. C., is our Provincial Keyman. He is doing a splendid job and is well-known to many of the Laymen of the Diocese. He attended the meeting in Greensboro on October 28, 1945 and made an inspiring address.

The Advent Corporate Communion for men and boys was again sponsored by the Laymen's Association as a part of the national program which was sponsored by the Presiding Bishop's Committee on Laymen's Work. Complete reports were not received from all parishes but the parishes that did report showed a large attendance. It is hoped that this project will grow each year until it will become one of the outstanding events in the life of each parish. The special gifts received on this occasion were used by each parish as the parish saw fit.

The Negro Laymen have held two inspiring meetings under the leadership of their Keyman, Dr. E. E. Blackman of Charlotte. The first of these meetings was at St. Stephens Church, Winston-Salem, on December 2, 1945, and at that time Rev. J. H. Thompson, Rector of St. Ambrose Church in Raleigh, delivered a grand sermon. Judge DeLaney of New York City, the son of our own late Bishop

DeLaney, was present and spoke a few words to the Negro Laymen. The second meeting of the Negro Laymen of the Diocese was held at the Church of St. Michael and All Angels in Charlotte, on Sunday, March 24, 1946. A large and enthusiastic group of Negro Laymen from all over the Diocese was present. The highlight of the meeting was the sermon of Bishop Penick. Another feature of the occasion was the singing of the negro choir from Johnson C. Smith University. The Negro Laymen are making great strides towards the development of their camp, Camp DeLaney in Wake County. Their plans are progressing nicely and they hope to have the camp open this summer for various conferences and youth camps. St. Martin's Church, Charlotte, devoted its special Easter offering this year to the furtherance of Camp DeLaney for the negroes. This resulted in a gift of more than \$400.00 to this project.

Keymen from the various Dioceses in the Fourth Province met at Kanuga in June, 1945. At that time Rev. Wilburn C. Campbell, Executive Director of the Presiding Bishop's Committee on Laymen's Work, was present. Our own Diocese was represented by H. B. Campbell, and W. B. Stover, both from St. Martin's Church. The conference was so successful that those attending voted unanimously to have another one at the same place for 1946. The conference will be held from June 7 to June 10. The cost will be \$7.00 and the Director will be Mr. W. Ted Gannaway, Provincial Keyman. Every Layman of the church is cordially invited to attend and it is hoped that the Diocese will be represented by several members from each parish and certainly by the Keyman from each parish or some delegate named by him. The Diocesan Conference for Laymen will be held this year on the weekend of June 15th at Vade Mecum. At this time the senior boys' camp will be in progress and it is hoped that this year will mark the greatest attendance of Laymen that have ever attended.

The Diocesan Keyman is endeavoring to create an organization in the Diocese in accordance with plans and suggestions of the Presiding Bishop's Committee on Laymen's Work. With the active assistance of Bishop Penick, this organization is gradually taking shape. The Diocese has been divided into districts which correspond with the districts used by the Women's Auxiliary. A Keyman is being appointed for each district and this Keyman will, in turn, be responsible for the appointment of a Keyman in each parish. This organization will then be in a position to disseminate quickly and easily news and information to each Layman in the Diocese. The work of the Laymen can be co-ordinated and their work in assisting the Rectors and the Bishop should be greatly strengthened.

The Department of Christian Education is working closely with the Episcopal Laymen's Association. Mr. H. B. Campbell is a representative on that body and that body has included in its budget an appropriation for the furtherance of the work of the Episcopal Laymen's Association. It is hoped that this appropriation will defray some of the expenses incurred in furthering the work of the Episcopal Laymen's Association, and that the effect thereof, through stimulating the activities of the Laymen of the church, will many times repay the expenses incurred.

The Laymen who have been called upon to serve in any capacity in furtherance of the work of the association have responded in a most gratifying manner. It is believed that the Laymen are interested and that they will continue to render the devoted service of which they are capable.

H. B. CAMPBELL, *Diocesan Keyman*,
Episcopal Laymen's Association.

REPORT OF THE STUDENT CHAPLAIN AT THE UNIVERSITY OF NORTH CAROLINA

Since my last report the situation at Chapel Hill has not changed much except that the number of students there now is the largest in history. Naturally the majority of these are veterans, and quite a few are married. Almost six hundred students at the present time are Episcopalians. About 175 of these are from the Diocese of North Carolina.

Church attendance during the past year has been remarkable. About every other Sunday we find it necessary to put up extra chairs to accommodate the crowds, and a few times have had to turn people away because there was no room.

The student organizations have flourished more successfully since the end of the war. One of particular interest is a group of about 20 graduate students who meet every two weeks for a scholarly discussion about Christianity.

At the present time there are two alumni of the University in our theological seminaries. Four more will enter this fall.

Since this is the only College Work report published in the Journal, I feel that a brief review of the work at other colleges and universities in our Diocese should be included. It happens by chance that most of the colleges in the state are located in this Diocese. Due to the financial help of East Carolina, Western North Carolina, and the Church Society for College Work the Church's ministry is carried to almost every college. There are about ten part-time workers supported by the diocesan budget and three full-

time workers. The Rev. H. N. Parsley is full-time chaplain for over 400 Episcopal students at Duke. Miss Margaret Fletcher in Greensboro does a most effective job with the 177 Episcopal girls in the Woman's College. The Diocese has just spent about \$5,000 renovating St. Mary's House, our student center there. The annual Episcopal College Students Conference for students from all over the state met in April at St. Augustine's College with delegates from about 15 colleges present.

All colleges everywhere are being overwhelmed with applications for admission. This means that the Church has greater and greater responsibilities as the students on each campus increase in number. The continued interest and financial help of the Diocese is both needed and appreciated.

Respectfully submitted,
R. EMMET GRIBBIN, JR.

CANON XVI

Department of Finance, and Business Methods in Church Affairs

SECTION 1. The Department of Finance of the Diocese shall, not later than November 1st of each year, prepare a scale of assessments and apportionments for the purpose of raising funds required for Diocesan purposes for the ensuing year, and shall immediately send a copy thereof to the minister and wardens of every congregation in the Diocese for their information. It may receive applications for the alteration of the said scale, and shall have power to modify the same, reporting all such applications and its action thereon to the Convention.

It shall report to each Convention the general condition of the several funds of the Diocese with such deficits in the assessments as may be discoverable. It may make such recommendations as may seem to it desirable, and shall act upon all other matters relative to Diocesan property committed to it by the Convention. It shall also, from time to time, give directions, not otherwise provided for, to the Treasurer in regard to the investment of the permanent and unappropriated funds of the Diocese in his hands.

It shall be the duty of the Department of Finance to maintain general supervision of the financial affairs of the Diocese; to secure simplicity and accuracy in the collection and disbursement of all funds; and co-operation between all officers, trusts, and boards of the Convention; for which purpose it shall establish its own rules, and keep a record of its meetings, all of which shall be submitted annually to the Convention.

SEC. 2. In this Diocese, and all its Parishes, Missions, and Institutions, the following standard business methods shall be observed:

(1) Trust and permanent funds, and all securities of whatsoever kind, shall be deposited with a Federal or State Bank, or a Diocesan Corporation, or with some other agency approved in writing by the Department of Finance of the Diocese, under either a deed of trust, or an agency agreement, providing for at least two signatures on any order of withdrawal of such funds or securities. But this paragraph shall not apply to funds and securities refused by the depositories named as being too small for acceptance. Such small funds and securities shall be under the care of persons or corporations properly responsible for them.

(2) Records shall be made and kept of all trusts and permanent funds showing at least the following:

(a) Source and date. (b) Terms governing the use of principal and income. (c) To whom and how often reports of condition are to be made. (d) How the funds are invested.

(3) Treasurers and custodians other than banking institutions shall be adequately bonded, except treasurers of funds that do not exceed five hundred dollars at any one time during the fiscal year.

(4) Books of account shall be so kept as to provide the basis for satisfactory accounting.

(5) The fiscal year begins January 1st.

(6) All accounts shall be audited annually by a certified or independent Public Accountant, or by such an accounting agency as shall be permitted by the Department of Finance.

(7) The expense, if there be any, of auditing the account of the Treasurer of the Diocese by a Certified Public Accountant shall be paid by the Treasurer out of the Episcopal Maintenance Fund.

(8) All buildings and their contents shall be kept adequately insured.

(9) The Department of Finance may require copies of any or all accounts described in this section to be filed with it, and shall report annually to the Convention of the Diocese upon its administration of this Canon.

SEC. 3. No Vestry, Trustee, or other body, authorized by Civil or Canon Law to hold, manage, or administer real property for any Parish, Mission, Congregation, or Institution, shall encumber or alienate the same or any part thereof (save for the refinancing of an existing loan) without the written consent of the Bishop and Standing Committee of the Diocese, except under such regulations as may be prescribed by Canon of the Diocese.

CANON XXX

Of the Church Pension Fund

SECTION 1. In conformity with the legislation adopted by the General Convention of 1913, pursuant to which The Church Pension Fund was duly incorporated, and in conformity with the Canon of the General Convention, "Of The Church Pension Fund," as heretofore amended and as it may hereafter be amended, the Diocese of North Carolina hereby accepts and acknowledges The Church Pension Fund, a corporation created by Chapter 97 of the Laws of 1914 of the State of New York as subsequently amended, as the authorized and approved pension system for the clergy of the Protestant Episcopal Church in the United States of America and for their dependents, and declares its intention of supporting said Fund in accordance with its Rules.

SEC. 2. The Bishop of this Diocese shall appoint, annually, a Committee of The Church Pension Fund to consist of three laymen, for a term of one year and until their successors shall have been appointed or qualified, and the Bishop may from time to time fill by appointment any vacancies in said Committee caused by resignation, death or inability to act.

SEC. 3. The duties of said Committee shall be as follows:

- (a) To be informed of, and to inform the clergy and laity of this Diocese of, the pension system created by the General Convention and committed by it to the Trustees of The Church Pension Fund, in order that the ordained clergy of the Church may be assured of pension protection for themselves in the event of old age or total and permanent disability and for their widows and minor orphan children in the event of death.
- (b) To receive reports from The Church Pension Fund, from time to time, on the status of the pension assessments payable to said Fund, under its Rules and as required by Canon Law, by this Diocese and by the parishes, missions and other ecclesiastical organizations within this Diocese.
- (c) To make an annual report to the Convention of this Diocese on such matters relating to The Church Pension Fund as may be of interest to the said Convention. Also to make interim reports to the Executive Council just prior to its stated meetings.

- (d) To cooperate with The Church Pension Fund in doing all things necessary or advisable in the premises to the end that the clergy of this Diocese may be assured of the fullest pension protection by said Fund under its established Rules.

SEC. 4. It shall be the duty of this Diocese and of the parishes, missions and other ecclesiastical organizations therein, each through its treasurer or other proper official, to inform The Church Pension Fund of salaries and other compensation paid to clergymen by said Diocese, parish, mission and other ecclesiastical organization for services rendered, currently or in the past, prior to their becoming beneficiaries of said Fund, and changes in such salaries and other compensation as they occur; and to pay promptly to The Church Pension Fund the pension assessments required thereon under the Canon of the General Convention and in accordance with the Rules of said Fund.

SEC. 5. It shall be the duty of every clergyman canonically resident in or serving in this Diocese to inform The Church Pension Fund promptly of such facts, as dates of birth, of ordination or reception, of marriage, births of children, deaths, and changes in cures or salaries, as may be necessary for its proper administration and to cooperate with said Fund in such other ways as may be necessary in order that said Fund may discharge its obligations in accordance with the intention of the General Convention in respect thereto.

SEC. 6. Any Parish or Mission failing for two calendar years to pay the Pension assessments in full, shall be deprived of its rights to the floor of, and to a vote in Convention until all such arrears are paid in full, when its restoration to rights shall be declared.

SEC. 7. It shall be the duty of the treasurer of the Diocese, upon notification of arrears of four months or more to the Pension Fund, to deduct from the amount payable to any clergyman officiating in, or in charge of, any aided Parish; or the missionary in charge of any mission; or a clergyman connected with any institution or agency of the Diocese, the unpaid assessments due from such congregation or agency on any stipend payable by such congregation, institution or agency, including any prior year's arrears, and to pay the same to the Church Pension Fund.

Journal of Proceedings

FIRST DAY

Rocky Mount, N. C., May 6, 1947

The 131st Annual Convention of the Diocese of North Carolina met in the Church of the Good Shepherd, Rocky Mount, at 8 P.M., Tuesday, May the sixth. The Bishop and the Rev. Gray Temple read Evening Prayer. According to the regular custom of the Diocese, an offering was taken for the New York Bible and Common Prayer Book Society.

Following this service, the Bishop called the Convention to order. In lieu of a roll call, the Secretary certified that a constitutional quorum was present in both orders. The Bishop declared the Convention was duly organized. On nomination, the Rev. Alfred S. Lawrence was re-elected Secretary. He appointed the Rev. David W. Yates and the Rev. Ralph H. Kimball as assistants. The schedule of hours on the printed program was adopted. In behalf of the local congregation, the Rev. Gray Temple welcomed the Convention. The Bishop then called the Rev. James M. Dick to the chair and read his annual address. (Appendix A)

The Bishop resumed the chair. It was moved and carried that a special committee be appointed to consider the particular items contained in the address. The Bishop appointed the Rev. Francis Craighill Brown, the Rev. John Q. Beckwith, Jr., Mr. William H. Ruffin, Mr. W. J. Long, Mr. J. H. Cutter.

The report of the Standing Committee was presented by Mr. Joseph B. Cheshire (p. 109).

A petition from the Church of St. Michael and All Angels, to be admitted as a parish, was referred to the committee on New Parishes, to report later on in the convention.

The report of the Executive Council was made by the Rev. David W. Yates (p. 113). In accordance with the recommendation of the report, consideration of next year's budget was made a special order for Wednesday, at ten o'clock.

The Bishop presented to the Convention, the clergy who had come into the Diocese during the past year.

Nominations were then made in accordance with the Rules of Order.

The Bishop nominated Mr. Francis O. Clarkson, as Chancellor of the Diocese, to serve for a period of three years. The Convention confirmed the nomination.

Mr. Manly D. Whisnant, Superintendent of the Thompson Orphanage, presented his report and addressed the Convention (p. 119).

At 10:15 the Convention adjourned until 7:30 Wednesday morning.

SECOND DAY

On Wednesday morning at 7:30 o'clock, the Holy Communion was celebrated at the Church of the Good Shepherd with the Bishop as celebrant, assisted by the Rector, the Rev. Gray Temple.

After breakfast at the Parish House, the business session was resumed at 9:30.

The Committee on New Parishes recommended that the petition of the Church of Saint Michael and All Angels, Charlotte, be approved. On motion, the report of the committee was accepted, and the congregation of Saint Michael and All Angels was admitted to the Diocese as a Parish. The roll of delegates was called and Mr. Oscar Jackson and Mr. John Southerland answered the roll and were received as delegates.

Mr. E. B. Dixon, for the Security National Bank, gave the report of the Treasurer. The report was accepted and ordered to be printed in the Journal (p. 87).

Mr. Joseph B. Cheshire read the report of the Trustees of the Diocese. This report was referred to a special com-

mittee, consisting of the on. Daniel L. Bell, Mr. Ben R. Roberts, Mr. John A. Mackie (p. 121).

Mr. T. C. Heyward, Jr. reported, verbally, for the Trustees of the University of the South.

The report of the Vade Mecum Camps was submitted by title (p. 122). Mr. E. M. McEachern, Director for 1947, spoke of the work planned for this summer.

The report of the special committee, to which was referred the Bishop's address, was presented by the Rev. F. Craighill Brown. The committee offered the three resolutions attached which were adopted.

This committee, to which has been referred the address of the Bishop, has considered carefully the important matters of diocesan noting in that address with reference to (1) a policy for suburban development, (2) a survey of existing missions and (3) the question of increased episcopal supervision.

Your committee believes that these are matters of such urgency that they should be dealt with at the earliest possible moment and therefore begs to offer the following resolutions.

1. Whereas the extent of the work of the diocese has so expanded under our present Diocesan; and the consequent need for episcopal assistance has become so pressing, it is the judgment of this committee that the Bishop's suggestions should be accepted and followed.

Wherefore, be it resolved: that the Bishop be requested to appoint the special committee recommended in his address, to study the whole matter of the need for increased episcopal assistance and to report to the Convention of 1948.

This committee wishes here to state its conviction that this special committee should consider the advisability of designating the mission field of the diocese as the special responsibility of such episcopal assistance as may be provided.

2. Whereas it is evident that a survey of the existing mission field of the diocese and of the possibilities of suburban and rural development of the Church's work is thoroughly desirable

Be it resolved: that the Bishop be requested to appoint a special committee on Missionary Planning and Policy to make full survey of the present missions and of the possibilities for expansion in urban and rural areas.

3. Further be it resolved: that this committee be instructed to report, with specific recommendations, to the Convention of 1948.

The Bishop appointed the two special committees called for by the above resolutions:

1. On Increased Episcopal supervision

Rev. F. Craighill Brown, Rev. John Q. Beckwith, Jr., Rev. David W. Yates, Mr. John H. Cutter and Mr. Henry C. Bourne.

2. On Missionary Planning and Policy

Rev. M. George Henry, Rev. Gray Temple, Rev. Othello D. Stanley, Mr. Clary Holt and Mr. James E. Simmons, Jr.

The Rev. Edgar H. Goold presented the report of Saint Augustine's College (p. 127). Mr. Joseph B. Cheshire moved that a special committee be appointed to prepare an appropriate resolution concerning the long and valuable service rendered by Mr. Goold. The Bishop appointed the Rev. Dr. J. W. Herritage and the Rev. Charles F. Wulf.

The report on College work was made by the college workers in the field. The Rev. Carl F. Herman reported for the Woman's College at Greensboro. The Rev. Clarence E. Hobgood reported for State College at Raleigh. The Rev. Bertram C. Cooper reported for the University at Chapel Hill. The Rev. Henry Nutt Parsley filed his report for the work at Duke University with the Secretary. A summary of College work in the Diocese was submitted by title by the Rev. David W. Yates, as Chairman of the Department of Youth (p. 138).

Mr. George Laycock, business manager, reported for the Good Samaritan Hospital in Charlotte and submitted a financial statement (p. 128).

The Bishop introduced Dr. Richard G. Stone, the President of Saint Mary's School and Junior College. Dr. Stone spoke briefly on the condition of the school.

The Rev. I. H. Hughes reported for the Carolina Churchman and submitted the Treasurer's report by title (p. 139).

The Secretary spoke of the need of accuracy in the preparation of parochial reports.

The Bishop recognized Mr. Stephen E. Burroughs, who asked the approval of the convention to solicit funds to aid in building a new church for All Saints, Warrenton. The local congregation has already subscribed a goodly amount. The convention granted its permission.

Ballots were distributed and it was moved and seconded that where there was no competition, the candidate

be declared elected. Under this ruling, the Bishop declared the following people elected: See elections (p. 31).

The Rev. Edgar H. Goold moved that the basis for election should be by plurality vote. Carried. Further elections are listed on (p. 32).

Mr. Francis O. Clarkson submitted by title the report of the Laymen's League (p. 131).

The Bishop appointed the following Canonical Committees:

On Canons: The Rev. James S. Cox, the Rev. M. G. Henry, Mr. Kemp D. Battle, Mr. Pembroke Nash, Mr. Isaac D. Thorp.

St. Peter's Parish, Charlotte, extended an invitation to the next convention to meet in that Parish. The invitation was accepted with thanks.

It was moved and seconded that the hours of the 1948 Convention be lengthened, and that the opening service be Tuesday morning. A substitute was offered that the convention open Tuesday afternoon. The substitute prevailed.

The Special Committee on the Report of the Trustees offered the following report:

This report was approved and then the report of the Trustees was adopted.

The Rev. Edward M. Spruill called the attention of the Convention to the fact that the Rev. Robert Bruce Owens, former Rector of the Church of the Good Shepherd at Rocky Mount, Senior Clergyman of the Diocese, was present. Mr. Spruill moved that a vote of appreciation be given for his work. It was carried with a rising vote.

Mr. Francis O. Clarkson reminded the Convention of the fact that this was the twenty fifth anniversary of the election of Bishop Penick as Bishop of the Diocese of North Carolina. Mr. Clarkson then called on Mr. Hobart Steele as representative of the Laymen's League to make a presentation in behalf of the laymen. The presentation was a new Buick car, which was waiting for the Bishop and Mrs. Penick at the front of the church. Added to the gift of the car was a box of red roses for Mrs. Penick and a silver marker for the car.

At one o'clock the convention took a recess for lunch in the Parish House.

The Rev. Mr. Owens then spoke in brief concerning some of the history of the Diocese. He noted that he and Mr. Frank Thompson, of Cleveland, were the only two members left who were present and took part in the election of Bishop Cheshire. The Bishop asked the delegation from Cleveland to convey the greetings of the convention to Mr. Thompson, who, because of sickness, was not able to be present.

On motion, the reading of the minutes was dispensed with and the Bishop and Secretary were authorized to edit them for publication.

Mr. J. B. Cheshire moved that the Bishop and Secretary draw up a resolution of appreciation of the life and services of the late Mr. Alexander B. Andrews, and that it be spread upon the minutes of this meeting.

MEMORIAL MINUTE

Mr. Alexander B. Andrews was the first Chancellor of the Diocese of North Carolina. His nomination to this office by the Bishop was confirmed by the Annual Convention of 1933. In this position he served chiefly as legal adviser to the Bishop. His counsel was wise and convincing and well grounded in fact. He spared himself no effort when exhaustive research was necessary to determine the truth of any case. By reason of this thoroughness, he never had occasion to reverse a judgment. Mr. Andrews' ability and interest in Church affairs were widely known and recognized. For several years he represented this Diocese at the meetings of the Provincial Synod of Sewanee, and also at the General Convention in which body he served with distinction as Chairman of the Committee on Canons of the House of Clerical and Lay Deputies. If he had any special interest, it was the institutional life of the Church, particularly the orphanages, schools and colleges. The Alexander B. Andrews Fund which he created will perpetuate his generous beneficence. He was a devoted communicant of the Church of the Good Shepherd, Raleigh. His death occurred October 21, 1946.

After singing the *Gloria in Excelsis*, and prayers and benediction by the Bishop, the Convention adjourned at 3:15, *Sine Die*.

EDWIN A. PENICK,

Bishop of the Diocese of North Carolina

Attest:

Rev. Alfred S. Lawrence,

Secretary of the Diocese of North Carolina.

APPENDIX A

ADDRESS AND JOURNAL OF THE BISHOP

Address of the Bishop

Brethren of the Clergy and Laity:

I welcome you to the One Hundred and Thirty-First Annual Convention of the Diocese of North Carolina. The year just passed has not been distinguished by any special event or achievement of note. It has been a time of further adjustment after the dislocations of war. We are grateful for the reabsorption into our Church life of a beloved young personnel, both among the clergy and laity, that had been absent on duty for several years. A new feeling of strength has come into the Church with their return. We hear reports of improved attendance at Church services, and unprecedented congregations at special seasons like Christmas and Holy Week and Easter. Increased financial obligations have been met. With an objective of \$81,000, the diocese cheerfully gave \$90,000 to help rebuild the war-ravaged missionary fabric of our Church. An all-time high in the number of Confirmations is reported. We do not regard this as extraordinary. It was to have been expected in view of the caliber of our clerical leadership and the devotion of their congregations. We do not feel any pride in these modest achievements. They merely certify a natural, healthy growth that should be evident in any normal progressive diocese.

It is a privilege to meet again under the hospitable auspices of this fine parish. The last time the Convention assembled here, Bishop Cheshire was presiding. We like to think of that affectionately dominating character whose robust spirit still seems to hover over our gatherings. With these gentle remembrances of things past, with a consciousness of the high call to reality in the Christian life which the present demands, and with a confidence that the future is bright with the prospect of work and service and sacrifice and other good things that God keeps in store for faithful men, we turn now to face our "Father's business" in this council of His Church.

SUMMARY OF OFFICIAL ACTS

Within the Diocese I have made 118 Visitations, celebrated the Holy Communion 39 times; confirmed 797 persons, who, with one candidate confirmed by Bishop Darst, make a total of 798 confirmations. Of this number, 62 were Negroes and 14 were members of the Deaf congregations. I officiated at 3 Baptisms, 8 Funerals and 4 Weddings, and 20 other services, licensed 60 Lay Readers, preached 101 times, delivered 45 lectures and addresses, met with 81 committees or Boards of Trustees and conferred with 157 individuals or groups. I ordained to the Diaconate 3 Candidates for Holy Orders and advanced 2 Deacons to the Priesthood. On June 30, I consecrated Christ Church building, Albemarle, and on July 14, formally opened and dedicated the buildings and grounds of Camp Delany.

Outside the diocese, I officiated at one wedding, preached 17 times, attended 5 committee meetings and held 5 conferences. At the General Convention, held in Philadelphia, I attended all the sessions of the House of Bishops and the Joint Meetings of the two Houses, and served on several committees.

NECROLOGY

While this report covers only the calendar year of 1946, I am sure that we want to pause long enough at this Convention to pay affectionate tribute to two clergymen of this Diocese who have died within the last few weeks.

William Jones Gordon, Priest, Rector of St. Luke's Parish, Spray, died after a brief illness on March 26, 1947. Mr. Gordon was a native of this state and a gradu-

ate, with a Master's degree, of the University of North Carolina. He received his theological training at the University of the South, Sewanee, Tennessee, and the Episcopal Theological School at Cambridge, Mass. He was ordained by Bishop Strange and spent the first three years of his ministry in East Carolina. He came to this Diocese November 1, 1910, and took charge of the churches in Spray and Leaksville. The Journal for that year reports four families and ten communicants in St. Luke's Mission at Spray. For nearly thirty-seven years, Mr. Gordon gave himself unsparingly to an evangelical ministry, and with a beauty of character and a range of influence that are known only to Him whose servant he was. It was his constant habit to "pray without ceasing." His faith in God was simple, trustful, like that of a little child. He built his life solely upon spiritual foundations and in so doing was strangely empowered to accomplish many practical things. His first concern was with the souls of people to whom he became a servant regardless of color, creed or class. He will be remembered as one of the deeply constructive clergymen of this diocese who was content, in humble ways, to exhibit, day by day, the beauty of holiness, the irresistibility of love, the joy and sacrifice and the endless, mystical power of a life poured out for Jesus Christ.

Scarcely three weeks had passed before the diocese was called to mourn again when Josiah Tidball Carter, Priest in Charge of St. Joseph's and St. Andrew's Missions, Durham, died after only a few hours' illness.

Mr. Carter was born in Virginia. He attended the University of West Virginia and William and Mary College. He was educated for the ministry at the Virginia Theological Seminary in Alexandria. Most of his ministry was spent in the Diocese of West Virginia, where he held many positions of responsibility and trust. He moved to North Carolina in January 1, 1942, and took charge of St. Joseph's and St. Andrew's Missions, Durham. Essentially a pastor, he devoted his ministry to a faithful, plodding search for individuals. At our diocesan summer

camps, he won the hearts of the younger boys with his sympathetic understanding of boyish nature, the growing pains of youth, and the loneliness of adolescence. His was an unpretentious ministry, done in quiet ways and obscure places, and blessed of Him who sees in secret.

On May 8, 1934, at the Diocesan Convention meeting in St. Martin's Church, Charlotte, I nominated Mr. Alexander B. Andrews of Raleigh as the first incumbent of the Office of Chancellor of this Diocese. Provision for this new office had been made a year before by canonical amendment. The Convention confirmed the nomination, and for the next thirteen years. Mr. Andrews served as the legal advisor to the Bishop. I am sure it would be appropriate for this Convention to recognize by Resolution the faithful and competent service that Mr. Andrews rendered this Diocese in his official capacity. His efficiency and zeal brought him national recognition, and his selection as Chairman of the Committee on Canons in the House of Clerical and Lay Deputies of General Convention. We record with sincere regret his death in Raleigh on October 21, 1947.

MISSIONARY SURVEY

At the last meeting of the Executive Council on April 23rd, the Bishop and Department of Missions were requested to draft a plan for the systematic improvement of our present missionary structure, including an Advance Work program for the expansion of existing work, and the rehabilitation especially of the physical property of our Negro Churches. In the brief time that has intervened since the Council met, the Bishop and Department have not had an opportunity to survey the 75 missions of this Diocese with the thoroughness that such a proposed study would require. I therefore recommend that this whole matter, which is a major concern of the Diocese, be referred back to the Executive Council for careful investigation and action, and the expenditure of

of such funds for capital improvements in missionary buildings as their judgment may determine.

SUBURBAN DEVELOPMENTS

This portion of my address is directed particularly to the clergy and lay delegates from the larger cities of our Diocese. It is hazardous, of course, for one to predict the trend of any post-war development when the opinion of economic specialists is often divided on this subject. However, we venture to anticipate that the cities of this state will experience, in the course of the next few years, an active development in residential building. We recall that this was the case in the decade following the first World War. The Nineteen Twenties witnessed the construction of many extended suburban areas, and there is some reason to expect that the same pattern will be followed in the not too distant future. If such should be the case, I hope that the city parishes will be alert to the opportunities of establishing new Missions in residential areas. In some cases now, new real estate developments offer unoccupied fields where flourishing congregations could be established in an amazingly short time. Again and again, opportunities for erecting a community Church have been lost to other Christian bodies that have moved into new sections ahead of us, and were soon counting their members by the hundreds. When we observe down-town churches becoming more and more enveloped by merchantile establishments, while the members of the Church, especially the younger elements, are building their homes further and further from the center of the city, it behooves the Church, does it not, to counter such a movement by an aggressive policy of expansion that provides Church facilities where people actually live? This can be done, as has been convincingly proved in many cities, without seriously weakening the parent Church, and definitely consolidates the whole strength of the Church in the city. Failure to follow such a policy is to forfeit opportunities that cannot be re-

claimed. If the Episcopal Church is strong in the cities, let us make it stronger in the urban centers of this diocese, not by in-growing so much as by out-going to the neighborhood of the homes where people dwell. A parish, like an individual, must lose itself if it would save its own life. Ceaseless pioneering, which is Christianity, scorns to hug the shore.

I speak now, with considerable reluctance, of a subject that has both personal and official implications. I refer to the question as to whether or not this diocese should have increased episcopal supervision. The personal aspects of this subject should be set aside as irrelevant, and our thinking should focus as objectively as possible upon the welfare of this diocese. Bishops are merely a succession of men in the continuous flow of the Church's life. Their tenure, at most, is only a span long whereas the Church endures from generation to generation. Any man in office is less important than his office. In planning, therefore, for the future of the Church, only those factors that are permanent and abiding should be admitted within the scope of wise, unsentimental thinking.

In my own mind, I reject the idea of a Suffragan Bishop for this diocese. Under certain conditions, such as are found in great metropolitan areas, a Suffragan is an almost indispensable aid in supplementing the efforts of the Diocesan Bishop. In my judgment, however, the Diocese of North Carolina, which is quite extended in area, and largely missionary in character, does not supply the special conditions under which a Suffragan might work to the greatest advantage.

There is also a sense in which a Bishop Coadjutor is not altogether desirable. Much of the effectiveness of any diocese is due to its unity, its esprit de corps, its consciousness of itself as a well-organized, closely-knit unit of the Church, integrated in purpose, and responsive to one leadership. Where there are two Bishops, this sense of oneness is necessarily affected, if not impaired. A two-fold leadership can be demoralizing and indeed,

divisive, and strangely enough, the more capable the dual leadership becomes, the more a diocese loses its cohesiveness wherein its strength consists. The ideal arrangement, which the experience of history seems to approve is one bishop for each diocese. However, if the good of the Church is to be regarded, and, I repeat, this should be our constant, guiding principle, there often comes a time when the welfare of the diocese requires more than the service of one man. Whether or not that time has come in the history of North Carolina, I cannot say with positiveness or assurance. I am willing to subordinate my own judgment to the superior wisdom of this body. This proposal, however, I venture to submit for your consideration, namely, that a committee of this Convention be appointed to study the whole matter of the need, if any, of increased episcopal supervision, with the view to the possible election of a Bishop Coadjutor at the Annual Convention of 1950, assuming, of course, that the canonical consent of the Bishops and Standing Committees of the Church be secured in the meantime. My recommendation is that this special committee report its finding to the Convention of 1948.

In conclusion, I cannot refrain from alluding to the fact that this Convention marks the twenty-fifth anniversary of my election as Bishop. It was on May 17, 1922, in the Church of the Good Shepherd, Raleigh, that this diocese selected me to serve as Coadjutor. This is not the proper time to review the history of the last quarter of a century, so quickly sped. But I do want to mark this anniversary by recording once more my gratitude to God for placing me in a position to which no man is worthy to be called, for the inestimable privilege of being a co-worker with the clergy and congregations of this diocese in the things pertaining to the Kingdom of God and the Church of Christ, for honors broad and deep, for kindnesses innumerable wherewith my life has been heaped to running over, for a compact unity of spirit which makes our people one. Above all, I am thankful for an unerring spiritual insight, among the clergy and

laity alike, that through a depression and its shattering losses, through a war and its unspeakable agony, has been steadfast in its adherence to such basic truths as simple faith, abiding hope and never-failing love. The last twenty-five years have been a time of testing for the Christian Church. And I count myself a privileged man to have been associated with a people whose faith was stalwart and whose hearts were brave while they were passing through deep waters. With the endowment of assurance that seasons of testing always bestow on those who meet life head-on and unafraid, we face the future with the confidence of youth that looks to the East, gladly awaiting the dawn of a new day.

REPORT OF THE STANDING COMMITTEE OF THE DIOCESE OF
NORTH CAROLINA

The Standing Committee of the Diocese of North Carolina held eight meetings during the year 1946 as follows:

On January 29, 1946, in the office of the Secretary, Raleigh, N. C., and the following action was taken:

Mr. Robert Charlton Baird, Jr., a Candidate for Holy Orders, was recommended to the Bishop for ordination to the Diaconate.

The Committee approved the Bishop's proposed schedule of Appropriations of Income from the Lawrence S. Holt Fund for the year 1946; and approval was also given for the Bishop to use in his discretion any unexpended balance of Income for the year 1946, provided same was expended within the terms of said Trust.

The Bishop presented a request from the Wardens and Vestry of Christ Church, Charlotte, to purchase a Rectory for \$13,625.00, to place a mortgage on same for \$8,500.00 as part of the purchase price. The Committee approved the purchase on the terms mentioned, and advised the Bishop to give his consent and approval thereto.

On April 9, 1946, in the office of the Secretary, Raleigh, N. C., and the following action was taken.

Consent and approval of the Committee was given for the ordination and consecration of The Reverend Stanley Merrill Emrich, Ph.D. as Suffragan Bishop of the Diocese of Michigan.

The Bishop presented a request of the Wardens and Vestry of the Church of the Good Shepherd, Raleigh, for the sale of two lots Numbers 6 and 7 on Adams Street, Cary, N. C. (Book of Maps 1885, Page 128) to Leo Burt Stroup and wife for \$250.00 cash. The Committee approved the sale of said lots and advised the Bishop to give his consent and approval thereto.

The Bishop presented a request of the Trustees of the Diocese to sell and convey Emanuel Church, Stoneville, with lot upon which said Church stands, but excluding the furnishing and fixtures therein or so much as the Bishop desires to use elsewhere, to R. C. Pratt and wife, Lena G. Pratt, for \$1,000.00 cash. It appearing that the entire membership of said Mission has either died or moved away; that the Church was in bad repair and within six miles of another active Church and there was no use for said Church, the Committee approved the sale of said Church and lot as stated, and advised the Bishop to give his consent and advise the Trustees to convey the same accordingly.

Mr. Clarence Edward Hobgood was recommended to the Bishop as a Candidate for Holy Orders.

May 23, 1946, in the office of the Secretary, Raleigh, N. C., and the following action was taken:

This being the first meeting of the Committee after its election on May 7-8, 1946, the Committee was organized by the election of officers as follows:

Reverend James McDowell Dick, President

Mr. Joseph B. Cheshire, Secretary.

Mr. Thomas Lawson Cox, Candidate for Holy Orders, was recommended to the Bishop for ordination to the Diaconate.

The Reverend Joseph William O'Brien, Deacon, was recommended to the Bishop for ordination to the Priesthood, and his time shortened for cause at the Bishop's request.

A request was presented from the Bishop and other Trustees of the Diocese to sell and convey St. Gabriel's Church, Selma, and the lot on which it stands to O. V. Wiggs, Johnston County, N. C., for \$2855.00, less five per cent commission to a real estate broker: and it appearing that the few members of St. Gabriel's Church left have become members of St. Paul's Church, Smithfield, St. Gabriel's having been practically unused for years, that its remaining officers, and the officers of St. Paul's Church, Smithfield, wished the sale and the purchase price thereof used for improvements on St. Paul's, Smithfield, said sale and use of the funds therefrom having been approved by the 1946 Diocesan Convention, the approval and consent of this Committee was given to such sale and use of the funds therefrom; and the Bishop was advised to give his consent and approval accordingly.

June 25, 1946, in the office of the Secretary, Raleigh, N. C. and the following action was taken.

Request of the Bishop and of the Wardens and Vestry of St. Peter's Church, Charlotte, was presented, asking for the sale by St. Peter's Church, Charlotte, of a certain lot on East Morehead Street, Charlotte, N. C., next to the Pure Oil Station, including a right-of-way over an alley across the McDowell Street property of the said Church, to Zoe Cavalaries, for \$20,000.00, payable \$500.00 with the offer, \$5000.00 on receipt of satisfactory title, \$2,000.00 additional in ninety days, and \$300.00 per month until the full purchase price with four per cent interest, shall be paid, property to secure deferred payments. It appearing that the price is adequate, that the property has never been used for Church purposes and that the Parish did not contemplate such use, the Committee approved the sale and advised the Bishop to consent thereto.

Mr. Peter Chase Robinson, Postulant, was recommended to the Bishop as a Candidate for Holy Orders.

August 5, 1946, in the office of the Secretary, Raleigh, N. C., and the following action was taken:

Reverend Robert C. Baird, Deacon, was recommended to the Bishop for ordination to the Priesthood, and his time shortened for sufficient cause at the request of the Bishop.

Mr. Hendry Thompson Rodman, Postulant, was recommended to the Bishop as a Candidate for Holy Orders.

Mr. Ralph Herbert Kimball, Postulant, was recommended to the Bishop as a Candidate for Holy Orders.

Consent was given to the election of a Bishop Coadjutor by the Diocese of Western New York

On request of the Bishop and the Vestry of the Church of the Holy Comforter, Charlotte, for the consent of the Bishop, with the advice of the Standing Committee, to place a \$6,000.00 mortgage on a new Rectory at the Northeast corner of Ewing and Worthington Avenues, Charlotte, said mortgage to bear four per cent interest and to be retired at the rate of \$1,000.00 a year—it appearing that such mortgage, upon the terms stated would be proper, the Committee approved same as indicated, and advised the Bishop to give his consent thereto.

On request of the Bishop and Vestry of St. Peter's Church, Charlotte, asking for the consent of the Bishop to the sale of a portion of Lots 1 and 2, Block 34, Map of Dilworth, Map Book 3 at Page 10, Mecklenburg County Registry, to James B. Mitchell (Deed accompanying request shows Schoenitz, Inc., as grantee) for \$8800.00 cash—it appearing that the price is adequate and that the sale would be advantageous to said Church, the Committee approved the sale as indicated and advised the Bishop to give his consent thereto.

September 5, 1946, in the office of the Secretary, Raleigh, N. C., and the following action was taken.

Mr. Clarence Edward Hobgood; a Candidate for Holy Orders, was recommended to the Bishop for ordination to the Diaconate, and for good cause his time was shortened to six months at the request of the Bishop.

On request of the Bishop and other Trustees of the Diocese, asking for the consent of the Bishop to the sale of St. Matthias old Parochial School, Louisburg, N. C. (For description see Book 103, Page 449 Franklin County Registry), to W. C. Lancaster for \$515.00 cash, the proceeds therefrom to be used for the repair and improvements of the present Matthias Parochial school property—it appearing that the price is adequate, and that the lot is in a poor section of the town and has not been used for many years, the present Church and School of St. Matthias being in another part of Louisburg, and the property not being needed for Church purposes, the said sale was approved and the Bishop was advised to give his consent thereto.

On request of the Bishop and the Vestry of St. Peter's Church, Charlotte, asking for the consent of the Bishop to join in a quitclaim deed, with special warranty, conveying a certain lot on West Eleventh Street, between Pine and Graham Streets, Charlotte, N. C., 35x99 feet to M. B. Houston, for a nominal consideration—it appearing that the said lot was sold in 1936 under a decree of the Superior Court of Mecklenburg County by James O. Moore, Commissioner, in proceeding “Annie Wardin Elliott, Joseph Flynn Elliott, and the Vestry of St. Peter's Church, Charlotte, against the Unborn Children of Mrs. Annie Wardin Elliott,” by deed recorded in Book 897, Page 451, Mecklenburg County Registry, and that St. Peter's received its share of the price, and that the property has now been sold and the purchaser refused title unless the consent of the Bishop was given, the Committee approved said sale of the lot in 1936 and advised the Bishop to give his consent thereto.

October 30, 1946, in the office of the Secretary, Raleigh, N. C., and the following action was taken.

On request of the Bishop of the Diocese and the Wardens and Vestry of the Church of the Good Shepherd, Rocky Mount, asking for the approval and consent of the Bishop for said Wardens and Vestry to purchase from J. A. Reagan a house and lot for a new Rectory on Sunset Avenue, Rocky Mount, for \$13,000.00, \$5,000.00 to be paid in cash and \$8,000.00 balance to be secured by note and deed of trust at five per cent to a Building and Loan Association, and payable \$80.00 a month, the Committee approved the purchase of the new Rectory upon the terms indicated and advised the Bishop to give his consent and approval thereto.

December 20, 1946, in the office of the Secretary, Raleigh, N. C., and the following action was taken:

Consent was given to the election of The Right Reverend Granville Gaylord Bennett, D.D., Suffragan Bishop of Rhode Island, as Bishop of the Diocese of Rhode Island.

The Committee approved the Bishop's proposed Schedule of Appropriations of Income for the year 1947 from the Lawrence S. Holt Fund, and approval was also given for the Bishop to use in his discretion any unexpended balance of said Income for 1947, provided same was expended within the terms of said Trust.

On request of the Bishop and Vestry of St. Luke's Church, Salisbury, for the consent of the Bishop, with the approval of the Committee, to the sale of Lots 1, 2, and 3—Nos. 1 and 2, per sketch, lying on and facing North Long Street, between Steele and Eleventh Streets, extending from Long Street to Railroad Street in Salisbury, N. C., and donated to the Church by the Hendersons; and Lot Number 3 on said Sketch facing Railroad

Street, donated to the Church by the Baird family; Lot No. 1 to be sold to Julian Carl Davis for \$400.00; Lot Number 2 to E. A. Stamper and wife, Loma G. Stamper for \$400.00; and Lot No. 3 to R. F. Carter for \$250.00—the Committee gave its consent and approval to such sales and advised the Bishop to give his written consent thereto.

On request of the Bishop and the Vestry of St. Luke's Church, Salisbury, for the consent of the Bishop, with the advice of this Committee, to the sale of certain real estate in the North ward of the City of Salisbury, N. C., known as "Saint John Property" (See Deed Book 71, Pages 420-421 Register of Deeds, Rowan County, N. C.), to R. B. Rudisill, T. N. and M. R. Borland, trading as Cartex Mills for \$8500.00 cash, the price being adequate, the Committee gave its consent and approval to such sale and advised the Bishop to give his written consent thereto.

On request of the Bishop and the Vestry of Saint Paul's Church, Salisbury, for consent of the Bishop to the sale by said Vestry of certain real estate 64 feet front facing South Main Street, Salisbury, on the South side of the Lilly Nash Motor Company, said property having a depth of 155 feet—to Lilly Nash Motor Company for \$6400.00 cash, the price being adequate, the Committee gave its consent and approval to such sale and advised the Bishop to give his written consent thereto.

Copies of Minutes of all meetings furnished the President of the Committee and the Bishop when desirable or necessary.

REPORT OF THE SUPERINTENDENT OF THE THOMPSON ORPHANAGE

February, 13, 1947

I am glad to bring you a report which, during a year of many obstacles, reflects progress and achievement. Our institution has been able to render help and service to the needy children under the auspices of the Episcopal Church of the state of North Carolina to the limit of our facilities and abilities. Our institution continues to rank with the best child caring institutions in the South due to the loyalty and interest of our churchmen and other friends. This support has been reflected in the type of boys and girls that we are caring for.

It is the policy of the Orphanage to offer our care to those children who need a home and training but are unable to secure help elsewhere. Although we have many requests for boarding home care which would pay a lucrative profit we feel the purpose of our institution is better met in answering the appeals of indigent children. The following outline shows in detail the distribution of the children cared for in 1946:

Entire State—Capacity	90	Diocese of E. C.—Quota	26
Total cared for	94	Total cared for	22
Discharged	15	Discharged	4
Admitted	18	Admitted	2
Now here	79	Now here	18
Diocese of N. C.—Quota	56	Diocese of W.N.C.—Quota	8
Total cared for	59	Total cared for	13
Discharged	8	Discharged	3
Admitted	12	Admitted	4
Now here	51	Now here	10

During the school year 1945-46 we had seventy-nine children enrolled in the Charlotte Public Schools. I am sorry to relate that our perfect score of the past three years was broken. We had two high school and one grammar school failure. Although we had three failures, the general average showed an improvement over preceding years. A number of our children were elected as class officers and one of our children in junior high school was chosen as best citizen of his class. We feel that our regular study halls under the supervision of our cottage matrons are an important factor in the high scholastic record of our children. Of our two graduates, one has entered college and one is working as a secretary.

Dr. Hipp, Dr. Adams, and Dr. Houser work very closely with Miss Dorothy Killian, our nurse, in maintaining the good health of our children. Serious illnesses and accidents are cared for at the Memorial Hospital through the generosity of the St. Peter's Hospital Foundation.

Through the efforts of the members of the Executive Committee in 1942 a program of permanent improvements to the Orphanage plant was begun. During the past few years this continuing interest has resulted in outstanding developments such as three large, completely equipped "A" grade dairy barns, a registered Jersey herd of seventeen milk cows, sixteen heifers, and one bull, a tractor, an insilage cutter, a tiller plow, a disc harrow, a hammer mill, a ton and half truck, a wagon, a cyclone fence, a steel bridge, a completely equipped dining room and kitchen, a cold storage and freezing unit, and hundred and sixty-nine acre farm.

Some progress has been made in the development of our new farm, Cedarbrook. Forty-eight hundred feet of terraces have been completed, reclaiming sixteen acres of eroded land. A dam has been constructed forming a two acre lake which has been stocked with fish. The lake is a source of pleasure as it affords us opportunities for swimming, boating, and fishing. The additional acreage enables us to grow feed for our chickens, hogs, and beef cattle.

Through the interest of our Orphanage boys in caring for the dairy herd we are provided an ample supply of milk and a surplus to place on the market. In 1946 we produced 11,846.3 gallons of milk—of this amount we sold \$2,179.21. The total amount of food produced on the farm here was \$10,174.63.

In our effort to train the Thompson Orphanage children to become self-reliant, dependable men and women we depend wholly upon the loyalty and support of the members of the Episcopal Church in North Carolina, and through the interest you have shown in the past we feel confident that we can rely on you.

TRUSTEES OF THE DIOCESE OF NORTH CAROLINA

The Trustees of the Diocese of North Carolina transmit this report for consideration by the Convention. The report consists of the following:

- 1) A report of audit by W. M. Russ & Company of the Diocese of North Carolina Trusts, Security National Bank, Custodian.
- 2) Audit by W. M. Russ & Company of the Murdoch Memorial Fund.
- 3) The details of actions by the Trustees during 1946 and a part of 1947.

It will be noted that by action of the Convention, the audit reports cover an eleven months' period, ending December 31, 1946.

The attention of the Convention is invited to the recommendations contained at the top of page 2 of the Audit Report of the Diocese of North Carolina Trusts. The Trustees concur in the recommendations of the auditors.

The Mission Insurance Fund is an account of long standing on the books of the Diocese and arose from the fact that charges were made to the individual missions to provide for the payment of insurance premiums on mission property. Since that time, these charges have been included in the budget of the Diocese, from which source insurance on mission property is now paid. These old accounts should be written off of the books of the Diocese and the balance due by the Mission remitted. In this connection reference should be made to Exhibit Q.

Attention is invited to the detailed actions of the Trustees concerning that property known as the Girls' Friendly Society property on Halifax Street, Raleigh. This property was damaged by fire and the Trustees are preparing to have the same repaired for the purpose of continuing ownership and re-renting.

REPORT OF THE BOARD OF EXAMINING CHAPLAINS

Since the last convention, the Board has met twice for examination.

December 30, 1946. The Board met at the Parish House in Chapel Hill. Present, the Rev. Messrs. F. Craighill Brown, Clarence R. Haden, Jr., Ray Holder, David W. Yates and Alfred S. Lawrence. The candidates examined were Clarence Edward Hobgood, for the Priesthood and Ralph Herbert Kimball and John Paul Carter for

the Diaconate. All three passed satisfactory examinations. Messrs. Hobgood and Kimball served as Chaplains in the Army, and presented evidence of excellent work in the Baptist and Congregational Christian Churches respectively.

April 18, 1947. The Board again met at the Parish house in Chapel Hill. Present, the Rev. Messrs. F. Craighill Brown, C. R. Haden, Jr., David W. Yates and Alfred S. Lawrence. Ralph H. Kimball, Deacon, was examined in Voice and Ministration, and was recommended to the Bishop for ordination to the Priesthood as soon as sufficient time has elapsed. Thomas Lawson Cox, Deacon, was examined in the subjects of Canon 28. His work was not satisfactory and he is required to do further work before being advanced to the priesthood.

REPORT OF THE HISTORIOGRAPHER

During the past year biographical information has been furnished to Dr. George W. Lamb, of the Church Historical Society, on the Rev. Alexander Stuart, one of the colonial clergy of North Carolina. At the request of the Rev. James B. Sill, of the Diocese of Western North Carolina, biographical facts on the life of the Rev. Dr. Buel, of this Diocese, were supplied. In addition, assistance in the preparation of an historical paper was given a student from this Diocese attending the Seminary at Sewanee.

At this time I wish to strongly recommend that the Convention take some action toward sponsoring the restoration of old St. John's Church at Williamsboro. St. John's is the only church in the bounds of our Diocese which was built in the colonial period. It is of the greatest importance to the Diocese that this monument of our past be preserved. The building will not stand much longer in its present lamentable condition. An appeal for the restoration of St. John's is being made to the people of the Diocese in the May issue of the *Carolina Churchman*.

REPORT OF VADE MECUM CAMPS AND CONFERENCES 1946 SEASON

The 1946 camp and conference season at Vade Mecum opened June 7 with the Young People's Service League Convention. 80 young people attended, along with a staff of 8. Officers for the coming year were elected as follows: President, Sarah Carter, 1st Vice-President, Grant Hurst; 2nd Vice-President, George Saxton; Secretary, Susan Joyner; Treasurer, Frank Robars, Jr.;

Thank Offering Secretary, Charles Duls; Efficiency Secretary, Madeline Combs; Secretary for District Organizations, Edith Winslow; Advisors, Miss Mary Burgess and the Rev. Robert W. Turner, III.

The camp season began with Camp Cheshire Senior, under the direction of the Rev. James R. Fortune, for boys 14-18 years. There was a registration of 44 boys and a staff of 9. Though small in number the camp was considered a success by the campers and the counselors. Scout work played a large role in this camp, and Vade Mecum profited as a result. Plumbing, machinery, masonry and cement work all helped us to complete the first project in the 25 year plan begun in the construction of a drinking fountain and a wall in front of Cheshire Hall.

Camp Cheshire Junior was led by the Rev. Josiah T. Carter and had an attendance of 76 campers with a staff of 16. The highlight of the period was an overnight hike to Hanging Rock State Park. This is the first time we have taken junior boys on this hike. It is worth noting that the age grouping of 11-13, with the elimination of ten year olds, proved very successful.

Camp Penick Senior for girls 14-18 years, led by Miss Anne Carter, was the most successful camp of the season. The enrollment for this camp was 80 girls, with a staff of 17. The success was due to the outstanding group of counselors who constantly contributed original ideas to the program of the camp.

Camp Penick Junior, led by Miss Eleanor Hutchison, had 84 campers enrolled and a staff of 16. Again we found the elimination of 10 year olds was a contributing factor to the success. It is worth noting that there was not one case of homesickness during this camp, which is very rare among girls of this age.

During the middle week-end of Camp Cheshire Senior, the Laymen's Conference was held under the direction of Mr. Hugh Campbell, Keyman. 29 men attended this conference. This was found to be an undesirable date because of conflicting events at home. However, those who attended went back to their homes inspired to do something about the laymen's program in their parishes or missions.

The Woman's Auxiliary Conference, under the direction of Mrs. Henry Bourne, President of the Woman's Auxiliary of the Diocese, was another highlight of the 1946 season. The program was well planned and was led by a very capable staff. The ladies appreciated especially the free afternoons which gave them time to rest and to enjoy the surroundings of Vade Mecum. 53 women attended this conference, and there was a staff of 7.

The leadership Training Conference brought 33 representatives and had a staff of 12. Those attending worked diligently but had a good time doing so. The Rev. Henry Johnston, Chairman of the Department of Christian Education of the Diocese, and director of this conference, worked hard to make this conference a success. 11 men attended, which was gratifying to all concerned. The institution of a lay readers' course, taught by Mr. Mark Boesser of St. Paul's Church, Winston-Salem, proved valuable.

The Diocesan Youth Conference, again led by the Rev. Moultrie Moore, had an attendance of 70 young people and a staff of 20. The program was very full, but I believe was successful in informing and encouraging the young people to carry on their task of building a greater youth program in our Diocese.

The final conference of the season was the Clergy Conference, led by Bishop Penick and attended by 38 clergymen. Those attending this conference benefited by the address and the discussions which followed.

For the first time Vade Mecum, under the auspices of the Department of Christian Education, instituted a visual education program. Sound movies were shown each Friday night. The children liked them, and I believe they profited by them.

Many physical improvements should be noted. The purchase of new chairs and cots was necessary to replace broken and outmoded equipment. The planting of a lawn in front of Cheshire Hall added to the beauty of the property. Steps were erected to facilitate travelling from one area to another. The insulation of the basement rooms of Cabins 5 and 6 kept the heat that rises from the boilers from bothering the occupants of these cabins.

The Winston-Salem Foundation contributed a new seven foot walk-in and freezer unit for the storage of meats and vegetables, along with two work tables and a three-compartment sink, which brought our kitchen up to the requirements of the State Health Department. Vade Mecum is now one of the few summer camps that has been awarded a Grade A rating.

With the exception of the financial phase of our program, we may consider this to have been Vade Mecum's best year. The success of the season was due in a large part to the talented personnel of the permanent staff. Mr. Hall Partrick of Raleigh, and a postulant of this Diocese, proved a splendid business manager, and without his help it would have been impossible for the director to have carried on through the season. Miss Marjorie Epps of Chapel Hill completed her third season as camp secretary, registrar, and assistant in the infirmary. She leaves us this year to enter the field of nursing, and we express to her our sincere gratitude for her years of exceptional service to Vade Mecum and wish

her Godspeed and success in her new work. For the first time we employed a senior in medical school as the camp doctor. Mr. Joe E. Mitchell of Charlotte worked in this capacity this summer. It was a worthwhile experiment, and it is suggested that we try to procure another medical student in the years to come. We feel compelled to commend in this report Mr. William Russell, who has completed his fifteenth year as head cook.

For the past few years we have had some difficulty in procuring food, but Willie has seen to it that we were well fed. Each member of the permanent staff contributed much, not only to his own particular job, but to the over-all program of the camps and conferences. The members of the staff were as follows:

The Rev. Thomas J. C. Smyth, Director

Mrs. Thomas J. C. Smyth, Hostess

Mr. Hall Partrick, Business Manager

Miss Marjorie Epps, Secretary

Mr. Joe E. Mitchell, Doctor

Miss Betty Jane Waldroop, Dietitian

Mr. Robert Newell, Purchasing Agent

Mr. Edwin Penick, Jr., Book Store Manager

Mr. Tom Aycock, Canteen Manager

Mr. Charlie Penick, Handiman

Mr. Don VanNoppen, Lifeguard

Mr. Beverly Barge, Bugler

It is with genuine regret that I presented my resignation as Director of Vade Mecum. My sincere thanks are extended to the Vade Mecum Committee, the Winston-Salem Foundation, and the Diocesan Convention for their wholehearted support during my tenure in this position.

With the continued cooperation of the people of this Diocese, I feel confident that under the consecrated leadership of E. M. McEachren, my successor, Vade Mecum will continue to grow and will become an even greater influence in the building of a stronger Church in North Carolina.

Respectfully submitted,

Thomas J. C. Smyth

REPORT OF ST. AUGUSTINE'S COLLEGE

During the past year 404 students have been enrolled in the college coming from 40 Dioceses of the Church and 4 foreign countries. About 50 of these students were special students from the St. Agnes School of Nursing. About 90 were veterans studying under the G.I. Bill of Rights. Though the dormitories were full there was no overcrowding. The size of classes and teaching loads for the faculty were not excessive. Every effort is being made to be selective in the admission of qualified students.

The religious life of the college has been normal as respects baptisms and confirmations. Over \$400 was contributed as the Lenten Offering for Missions and contributions have also been made to the Fund for War Relief.

Among the conferences held on the campus have been the Annual Conference for Clergy and Church Workers held last June and the Conference of the Crown and Sceptre High School Honorary Scholarship Society, an organization which has been fostered for many years by the College. Both of the conferences had a record attendance. St. Augustine's was represented in the North Carolina College Conference of Episcopal students, in the State Student Legislative Assembly, at the Fort Valley Conference for prospective Church Workers, at the State Interracial Meeting and at numerous other conferences.

The college has continued to furnish quarters for a special worker with the State Department of Public Instruction in the Field of Health and Physical Education.

The College anticipates receiving a substantial sum from the Reconstruction and Advance Fund and from the National Council towards its building program which includes enlargement and rehabilitation of the Science Building and the erection of a suitable gymnasium. Efforts are being made to secure additional help from other sources.

As in all probability this is my final Convention Report as President of St. Augustine's a personal reference to my stewardship may not be amiss. This year I am completing thirty-five years of service at St. Augustine's. For thirty-one years it has been my lot to serve as head of the Institution and to pilot it through two world wars and a major financial depression.

St. Augustine's is today accredited as a four year College, "Class A" by the Southern Association of Colleges. The physical plant is valued at about \$1,000,000. There is no debt.

In my capacity as minister in charge of the College Chapel I find that I have baptized 312 persons, have prepared 518 for confirmation and I have officiated at over 10,000 Chapel Services. During this time more than 40 young men trained at St. Augustine's have gone on later into the ministry.

I recently notified the Trustees that I felt that the time has come for me to relinquish my post to a younger man and in order that I may undertake work involving less administrative and financial responsibility. In compliance with my request they duly accepted my resignation, effective September 1st. I have every confidence that my successor in office will carry forward the work of St. Augustine's as it enters upon the eightieth year of its existence. I commend both him and the College to your interest and support.

Respectfully submitted

REPORT OF GOOD SAMARITAN HOSPITAL CHARLOTTE, 1946

Founded in 1881, and having cared for the Negro sick in the south-western part of the Diocese of North Carolina for nearly sixty years, the Good Samaritan Hospital in Charlotte is the oldest privately owned Negro hospital in the United States.

During the year, 1946, a new kitchen was completed, a pharmacy opened, a new medical and nurses' library purchased and catalogued, a new and completely equipped records library was installed in the hospital. The institution was accepted as a full member of the American Hospital Association and the North Carolina Hospital Association, and has applied for recognition by the American College of Surgeons. The Nurses' Training School was

raised to an A grade institution, the Medical Staff reorganized, and a new Executive Board headed by Mr. E. C. Griffith, Chairman, was installed. The Pediatrics Ward was increased in capacity from eight to twelve beds. Two resident physicians, two dieticians, a resident anesthetist, an administrator, an assistant administrator, an admission clerk, three supervisors, and three general duty nurses were added to the Staff. Affiliations for the Nursing School were made at Smith University of Charlotte, Bellevue Hospital in New York City, and the State Orthopedic Hospital in Gastonia, N. C.

Our statistical Report is as follows:

4,450 patients for a total of 35,402 patient days,

2,920 full pay patients for 21,990 days,

222 part pay patients for 2,710 patient days,

1,308 free patients for 10,903 days.

Despite the increase in patients of nearly 400 in 1946 over 1945, there were four less deaths in the hospital. Laboratory examinations increased from 9,438 in 1945 to 14,608 in 1946, and patients X-rayed increased from 187 in 1945 to 871 in 1946. 871 major operations were performed and 668 minor operations.

We wish to thank the many friends of the hospital for their continued interest and gifts, especially the St. Peter's Hospital Foundation, the Duke Endowment, and the Episcopal churches of the city of Charlotte. We particularly appreciate the gift of \$500 from the Diocese of North Carolina, which is the first grant by the Diocese made to the institution since it was founded.

An audited report of the institution as of December 31, 1946 is attached hereto.

Respectfully submitted,
George W. Laycock,
Administrator

REPORT OF THE EPISCOPAL LAYMEN'S ASSOCIATION, 1947

On Sunday, Feb. 23, 1947, an enthusiastic group of Episcopal Laymen of our Diocese attended a meeting at St. Martin's Parish, Charlotte, N. C. At this meeting Hugh B. Campbell gave a report on the work of the Laymen. The work of the Presiding Bishop's Committee on Laymen's Work was reviewed and a transcript of the report of Mr. Harvey S. Firestone, Jr., the Chairman of the Presiding Bishop's Committee on Laymen's Work, was presented. Mr. Firestone's report had been given at the General Convention in Philadelphia in 1946. At the completion of Mr. Campbell's report the election of officers for the coming year took place. Mr. William H. Ruffin of Durham, N. C. was elected Chairman for the Diocese to succeed Mr. Campbell. Mr. E. Osborne Ayscue was elected Treasurer.

The Episcopal Laymen's Association during the past year participated in the following matters:

PROVINCIAL CONFERENCE AT KANUGA

Each year the Laymen of the Fourth Province hold a conference at Kanuga. The past year this conference was held during the period from June 7 through 10th. Hugh B. Campbell and W. B. Stover, both of St. Martin's Parish, Charlotte, represented the Diocese of North Carolina at this conference. This was the second annual conference and was held under the leadership of Mr. W. Ted Gannaway of Orangeburg, S. C., who is the Chairman of the Laymen's work for the Fourth Province. In addition to Mr. Gannaway, Mr. Arnold M. Lewis, Executive Director of the Presiding Bishop's Committee on Laymen's Work, was present. Mr. Lewis succeeded The Reverend Wilborn C. Campbell in this work, and it was his first introduction to Kanuga and the Episcopal Laymen in this area.

The outstanding feature of this conference was the evident sincerity of the men present. At the first conference only seven or eight men from the Province had attended. At this second annual conference thirty-eight men were present, and many of them had brought members of their families with them. It was decided that the conference at Kanuga for the province would be made an annual affair, and it was hoped that each year more and more Laymen would attend, and in that way enable the Laymen throughout the Province to become better acquainted with each other and exchange views and opinions as to the best means of promoting the work of the Church and procuring the support of the Laymen.

The Dioceses in South Carolina were very well represented. It is earnestly hoped that a large delegation from the Diocese of North Carolina will attend the Kanuga Conference for Laymen in 1947. This conference will be held from June 27th through 30th, and the cost per person will be \$7.00. There is ample room and most adequate facilities for taking care of not only the Laymen, but members of their families who desire to go to Kanuga and enjoy the fine facilities which are there.

The Executive Director, Mr. Lewis, brings reports of the work of the Laymen throughout the nation, and at Kanuga one can obtain suggestions and ideas which will be of inestimable aid in furthering the work of the Laymen, not only throughout the Diocese, but in each local Parish and Mission.

VADE MECUM CONFERENCE

The Laymen's Association promoted the annual conference at Vade Mecum. This annual weekend conference at Vade Mecum has become a well established event in the life of the Laymen. It was held the weekend of July 15-16, 1946, and more than twenty-five Laymen attended. At this conference the Laymen received a report from Rev. Tom Smythe as to the activities which were going on at Vade Mecum and particularly with regard to the construction of the Chapel of Thanks, which had been a primary project of the Laymen in the Diocese. At the time of this conference there was on hand \$7,289.38 for the construction of the building, and two-thirds of the stone had already been brought to the site of the building. Mr. Smythe reported on the Twenty-five-Year Improvement Plan which had been prepared for Vade Mecum and reviewed in detail the future plans under this development program.

Another project undertaken by the Laymen's Association during the past year was the sponsoring of a program for training Lay Readers in cooperation with the Department of Christian Education. Mr. Mark Boesser of Winston-Salem was the Layman in charge of the course and the course was given during the week of Aug. 12, 1946, at Vade Mecum. The course was an excellent one under the leadership of Mr. Boesser, and those who attended are now well qualified to conduct services as a Lay Reader in any Parish or Mission.

The Negro Laymen have been most active during the past year. For the most part their work has been concentrated on the development of Camp Delany as a conference ground for the Negro work. Dr. E. E. Blackman of Charlotte is the leader of the Negro Laymen and under his leadership several Diocesan-wide meetings have been held.

ADVENT CORPORATE COMMUNION

The Laymen of the church for many years have sponsored the annual Advent Corporate Communion. This event, during the past year, was attended by more men and boys than ever before, and all those attending received inspiration as a result of participating in a movement of this kind which was being participated in by consecrated Laymen throughout the entire nation. Emphasis was placed upon attending the Corporate Communion rather than on any effort to procure special gifts. In those instances where special gifts were received, the local Parish or Mission used same as it saw fit.

The Laymen's Association, in appreciation for the twenty-five years of devoted service rendered the Diocese by our Bishop, undertook to show their appreciation by procuring a new automobile which is to be presented to the Bishop at this convention. This undertaking was without the knowledge of the Bishop and keeping him from knowing about it presented the great obstacle.

PLANS FOR THE COMING YEAR

The Laymen's Association is well-organized. The Diocese has been divided into nine divisions or districts which correspond with those used by the Women's Auxiliary, plus a division for the Negro work which covers the entire Diocese. In each district there is a District Keyman, and under him in each Parish and Mission there is a Parish Keyman. All of the Laymen are urged to become acquainted with their Local and District Keymen and to cooperate with them in every undertaking sponsored by their local group. Any suggestions for the furtherance of the church which any Layman has should be passed on to his Keymen so that in turn the suggestion can go up the chain of leadership and be co-ordinated with the work of the Laymen throughout the nation.

In addition to the Provincial Conference at Kanuga on June 27th through 30th, 1947, there will be our own Diocesan Conference at Vade Mecum on August 15 through 17. At this conference, which will open Friday night, August 15th, there is planned a program which will not only bring to the Laymen of the Diocese some outstanding speakers, but there will be ample opportunity for fellowship and recreation. This year it is planned that this conference will last longer than in the past, and the entire facilities of Vade Mecum will be at the disposal of the men. A never-to-be-forgotten time is in store for those Laymen who attend.

Respectfully submitted on behalf of the North Carolina Laymen's Association,

Hugh B. Campbell.

REPORT ON THE STATE OF THE CHURCH

In a study of seventy-two Missions in the Diocese over a ten year period from 1935-1945 your committee finds a situation which we feel should challenge this Convention to serious thought and action.

The Communicant status of our Missions in 1935 was 3,416 communicants; in 1945 the number was 3,802 which shows a net gain of 386, however when we look closely we find that out of the 72 Missions 22 showed a decline in Communicant strength. This limits the net gain of 386 to 50 churches and here we find it is an average again of only 5 for each church over a ten year period.

Looking next at the Church Schools for the same period and the same Missions we find in 1935 there were 3,518 pupils enrolled and in 1945, 2,349, a loss of 1,169. Since all of our Missions do not have Church Schools this loss is more appalling. There are 52 Missions having Church Schools and out of this number only 16 showed a gain and this gain was 192 pupils for the ten year period. This shows 36 Missions losing 977 pupils for the same time.

Perhaps due to improved economic conditions the financial picture for this period is not correspondingly bad. In 1935 the total receipts from all Missions was \$36,845.40; in 1945 this had increased to \$99,808.91. Surely this reveals to us a greater sense of stewardship and Christian sacrifice for which 3,416 persons in 1935 gave \$36,848.40; in 1945, 386 persons less gave \$62,960.61 more.

Since a great part of our Parochial strength comes from our Missions we cannot but conclude that unless something is done to remedy this loss in persons both in Church Schools and in Communicant strength, we can expect the next decade to reflect a similar loss in our Parishes.

Your Committee would like to make mention of some encouraging fields of labor among our Negro missions:

Wherever there is life and a determination on the part of the members to put over a real program the diocese has given encouragement and substantial help. To date substantial amounts have been given the following projects:

All Saints, Warrenton has secured \$4,700.00 for the renovation of its church which recently was condemned. Work is to be started at once.

St. Mark's, Wilson has in hand over \$6,000.00 for the erection of a sorely needed rectory. \$2,500.00 is to be raised to enlarge the Parish House. In both cases these amounts have been secured by the diocese, the members and 281 people working together.

The Diocese has given outright \$1,900.00 to liquidate the indebtedness of St. Titus Church, Durham. This congregation is now in a position to call a priest and build a strong work in that city.

Nearly \$3,000.00 has been given for the new camp site near Raleigh. Plans are in the making to make this camp second to none in the south and enable it to take care of the activities of Negro churchmen in the Diocese. However a new church is badly needed at Henderson, N. C.

At least four new priests are needed to take care of strategic work in the diocese.

Your Committee further believes that the best way of creating a spiritual foundation in regard to the mission is through a very active and progressive church school. Through the church school the youth of the Episcopal Church can be taught the fundamental and basic teachings of Christianity and we see this value in the following program.

1—Through the church schools large numbers of unchurched children can be reached.

2—Then through the children we have access to the parents.

3—The children will later become the strength of the church.

4—A thriving church school in the mission constantly gives a source of strength to the church.

5—Through the educational program of the church school, we have the opportunity to present the Christ whom we love and worship as the only solution to the problems facing us today, namely race, war, nationalism, juvenile delinquency, etc.

The overall picture in the diocese does show some improvement since 1945. From the statistics submitted from the 1946 journal, we find several increases, namely 16 more infant baptisms, 22 more adult baptisms, 118 more confirmations and also a net gain in church school enrollment of 236 for the whole diocese. Since no study was made for this year of just the mission work, we believe it possible these gains reflect parochial growth rather than mission growth.

Your Committee believes that through a more intensive religious educational program and deeper consecration on the part of our ministers and complete faith and trust in God, we can and will go forward.

REPORT OF THE DEAF MISSION WORK IN THE DIOCESE OF
NORTH CAROLINA

During the past year there have been 102 services conducted for the Deaf being attended by 4,464 persons, 9 of these services were at the School for the Deaf being attended by 2,250 students, faculty, and staff members. Of the total 102 services; 71 were Morning and Evening Prayer, 22 Celebrations of the Holy Communion, 5 Baptismals with 12 persons being baptized, 4 Confirmation services with 14 candidates being presented, and 1 wedding. These services necessitated approximately 18,000 miles of travel.

Your Missionary to the Deaf has made many trips to all parts of the state to assist the Deaf people with various types of problems, in most cases advising and acting as an interpreter. He also served as the Director of Senior Boys' Camp, assisted with Junior Boys' Camp, and had 4 Deaf Leaders at the Teachers' and Leaders' Conference at Vade Mecum.

When the Deaf of the State learned of the plan of the Diocese to provide their Missionary with a rectory, they began a drive to raise funds to assist the Diocese with this plan. To date this fund totals \$1,926.80 with all except \$232.00 being contributed by the Deaf. It is believed this is another bit of evidence of the interest, and appreciation of the Deaf for the Church.

The Missionary and the Deaf are very grateful to the Bishop, the Parishes, and both the clergy and lay-people for their many kindnesses, cooperation, and support.

Respectfully submitted,

JAMES R. FORTUNE, *Missionary to the Deaf.*

REPORT OF WOMAN'S AUXILIARY, MAY 1947

The Woman's Auxiliary of your Diocese expresses to you, the Clergy and the Laymen of the Church, its gratitude for the encouragement and guidance you have given us in our work during the past year. Your interest and advice are necessary for any success we may attain, since we are working with you for the whole program of the Church which is our common responsibility.

During the past year it has been inevitable that our work should show some material evidence of progress. Our Branches number 108, three of them organized this year. We ended the fiscal year of 1946 with a surplus of \$1,804.67, which we allocated to the work of the Church, keeping a reserve of \$500.00. Our United Thank Offering for the Spring of '47 was \$7,883.33, the largest single ingathering we have ever had. For the Fall of '46 it was \$6,154.63. At our Annual Meeting this Spring we voted to raise the total amount of our Diocesan budget for 1948 from \$8,000.00

to \$8,500.00. Of this amount \$1,700.00, will be contributed to the budget of 1948, which you approve for the Diocese at this Convention. These accomplishments we regard as steps in what should be our normal growth and progress. We are not satisfied with our efforts for we know we are far from our potential strength. We feel an urgency to surpass all that we have ever done, for the time is now for us to have a share in proclaiming to the world the fact of Christ's redeeming Love.

We hope you have been aware of the interest and encouragement of the Auxiliary Branches in your task of raising funds for the Church's Program. Our plan of asking vestrymen last Fall to attend Branch Meetings of the Auxiliary and to explain the details of the Church's Program Fund was most helpful to us, and we hope the good results were evident to you in the Every Member Canvass which followed.

The theme for our three year's work was given to us at the Triennial Meeting last Fall: Give Us, O God, The Strength To Build. We are to emphasize this theme in the coming year by presenting to our members, according to the national plan, the keynote: Ye Shall Be Witnesses. The subjects we are studying during the triennium come under the four main topics: The Christian Faith; The Christian Home and Family; the Christian World; and The World Mission of the Christian Church. Our Mission Study subjects during the past year were India and The Christian and Race. Next year the Mission Study topic will be World Evangelism. Through small Conferences this Spring within the District divisions of the Diocese, and through the Summer Conference at Vade Mecum we are making preparation for carrying on the whole program of the Auxiliary during the coming year.

The following Diocesan officers were elected at our Annual Meeting in April:

Treasurer—Mrs. B. R. Roberts, St. Philips, Durham, N. C.

United Thank Offering Custodian—Mr. Springs McCoy, All Saints, Concord, N. C.

Nominee to the Diocesan Executive Council—Mrs. Landon Hill, Christ Church, Raleigh, N. C.

We are confident that the awakening of the Church to a crusade of World Evangelism will find strength and support in our Diocese. The Woman's Auxiliary recognizes its duty to help in every area of such a forward movement of the Church. Our hearts and minds are enkindled by the thought expressed in the words of Dr. Paul Hutchinson: "An intangible, never to be ignored, is the power of God to stir to life Spiritual forces as yet hidden from our myopic eyes. Christian history is studded with the sudden and mysterious blazing forth of unexpected saving fires. Who dares to say that this is now beyond the limits of possibility?"

RESOLUTION CONCERNING THE RESIGNATION OF
REV. EDGAR H. GOULD

Whereas, in his report to the 131st Convention of the Diocese of North Carolina, the Reverend Edgar H. Goold announced his resignation as president of St. Augustine's College and its acceptance by the Board of Trustees of that institution:

Be It Resolved: that this Convention in session recognize with affectionate commendation the work of Mr. Goold at St. Augustine's College during his 35 years' connection with it and his 31 years' presidency, with the attendant growth and development of the College and its recognition among educational, social, and Church agencies: That this Convention offer in Mr. Goold's behalf heartiest good wishes and devout prayers for his continued health and vigor in whatever field of work he shall hitherto be called.

We move the adoption of this resolution by a standing vote.

Respectfully submitted,
